Political Campaign Communication
Judith S. Trent 2011-08-16 Now in its seventh edition, Political Campaign Communication provides a realistic understanding of the strategic and tactical communication practices utilized in contemporary political campaigns. Trent, Friedenberg, and Denton's classic text has been updated to reflect recent election campaigns, including the 2010 congressional elections and the initial stages of the 2012 presidential election. In addition, the authors have examined the expanding role of the internet in political campaigns. Political Campaign Communication continues to be a classroom favorite—a thoroughly researched, insightful, and reader-friendly text.

The World's Chronicle Eleanor Atkinson 1906

20 to Stitch: Felt Christmas Decorations Lapierre 2013

Encyclopedia of Ephemera
Michael Twyman 2018-10-24 The joy of finding an old box in the attic filled with postcards, invitations, theater programs, laundry lists, and pay stubs is discovering the stories hidden within them. The paper trails of our lives -- or ephemera -- may hold sentimental value, reminding us of great grandparents. They chronicle social history. They can be valuable as collectibles or antiques. But the greatest pleasure is that these ordinary documents can reconstruct with uncanny immediacy the drama of day-to-day life. The Encyclopedia of Ephemera is the first work of its kind, providing an unparalleled sourcebook with over 400 entries that cover all aspects of everyday documents and artifacts, from bookmarks to birth certificates to lighthouse dues papers. Continuing a tradition that started in the Victorian era, when disposable paper items such as trade cards, die-cuts and greeting cards were accumulated to paste into scrap books, expert Maurice Rickards has compiled an enormous range of paper collectibles from the obscure to the commonplace. His artifacts come from around the world and include such throw-away items as cigarette packs and crate labels as well as the ubiquitous faxes, parking tickets, and phone cards of daily life. As this major new reference shows, simple slips of paper can speak volumes about status, taste, customs, and taboos, revealing the very roots of popular culture.

Christmas in Denmark
World Book Encyclopedia, inc 1986 Describes in text and illustrations how Christmas is celebrated in Denmark. Also includes stories, songs, recipes, and craft projects.

Militainment, Inc.
Roger Stahl 2009-12-04 Militainment, Inc. offers provocative, sometimes disturbing insight into the ways that war is presented and viewed as entertainment—or “militainment”—in contemporary American popular culture. War has been the subject of entertainment for centuries, but Roger Stahl argues that a new interactive mode of militarized entertainment is recruiting its audience as virtual-citizen soldiers. The author examines a wide range of historical and contemporary media examples to demonstrate the ways that war now invites audiences to enter the spectacle as an interactive participant through a variety of channels—from news coverage to online video games to reality television. Simply put, rather than presenting war as something to be watched, the new interactive militainment presents war as something to be played and experienced vicariously. Stahl examines the challenges that this new mode of militarized entertainment poses for democracy, and explores the controversies and resistant practices that it has inspired. This volume is essential reading for anyone interested in the relationship between war and media, and it sheds surprising light on the connections between virtual battlefields and the international conflicts unfolding in Iraq and Afghanistan today.

'Un-American' Hollywood
Peter Stanfield 2007-12-27 The concept of “un-Americanism,” so vital to the HUAC crusade of the 1940s and 1950s, was resoundingly revived in the emotional rhetoric that followed the September 11th terrorist attacks. Today’s political and cultural climate makes it more crucial than ever to come to terms with the consequences of this earlier period of repression and with the contested claims of Americanism that it generated. “Un-American” Hollywood reopens the intense critical debate on the blacklist era and on the aesthetic and political work of the Hollywood Left. In a series of fresh case studies focusing on contexts of production and reception, the contributors offer exciting and original perspectives on the role of progressive politics within a capitalist media industry. Original essays scrutinize the work of individual practitioners, such as Robert Rossen, Joseph Losey, Jules Dassin, and Edward Dmytryk, and examine key films, including The Robe, Christ in Concrete, The House I Live In, The Lawless, The Naked City, The Prowler, Body and Soul, and FTA.

