Contracts Brian A. Blum 2017-03-01 *Contracts: Cases, Discussion, and Problems, Fourth Edition* is known for its strikingly clear, straightforward text that illuminates cases as well as concepts

and theory. The book focuses on modern cases to expose students to contemporary contract law, but it also includes many important or iconic older cases. The cases are set in context by extensive author-written explanatory text.

Insightful questions draw attention to difficult and crucial aspects of the law and prompt vigorous class discussion. Numerous problems, ranging from simple to complex, supplement cases and introduce topics taught most effectively through problems. The casebook's traditional organization begins with formation and then corresponds to the sequence followed by the Restatement (2nd) of Contracts and treatises. Its concise, efficient presentation results in an optimum length for the course. Procedural issues are highlighted when presented by the cases and transactional issues such as drafting, client counseling, and negotiation are raised through the use of questions and small exercises throughout the text. Strengthening the text's focus on contemporary methods of contracting, modern issues in standard contracts are explored along with contracts entered into electronically. International and comparative material offers alternative approaches for students to consider, such as those taken by the United Nations

Convention on Contracts for the International Sale of Goods (CISG) and the UNIDROIT Principles of International Commercial Contracts.

Constitutional Law Erwin Chemerinsky 2013 A leading text by a prominent scholar, Constitutional Law is known for its concise, yet comprehensive presentation. Professor Chemerinsky's distinctive approach presents the law solely through case excerpts and his own essays. With the author's context and background information, the law becomes more readily understood. A flexible organization accommodates a variety of course structures; no chapter assumes that students have read preceding material. A complete Teacher's Manual and Annual Case Supplement round out this acclaimed text. The Fourth Edition introduces a streamlined presentation for even greater manageability. Major new cases are reviewed: United States Department of Health and Human Services v. State of Florida (constitutionality of the Affordable Care Act); Arizona v. United States

(preemption of Arizona's SB 1070); McDonald v. City of Chicago (application of the Second Amendment to the states); and Citizens United v. Federal Election Commission (First Amendment right of corporations to spend money in elections.) Features: concise, yet comprehensive presentation distinctive approach presents the law solely through case excerpts and author-written essays context and background information for greater understanding flexible organization--no chapter assumes that students have read the rest straightforward, accessible writing style Annual Case Supplement Thoroughly updated, the revised Fourth Edition presents: a streamlined presentation for greater manageability inclusion of major new cases United States Department of Health and Human Services v. State of Florida (constitutionality of the Affordable Care Act) Arizona v. United States (preemption of Arizona's SB 1070) McDonald v. City of Chicago (application of the Second Amendment to the states) Citizens United v.

Natural Resources Law Christine A. Klein 2018-02-01 This new sleek and slender textbook provides a platform for teaching Trusts & Estates as an accessible, engaging area of the law. As its title implies, Essentials covers only the core legal doctrines and does so in a concise, straightforward format that focuses on application rather than theory. The organizational structure of each chapter facilitates student learning by providing: a clear explanation of the doctrine in plain English an excerpt of relevant statutory authority where applicable an illustration of the doctrine through a carefully-selected judicial opinion, and an application of the doctrine in a problem set. Each judicial opinion is followed by a series of questions, as well as narrative answers to each question. The problem sets, which are heavily emphasized, simulate the practice of law in a realistic Trusts & Estates setting. Essentials is adaptable for two,

three, and four credit versions of the Trusts & Estates survey course.

Traversing the Ethical Minefield Susan R. Martyn 2017-11-22 Traversing the Ethical Minefield: Problems, Law, and Professional Responsibility, Fourth Edition offers students accessible, teachable problems and notes that clarify and encourage analysis of the law governing lawyers. The book's innovative pedagogy (combination of relevant and interesting problems faced by fictitious law firm "Martyn and Fox," cases, ethics opinions, thematic notes, and short stories) supports its focus of teaching the Model Rules of Professional Conduct and the Restatement of the Law Governing Lawyers as well as conveying the complexities of ethical dilemmas in legal practice. The book's manageable length makes it short enough to provide focus, but long enough

to convey the rich texture of the material.

