Daisy Bates Grif Stockley 2005 Daisy Bates (1914-1999) is renowned as the mentor of the Little Rock Nine, the first African Americans to attend Central High School in Little Rock, Arkansas. For guiding the Nine through one of the most tumultuous civil rights crises of the 1950s, she was selected as Woman of the Year in Education by the Associated Press in 1957 and was the only woman invited to speak at the Lincoln Memorial ceremony in the March on Washington in 1963. But her importance as a historical figure has been overlooked by scholars of the civil rights movement. Daisy Bates: Civil

Rights Crusader from Arkansas chronicles her life and political advocacy before, during, and well after the Central High School crisis. An orphan from the Arkansas mill town of Huttig, she eventually rose to the zenith of civil rights action. In 1952, she was elected president of the NAACP in Arkansas and traveled the country speaking on political issues. During the 1960s, she worked as a field organizer for presidents John F. Kennedy and Lyndon B. Johnson to get out the black vote. Even after a series of strokes, she continued to orchestrate self-help and economic initiatives in Arkansas. Using interviews, archival records, contemporary news-paper accounts, and other materials, author Grif Stockley reconstructs Bates's life and career, revealing her to be a complex, contrary leader of the civil rights movement. Ultimately, Daisy Bates paints a vivid portrait of an ardent, overlooked advocate of social justice.

The Collected Works of Henry James, Vol.

03 (of 06) Henry James 2020-12 Daisy Miller is a novel by Henry James that first appeared in Cornhill Magazine in June-July 1878, and in book form the following year. It portrays the courtship of the beautiful American girl Daisy Miller by Winterbourne, a sophisticated compatriot of hers.

His pursuit of her is hampered by her own flirtatiousness, which is frowned upon by the other expatriates when they meet in Switzerland and Italy. Annie "Daisy" Miller and Frederick Winterbourne first meet in Vevey, Switzerland, in a garden of the grand hotel, where Winterbourne is allegedly vacationing from his studies (an attachment to an older lady is rumoured). They are introduced by Randolph Miller, Daisy's nine-year-old brother. Randolph considers their hometown of Schenectady, New York, to be absolutely superior to all of Europe. However, Daisy is absolutely delighted with the continent, especially the high society she wishes to enter. Winterbourne is at first confused by her attitude, and though greatly impressed by her beauty, he soon determines that she is nothing more than a young flirt. He continues his pursuit of Daisy in spite of the disapproval of his aunt, Mrs. Costello, who spurns any family with so close a relationship to their courier as the Millers have with their Eugenio. She also thinks Daisy is a

shameless girl for agreeing to visit the Château de Chillon with Winterbourne after they have known each other for only half an hour. Two days later, the two travel to Château de Chillon and although Winterbourne had paid the janitor for privacy, Daisy is not quite impressed. Winterbourne then informs Daisy that he must go to Geneva the next day. Daisy feels disappointment and chaffs him, eventually asking him to visit her in Rome later that year. In Rome, Winterbourne and Daisy meet unexpectedly in the parlor of Mrs. Walker, an American expatriate, whose moral values have adapted to those of Italian society. Rumors about Daisy meeting with young Italian gentlemen make her socially exceptionable under these criteria. Winterbourne learns of Daisy's increasing intimacy with a young Italian of questionable society, Giovanelli, as well as the growing scandal caused by the pair's behaviour. Daisy is undeterred by the open disapproval of the other Americans in Rome, and her mother seems quite

unaware of the underlying tensions. Winterbourne and Mrs. Walker attempt to persuade Daisy to separate from Giovanelli, but she refuses. One night, Winterbourne takes a walk through the Colosseum and sees a young couple sitting at its centre. He realises that they are Giovanelli and Daisy. Infuriated with Giovanelli, Winterbourne asks him how he could dare to take Daisy to a place where she runs the risk of catching "Roman Fever". Daisy says she does not care and Winterbourne leaves them. Daisy falls ill and dies a few days later.

The Negro Motorist Green Book Victor H. Green
The idea of "The Green Book" is to give the Motorist and Tourist a Guide not only of the Hotels and Tourist Homes in all of the large cities, but other classifications that will be found useful wherever he may be. Also facts and information that the Negro Motorist can use and depend upon. There are thousands of places that the public doesn't know about and aren't listed. Perhaps you know of some? If so send in their names and addresses and the kind of business, so that we might pass it along to the rest of your fellow Motorists. You will find it handy on your travels, whether at home or in some other state, and is up to date. Each year we are compiling

new lists as some of these places move, or go out of business and new business places are started giving added employment to members of our race.

En limpio se escribe la vida Daisy Zamora 1992
These are poems written mostly in a time of war, and rooted in the land and people of Nicaragua. Zamora draws deep portraits of women of all classes, often using her own body as a metaphor and starting point. Recalling the years of revolution and resistance to U.S. intervention, she follows the riverbed of her memories through the land of her childhood, mourns the devastation of war, and illuminates the heroic

lives of ordinary men and women. Daisy Zamora was program director of clandestine Radio Sandino during the revolution and later served as vice-minister of Culture in the Sandinista government.

All of them have something to hide—and that's before the beautiful people with their own ugly secrets even set foot on the island. The Violent Foam Daisy Zamora 2002 The Violent Foam includes selections from Zamora's previous acclaimed books and poems written since 1993. About her earlier book, Clean Slate, MultiCultural Review noted "Zamora was shaped by revolution and gender, but her voice is true and universal, transcending political boundaries and sounding clear notes of sanity in times of madness." Her new poems, beautifully translated by the poet George Evans, continue her lyrical, clear-sighted vision of the world with humor and gentle irony. LASSIE (Autobiography) It's true. I was faithful. My one desire was to be patted on the head by a disdainful hand. And happily wagging that tail I ran in circles, barked, and

rolled around to welcome the master.

Fitzgerald and Hemingway Scott Donaldson 2009-07-22 F. Scott Fitzgerald and Ernest Hemingway might have been contemporaries, but our understanding of their work often rests on simple differences. Hemingway wrestled with war, fraternity, and the violence of nature. Fitzgerald satirized money and class and the never-ending pursuit of a material tomorrow. Through the provocative arguments of Scott Donaldson, however, the affinities between these two authors become brilliantly clear. The result is a reorientation of how we read twentieth-century American literature. Known for his penetrating studies of Fitzgerald and Hemingway, Donaldson traces the creative genius of these authors and the surprising overlaps among their works. Fitzgerald and Hemingway both wrote fiction out of their experiences rather than about them. Therefore Donaldson pursues both biography and criticism in these essays, with a deep commitment to close reading. He traces the

influence of celebrity culture on the legacies of both writers, matches an analysis of Hemingway's Spanish Civil War writings to a treatment of Fitzgerald's left-leaning tendencies, and contrasts the averted gaze in Hemingway's fiction with the role of possessions in *The Great Gatsby*. He devotes several essays to four novels, *Gatsby*, *Tender Is the Night*, *The Sun Also Rises*, and *A Farewell to Arms*, and others to lesser-known short stories. Based on years of research in the Fitzgerald and Hemingway archives and brimming with Donaldson's trademark wit and insight, this irresistible anthology moves the study of American literature in bold new directions.