The History of Toy Soldiers
Luigi Toiati 2019-06-30 Humans have made and collected toy soldiers from time immemorial. They amuse and comfort us, awaken our curiosity, turn aggressiveness into creativity. In The History of Toy Soldiers, Luigi Toiati, himself an avid collector and manufacturer of toy soldiers, conveys and shares the pleasure of collecting and playing with them. Far from a dry encyclopedia, it leads the reader through the fascinating evolution of the toy soldier from ancient times to the early twenty-first century. The author, as a sociologist with an interest in semiotics (the study of signs), offers truly original insights into why different types of toy soldiers were born in a given period and country, or why in a given size and material. The author’s writing is packed with factual detail about the different types of toy (and model) soldiers and their manufacturers, but also with anecdotes, nostalgia, wit and his enduring passion for the subject. Six hundred beautiful color photographs, many depicting the author’s own collection, complete this delightful book.

The International Confectioner 1922

Old-Fashioned Children Paper Dolls
Evelyn Gathings 1989-01-01 Two appealing, realistic dolls and 24 charming costumes — all based on actual dress of Victorian period. Detailed, carefully researched apparel includes riding habit, rose-trimmed ballet costume, sailor suits, ice skating outfits, clothes for attending a birthday party, more. Numerous accessories.

Schoolboy to Soldier 1935-1945
Clement Hoyle 2006-09 'Schoolboy to Soldier' is the story of how a boy of 14 years old joined the Army and became a soldier of the Second World War. It embraces enlistment and training with special emphasis on the almost impossible standards set by the workshops.

The Foundations of Mind
Jean Matter Mandler 2004-05-06 In The Foundations of Mind, Jean Mandler presents a new theory of cognitive development in infancy, focusing on the processes through which perceptual information is transformed into concepts. Drawing on her extensive research, Mandler explores preverbal conceptualization and shows how it forms the basis for both thought and language. She also emphasizes the importance of distinguishing automatic perceptual processes from attentive conceptualization, and argues that these two kinds of learning follow different principles, so it is crucial to specify the processes required by a given task. Countering both strong nativist and empiricist views, Mandler provides a fresh and markedly different perspective on early cognitive development, painting a new picture of the abilities and accomplishments of infants and the development of the mind.

American Boy 1916

Strategic Management
J.S. Chandan & Nitish Sen Gupta Strategic Management is a book that succinctly captures the nuances of leveraging strategy in the management of corporations and businesses. Tailor-made for students majoring in business and commerce at the undergraduate as well as postgraduate levels, it will equip them with skills in strategic thinking that encompass strategy formulation, implementation and evaluation. Furthermore, the book includes the most recent developments and trends in strategic management and will help the students to apply this knowledge to become effective managers and leaders. Salient features:
• Structured and lucid presentation of content
• Includes the latest research outcomes in strategic management theory and practice
• Contains a separate chapter on preparing a case analysis
• A short opening case, closing case, ‘strategic spotlight’ and ‘a great decision’ in every chapter
• Objective as well as subjective exercises at the end of each chapter

50 Fat Quarter Toys
Ame Verso 2019-12-03 Use your fat quarter cuts to create dozens of toys—stuffed animals, playmats, glove puppets, and more! A celebration of handmade toys, featuring fabulous stuffed animals, handmade baby gifts, Christmas makes and more—all made using fat quarter cuts of fabric, the most popular way that sewers buy fabric. Continuing the series from 50 Fat Quarter Makes, this fun collection features beautiful photography, step-by-step diagrams, and templates for over 50 handmade toys, with patterns provided by a wealth of international talent. All the toys are made using simple sewing techniques alongside patchwork, applique, and embroidery.