Defining Crimes Joseph L. Hoffmann 2017 "[This book focuses on the] intellectual and theoretical issues that arise from how crimes actually get defined and applied today by state and federal legislatures, trial and appellate courts, police, prosecutors, defense lawyers, and juries. New features [for this edition]: new coverage of the controversial issue of police use of deadly force, which--together with the existing section on 'stand your ground' laws--facilitates class discussion of the "Black Lives Matter" movement and the shootings of Trayvon Martin, Michael Brown, and Eric Garner, among others; new chapter on Gun Crimes, including the Supreme Court's 2016 decision upholding the criminalization of gun ownership for those convicted of domestic violence crimes; updated chapter on federal criminal law, including the court's 2016 *Elonis* decision; updated coverage of criminal cases involving the over-prescription of opioid painkillers and other kinds of prescription

medications; and updated materials on rape, incorporating coverage of 'yes means yes' laws and policies."--

Criminal Procedure Ronald J. Allen 2020-02-14
Criminal Procedure: Investigation and Right to Counsel, Fourth Edition is derived from the successful casebook Comprehensive Criminal Procedure. Like the parent book, it covers the Fourth, Fifth, and Sixth Amendments and related areas using a thematic approach and offers an appropriate balance of explanatory text and secondary material accompanied by well-written notes. In addition to an experienced author team and well-edited cases, the book covers relevant statutes and court rules. New to the Fourth Edition: Updates regarding cutting-edge developments in case law, statutory materials, and academic commentary about due process, the right to counsel, searches and seizures, and the privilege against compelled self-incrimination An important reordering of certain areas of Fourth Amendment law and related materials to

make them even more user-friendly Insightful examination of the turmoil in modern Fourth Amendment law as the Supreme Court, notably splintered over methods of constitutional interpretation, faces the implications of rapidly changing technology Professors and students will benefit from: A rigorous and challenging criminal procedure casebook with an outstanding author team Sound grounding of the law in criminal process and the right to counsel Thorough coverage of Boyd v. U.S., The Fourth Amendment, The Fifth Amendment, and the process of investigating complex crimes Thematic organization of the cases and text that make the book both manageable and accessible The latest and most highly respected developments in legal scholarship that help both professors and students alike stay up-to-date in the field of criminal procedure law
Counterterrorism Law Stephen Dycus
2020-06-02 The purchase of this ebook edition does not entitle you to receive access to the

Connected eBook on CasebookConnect. You will need to purchase a new print book to get access to the full experience including: lifetime access to the online ebook with highlight, annotation, and search capabilities, plus an outline tool and other helpful resources. A new fourth edition of Counterterrorism Law is on its way and will be available for review in late spring, in plenty of time for fall course adoptions. Recent judicial rulings, legislative initiatives, and executive reforms are prominently featured. They help refine our understanding of relevant government structures, processes, and institutions, and they raise critically important new questions. They also address new threats and breathtaking advances in technology. New to the Fourth Edition: The election of President Donald Trump has brought dramatic changes in executive branch decision making, too. These developments are reflected here, as well, including some that became available just days before the new book went to press. Professors

and students will benefit from: This study of counterterrorism law is both comprehensive and self-contained. As in prior editions, we have organized the materials in this book into functional categories in order to facilitate study and to help put new developments in the field into perspective. This is not a “how-to-do-it” course, however.

White Collar Crime Jerold Israel 2015-07-31 The book is designed to promote student appreciation of the interaction of legal doctrines as they are applied in the white collar crime field. The material exposes students to substantive criminal law, criminal procedure, administrative procedure, corporate law, evidence, civil procedure, sentencing law, and highly specialized regulatory law. The book also allows students to appreciate the influence of administrative policies and the influence of the basic "culture" of white collar criminal practice. In addition to traditional materials in the casebook, a companion statutory and documentary

supplement provides rich primary source material.

Basic Tort Law Arthur Best 2014-07-08 Arthur Best and David Barnes draw on their years of experience in teaching and writing about torts to ensure that *Basic Tort Law: Cases, Statutes, and Problems* is user friendly for both students and professors. Concise and accessible, this casebook introduces cases and explains important concepts using clear, direct language and pedagogy.

