The transdisciplinary volume contains innovative case studies that address swearing and cursing in parts of the world characterized by consequences of colonialism and increasingly debated inequalities. Turning away from more conventional and established methodologies and theoretical approaches, the book envisages to address transgressive linguistic practices, performances and contexts in Africa, Asia, America and Europe -including individuals' creativity, subversive power and agency. Due to its interdisciplinary and non-mainstream focus, this volume is an essential addition to the field of studies.

But our everyday experience often tends to make us drift from this universal truth. Likewise, the treasure that lies in the human hearts often gets enshrouded by outwardly expositions. Events in lives that entwine these facts find dramatic presentations in the stories which the author has put in this collection for the reader to relish. The love for nature, which is not always kind, often peeps in the depictions even as

the reader wonders what next. Why a victimized poor man feels compassionate towards a rich lady of high social status, or how a man confronts a completely exotic world in a place where he is not a newcomer, or what comes unexpectedly as a true gift, awaits fascinating revelation. Why Nitish speaks of terra incognita, or Lumla sheds tears for rich city dwellers, or Sarita hesitates to aim her revolver at the attacker, opens up as the reader goes on savouring the gradual unfurling of the stories.

Brought to Life by the Voice Amanda Weidman 2021-06-15 To produce the song sequences that are central to Indian popular cinema, singers' voices are first recorded in the studio and then played back on the set to be lip-synced and danced to by actors and actresses as the visuals are filmed. Since the 1950s, playback singers have become revered celebrities in their own right. Brought to Life by the Voice explores the distinctive aesthetics and affective power generated by this division of labor between onscreen body and offscreen voice in South Indian Tamil cinema. In Amanda Weidman's historical and ethnographic account, playback is not just a cinematic technique, but a powerful and ubiquitous element of aural public culture that has shaped the complex dynamics of postcolonial gendered subjectivity, politicized ethnolinguistic identity, and neoliberal transformation in South India.

Impersonations Harshita Mruthinti Kamath 2019-06-27 At publication date, a free ebook version of this title will be available through Luminos, University of California Press's Open Access publishing program. Visit www.luminosoa.org to learn more. *Impersonations: The Artifice of Brahmin Masculinity in South Indian Dance* centers on an insular community of Smarta Brahmin men from the Kuchipudi village in Telugu-speaking South India who are required to don *stri-vesam* (woman's guise) and impersonate female characters from Hindu religious narratives. Impersonation is not simply a gender performance circumscribed to the Kuchipudi stage, but a practice of power that enables the construction of hegemonic Brahmin masculinity in everyday village life. However, the power of the Brahmin male body in *stri-vesam* is highly contingent, particularly on account of the expansion of Kuchipudi in the latter half of the twentieth century from a localized village performance to a transnational Indian dance form. This book analyzes the practice of impersonation across a series of boundaries—village to urban, Brahmin to non-Brahmin, hegemonic to non-normative—to explore the artifice of Brahmin masculinity in contemporary South Indian dance.

Parentology Dalton Conley 2014-03-18 An award-winning scientist offers his unorthodox approach to childrearing: "Parentology is brilliant, jaw-droppingly funny, and full of wisdom...bound to change your thinking about parenting and its conventions" (Amy Chua, author of *Battle Hymn of the Tiger Mother*). If you're like many parents, you might ask family and friends for advice when faced with important choices about how to raise your kids. You might turn to parenting books or simply rely on timeworn religious or cultural traditions. But when Dalton Conley, a dual-doctorate scientist and full-blown nerd, needed childrearing advice, he turned to scientific research to make the big decisions. In *Parentology*, Conley hilariously reports the results of those experiments, from bribing his kids to do math (since studies show conditional cash transfers improved educational and health outcomes for kids) to teaching them impulse control by giving them weird names (because evidence shows kids with unique names learn not to react when their peers tease them) to getting a vasectomy (because fewer kids in a family mean smarter kids). Conley encourages parents to draw on the latest data to rear children, if only because that level of engagement with kids will produce solid and happy ones. Ultimately these experiments are very loving, and the outcomes are redemptive—even when Conley's sassy kids show him the limits of his profession. *Parentology* teaches you everything you need to know about the latest literature on parenting—with lessons that go down easy. You'll be laughing and learning at the same time.

Twelve Years a Slave Solomon Northup 2021-01-01 "Having been born a freeman, and for more than thirty years enjoyed the blessings of liberty in a free State—and having at the end of that time been kidnapped and sold into Slavery, where I remained, until happily rescued in the month of January, 1853, after a bondage of twelve years—it has been suggested that an account of my life and fortunes would not be uninteresting to the public." —an excerpt

KAMA : The Story of the Kama Sutra Misra, Jaya 2018-05-05 "Who was Vatsyayana? What motivated this intriguing personality in the third century to compile ancient erotic texts, replete with his witty aphorisms, into the *Kama Sutra*, the ultimate treatise on love and the art of lovemaking? *Kama* is a fictionalised account of the life and times of Vatsyayana. Seemingly, a manual for the hedonist about town, the *Kama Sutra* reveals another tale—written in blood—of broken hearts, lyrical violence, ageless love, and unbridled lust! Set in 273 AD, in a land fraught with war and unrest, *Kama* is the story of a catastrophic day in a writer-artist's life that sets him off on a journey unto himself, beyond the boundaries of love, family and betrayal. This fast-paced story of tragedy and triumph beguiles and captivates as it flits seamlessly between an agonising past, an erotic present and a cataclysmic future."
