England-born, New York-based photographer Alexi Lubomirski has become an established

name within the fashion industry, shooting for such publications as Harper's Bazaar, Vogue and GQ, and working with cover stars such as Charlize Theron, Gwyneth Paltrow, Natalie Portman, Jennifer Lopez and Nicole Kidman, to name but a few. It was after shooting Lupita Nyong'o, however, that Lubomirski was struck by the homogeneity of the subjects he'd been hired to shoot professionally. Often when he submitted a list of models he was interested in shooting, responses would range along the lines of "we love her, but...", "her hair is a problem," "she is too dark" or "she is too light to make a statement." In *Diverse Beauty*, Lubomirski aims to move beyond the underrepresentation of women from a range of ethnicities in fashion media. The volume compiles his photographs

of his dreams. Why? She's the high society daughter of the Mayor. Oh, and she's only 17. But what happens in Vegas, stays in Vegas...right? Blurb: Seventeen-year-old Brooklyn Hall has had her eye on uber-sexy tattoo artist, Six Jagger, for a while. There's only one problem—she's pretty sure he doesn't even know she exists. A friend of her older brother, Six is five years older than her. Plus, there's the pesky fact that he's had a steady girlfriend for months. Still, even though she knows there's no chance for her, she can't seem to let the fantasy go. Six Jagger has had a thing for Brooklyn Hall since the first time he laid eyes on her a year ago. However, after finding out her age, he wiped her off his list of

possibilities. That should've been the end of it, but for some reason, he can't stop watching and admiring her from afar. Happy that he's successfully maintained his distance, all that changes on the night Brooklyn walks into Inked Edges, asking him for an illegal tattoo. After that, all his carefully constructed barriers come tumbling down, taking them on an explosive ride of lust, passion, and desire. All's well that ends well, right? glamorous, jet-setting lifestyle came from years of hard work, humility, and hustle. In *Blowing My Way to the Top*, Jen shatters the illusion of effortless, instant success that permeates social media to reveal the sweat, dedication, and drive it really takes to make it. In this inspiring, insightful, and laugh-out-loud funny book, Jen chronicles her remarkable journey and shares what she's learned along the way. From growing up in a conservative Mormon community where girls were discouraged from pursuing their ambitions, to striking out on her own and finding success on the celebrity style circuit, to building the cult-status brand OUAI—Jen reveals with refreshing candor the lessons, mistakes, and memorable moments that have paved

her road to success.