Business Organizations D. Gordon Smith 2018-09-14 Reflecting ongoing changes in the structure and regulation of modern business practice, *Business Organizations: Cases, Problems, and Case Studies*, Fourth Edition offers a unique combination of doctrine, problems, and case studies. Recent, high-interest cases are balanced against classic teaching chestnuts. Brief, innovative problems are used in combination with longer case studies. Recent Delaware Supreme Court decisions, updated case

studies, and a strong website support a clear and sustained examination of the role and purview of the law in business transactions. New to the Fourth Edition: Recent Delaware Supreme Court and Chancery Court cases, including *eBay v. Newmark*; *DFC Global v. Muirfield Value Partners*; *In re: Trulia*; *Kahn v. M&F Worldwide (MFW)*; *Corwin v. KKR*; and new parent/subsidiary vicarious liability cases New textual coverage of developing trends such as shareholder activism, exploding deal litigation and judicial efforts to reign it in, hedge fund appraisal arbitrage, and Public Benefit Companies Revised Uniform Partnership Act materials, as updated through 2013 Updated case studies and problems that consistently reinforce topical coverage Professors and students will benefit from: A discriminating selection of fresh cases and classic chestnuts In-depth coverage of how the law applies to modern business structures, (such as joint ventures, venture capital arrangements, franchises, and new limited liability business forms) as well as

growth industries (such as computers, biotechnology, and telecommunications) Short problems after selected topics that give students practice applying the legal principles covered in that section Case studies styled on the B-school model that provide opportunities for in-depth analysis of the law in business transactions Hybrid entities treated in detail, including a separate chapter on limited liability companies Teaching materials include: Teacher's Manual PowerPoint slides and multiple-choice exam questions Prof. Smith's recorded lectures about many key topics

Ethical Problems in the Practice of Law Lisa G. Lerman 2021-01-04 Ethical Problems in the Practice of Law: Model Rules, State Variations, and Practice Questions, 2020-2021

Constitutional Structure Randy E. Barnett 2017-12-06 Constitutional Structure: Cases in Context, Second Edition places primary emphasis on how constitutional law has developed since the Founding, its key foundational principles, and

recurring debates. By providing both cases and context, it conveys the competing narratives that all lawyers ought to know and all constitutional practitioners need to know. Teachable, manageable, class-sized chunks of material are suited to one-semester courses or reduced credit configurations. Generous case excerpts make the text flexible for most courses. Cases are judiciously supplemented with background readings from various sources. Innovative study guide questions presented before each case help students focus on the salient issues, challenging them to consider the court's opinions from various perspectives, and suggesting comparisons or connections with other cases. Key Benefits: Revised doctrinal areas with newer cases. Updated background contextual material to reflect current scholarship. A highly accessible and engaging structure that examines the competing narratives that pervade the development of American constitutional law since the founding. Related cases are grouped

together into “assignments” and make for a reasonable amount of reading for each topic. A wealth of photographs, maps, and primary documents to bring the cases to life.

Constitutional Law Russell L. Weaver
2021-09-14 Constitutional Law: Cases Materials and Problems, 2021 Supplement

Comprehensive Criminal Procedure Ronald Jay Allen
2020-02-13 Comprehensive Criminal Procedure, Fifth Edition is perfect for all introductory courses in criminal procedure law (including both investigation and adjudication courses, as well as comprehensive and survey courses). The casebook focuses primarily on constitutional criminal procedure law, but also

covers relevant statutes and court rules. The casebook is deliberately challenging—it is designed for teachers who want to explore deeply not only the contemporary state of the law, but also its historical and theoretical foundations. The casebook incorporates a particular emphasis on empirical knowledge about the real-world impacts of law-in-action; the significance of race and class; the close relationship between criminal procedure law and substantive criminal law; the cold reality that hard choices sometimes must be made in a world of limited criminal justice resources; and, finally, the recognition that criminal procedure law always should strive to achieve both fairness to the accused and justice for society as a whole.