Britains Toy Soldiers
James Opie 2016-10-30 This is the first full-colour history of the world-famous toy soldiers to chart the whole story of their development from Victorian table toy to 21st Century collectable. Prior to 1893 the family toy business of the Britain family was struggling as the toy industry was dominated by German manufacturers and importers. Then came the fateful decision first to import, then to design and manufacture, toy soldiers, an area the German firms were particularly strong in. Britains Toy Soldiers were born and soon their boxes stamped with the slogan 'Best Quality English Make' were being eagerly opened by little boys across Britain and then around the world. The rest, as they say is history and it is all captured here by James Opie, the world's leading expert on the subject, as he lovingly traces the varying fortunes of arguably the most famous British toy company. Illustrated with lavish colour photographs, many of them featuring items from the author's own collection, the book includes feature sections such as collectors' favourites and prices, high-value and famous sets, artistic highlights, quirks and mysteries. It is without doubt the most authoritative book on the subject and will be welcomed by the thousands of devoted collectors world wide as well as many more with fond memories of childhood battles with these beautiful toys.

Chatterbox
John Erskine Clarke 1919

Toy Soldiers
Joe Carruolo 2010-03-18 Summer 1989 At the root of a horrific war was a seemingly harmless prank designed by a teenager - Ryde Dawind. Many would suffer and die never knowing the conflict's true catalyst. For twenty long years, "The Prank" remained a secret solely unto its perpetrator. For the first time, in an attempt to clear his conscience, Ryde breaks his silence in the tragic story of Toy Soldiers!

Angels of Music
Kim Newman 2016-10-04 Deep in the shadows under the Paris Opera House resides Erik the Phantom, mysteriously enduring through the decades as the mastermind behind a strange and secret agency. A revolving door of female agents are charged by wealthy Parisians and the French Government to investigate crimes and misdemeanours they would prefer to keep out of the public eye. The toxic underbelly of Paris is exposed by Erik’s tenacious women operatives as they confront horror and corruption throughout the city. But it is one dreadful murder during the 1910 Great Flood of Paris that brings Irene Adler, Kate Reed and others together for a final, deadly confrontation.

Industrial Arts and Vocational Education 1918

Collecting Toy Soldiers in the 21st Century
James Opie 2011-01-01 This serves as an update of the author's successful Collecting Toy Soldiers (Collins, 1987; pbk edition, New Cavendish, 1991). In it James Opie gives the collector the benefit of thirty years' experience as the world's leading authority on traditional toy soldiers (as opposed to model soldiers used in wargaming etc) and a lifetime as a collector himself.

Whimsical Whirligigs and How to Make Them
Anders S. Lunde 2000 Complete directions and patterns for creating Danny the Dinosaur, Doctor Doolittle, Johnny Appleseed, Dancing Sailor, Coo-Coo Bird, and over 25 other delightful projects.

The Museum Makers
Rachel Morris 2020-08-27 Part memoir, part detective story, part untold history of museums - The Museum Makers is a fascinating and moving family story. 'Rachel Morris is one of the smartest storytellers I have ever met... a wonderful and beguiling book' James Rebanks, author of The Shepherd's Life Without even thinking I began to slide all these things from the dusty boxes under my bed into groups on the carpet, to take a guess at what belonged to whom, to match up photographs and handwriting to memories and names - in other words, to sort and classify. As I did so I had the revelation that in what we do with our memories and the stuff that our parents leave behind, we are all museum makers, seeking to makes sense of the past.; Museum expert Rachel Morris had been ignoring the boxes under her bed for decades. When she finally opened them, an entire bohemian family history was laid bare. The experience was revelatory - searching for her absent father in the archives of the Tate; understanding the loss and longings of the grandmother who raised her - and transported her back to the museums that had enriched her lonely childhood. By teasing out the stories of those early museum makers, and the unsung daughters and wives behind them, and seeing the same passions and mistakes reflected in her own family, Morris digs deep into the human instinct for collection and curation.