New to the Fifth Edition: Cutting edge developments in caselaw, statutory material, and academic commentary An important reordering of certain areas of the Fourth Amendment and related materials that make them even more user-friendly Insightful examination of the turmoil

in the modern Fourth Amendment cases as the Supreme Court, notably splintered over the appropriate methods of interpreting the Constitution, faces the implications of rapidly changing technology. The latest in case law, statutory material, and academic commentary about due process, the right to counsel, pretrial practice, guilty pleas, trial rights, sentencing, double jeopardy, and post-trial procedures Increased emphasis on the role of prosecutorial decision-making An updated treatment of the critical role of plea bargaining A new section on forfeitures and the Eighth Amendment Professors and students will benefit from: A rigorous and challenging criminal procedure casebook with careful presentation and editing A prestigious author team that incorporates the latest and most highly respected developments in legal scholarship in the field of criminal procedure law An appropriate balance of explanatory text and secondary material Thematic organization structured around important main themes

Extensive revisions and updates A casebook that is the only criminal procedure casebook on the market today that enables students to understand the roots of the modern controversy over privacy and security in a digital age Evidence David P. Leonard 2018-11-18 Buy a new version of this Connected Casebook and receive access to the online e-book, practice questions from your favorite study aids, and an outline tool on CasebookConnect, the all in one learning solution for law school students. CasebookConnect offers you what you need most to be successful in your law school classes – portability, meaningful feedback, and greater efficiency. Evidence: A Structured Approach offers a unique, structured approach facilitates learning and motivates students to prepare for class. One Federal Rule of Evidence introduces each section, followed by text explaining the background, rationale, and details of the rule. The text includes numerous diagrams as visual aids to learning and short transcripts that illustrate how

the rules are applied in the courtroom. The authors emphasize the rules over cases, but include edited versions of some judicial opinions, including the seminal cases that every lawyer should know. The heart of the “structured approach” is the Questions for Classroom Discussion, which follow the narrative explanation for each rule. These questions consist of simple hypothetical cases allowing for a step-by-step analysis of each rule. Because students know what will be the focus of class discussion, they quickly learn that preparation pays off. The book’s website allows students to download the questions directly into their notes before class, freeing students to spend more time listening and thinking while in class. CasebookConnect features: ONLINE E-BOOK Law school comes with a lot of reading, so access your enhanced e-book anytime, anywhere to keep up with your coursework. Ethical Problems in the Practice of Law Lisa G. Lerman 2018-02-01 Ethical Problems in the Practice of Law, Concise Fourth Edition is the briefer version of Lerman and Schrag's highly successful problem-based textbook that offers a contemporary and thoughtful approach to challenging ethical dilemmas, encouraging deep analysis and lively class discussion. Key Features:

Succinct and accessible explanation of lawyer law in question and answer format Numerous problems based on actual cases, in which students must analyze the ethical and strategic issues as if they were practicing lawyers Focus on issues that students are most likely to face in their early years of practice Stimulating presentation of materials, including cartoons, tables, and photos New to the Fourth Edition: Updates of countless recent developments in lawyer law, including the amendments to Rules 1.6, 1.18 and 8.4 Up-to-date discussions of how the Internet is affecting law practice, including the use of e-mail and social media Engaging two-color design New chapter on the changing legal profession Reorganized so that the chapters match the practice MPRE questions in Lerman, Schrag, and Gupta's Ethical Problems in the Practice of Law: Model Rules, State Variations and Practice Questions.

Electronic Commerce Ronald J. Mann 2005 This problem-based casebook will enliven your course

or seminar with its sensible transactional approach to electronic commerce. Thorough yet succinct, *Electronic Commerce, Second Edition*, provides a current examination of a fast-moving area of the law. The casebook guides students through the topic and helps instructors make the most of class time: lucid and concise reading assignments use clear non-technical language wherever possible realistic exercises illustrate current issues in e-commerce practice distinguished authorship from Ronald Mann, a prolific scholar in Commercial Law who recently served as Reporter for revisions to UCC Articles 3, 4, and 4A, and Jane K. Winn, who draw on classroom experience to make the text student-friendly clear and accessible explanations of need-to-know technology organized into 40 separate assignments so professors can concentrate on their own areas of interest coverage of important commercial law topics, such as click-through contracts, cybersquatting, web site development, software licensing, and

electronic payments extensive Teacher's Manual provides answers to the assignments in the book companion web site will complement and enrich printed materials The Second Edition introduces a new approach, along with new material: the transactional approach gives students a preview of practice, with three new assignments focusing on specific contracts of importance -- web site development, site licenses, and software licenses significant new and updated cases: *Dluhos v. Strasberg and walmartsucks.com* on cybersquatting, *Intel Corp. v. Hamidi*, *Specht v. Netscape* (appellate opinion), *Bowers v. Baystates Technologies*, and *Aerocon v. Silicon Valley Bank* (appellate decision) discussion of new statutes, such as CAN-SPAM and Check 21

Property James Charles Smith 2020-02 *Property: Cases and Materials* features sweeping coverage in a single volume, from "old property" (such as the basics of estates in land and servitudes) to "new property," including intellectual property, cultural property, and property in living things.

The text provokes debate on fundamental questions such as the creation of property, information as property, collective vs. individual rights, and property as related to other bodies of law. Its coverage of intellectual property shows how the law grows and responds to social and technological change. Designed for flexibility, stand-alone chapters can be omitted if time constraints require. Property: Cases and Materials includes appellate decisions, statutes, regulations, administrative decisions, law review articles, and non-legal materials. Principal cases include *Elvis Presley International Memorial Foundation v. Crowell*, *Popov v. Hayashi* (Barry Bonds home run ball); *People v. Chubbs* (software for DNA matching), and *Dred Scott v. Sandford*. Key Features: Updated with more recent cases, including more cases from the twenty-first century than any other major property casebook. Improved coverage of natural resources law and intellectual property. Thorough update of all existing materials.

Licensing Intellectual Property Robert W. Gomulkiewicz 2014-06-30 Licensing Law: Theory and Application is a surprisingly accessible book that describes the applications of all aspects of licensing law in business. Real-world context gives students a framework for understanding what their clients will want to accomplish and why. Clear instruction, followed by a series of hands-on problems and drafting exercises, introduce students to the craft of advising clients and drafting a license.

Criminal Procedure Erwin Chemerinsky
2018-01-31 Focusing on the investigation phase of criminal procedure, *Criminal Procedure: Investigation* combines Laurie L. Levenson’s first-hand experience in the criminal justice system with Erwin Chemerinsky’s student-friendly writing style. The Third Edition examines the impact of a host of recent developments in the courts and legislature on the process investigating crime. It eschews reliance on rhetorical questions and law review excerpts in favor of comprehensive exploration of black letter law and trendsetting policy issues. The book utilizes a chronological approach that guides students through criminal procedure doctrine from rules governing law

enforcement investigation to matters related to habeas corpus relief. In addition to presenting the perspectives from various stakeholders, the authors take care to provide students with useful, practice-oriented materials. *Criminal Procedure: Investigation* not only employs a systemic approach that takes students through issues from policy to application of legal doctrine but also introduces issues at the forefront of modern criminal procedure debates. Key Features: Straightforward writing style and clear, dynamic text that is uncluttered with law review excerpts and features thoughtfully edited principal and minor cases. Intuitive chronological presentation of topics. Systematic and cohesive exploration of policy on every issue, before moving on to the specifics of doctrine. Practice-oriented features and discussion of important, modern criminal procedure issues. Approachable organization based on common progression through criminal justice system. Straight writing style that relies on cases and author essays rather than law

review excerpts and strict Socratic rhetoric questions. Practice-oriented features, discussion of modern policy issues, useful example documents for practitioners. Useful examples for future and current criminal law practitioners.

Cases and Materials on Business Entities

Eric A. Chiappinelli 2018-03-30 Intended for the basic course in Business Organizations, Cases and Materials on Business Entities encompasses corporations, agency, partnership, and LLCs. Its extended coverage of alternative business entities distinguishes it from the more limited corporations-focused coverage of many business organizations texts. The author includes elaborate problems designed to help students become practice-ready as well as enhanced coverage of LLCs and principal cases that were decided within the last 20 years. The recipient of

numerous teaching awards and a former clerk at the California Supreme Court and the U.S. District court, author Eric Chiappinelli has taught, written, and practiced extensively in business entities, corporate law, securities regulation, and civil procedure. Key Features: Over 20 new cases, including *Shawe v. Elting* (Del. 2017). All principal cases are less than 20 years old. Corporation chapters reflect MBCA (2016), and Partnership materials reflect UPA (2013). LLC chapter has been revised and updated. New materials on ultra vires and ultimate beneficiaries. New discussion of DGCL §§ 204 and 205 and MBCA (2016) Subchapter E (ratifying defective acts) New real-life examples: Kate Spade acquired by Coach and Toys “R” Us bankruptcy.
