That Old Cape Magic Richard Russo 2009-08-04 For Griffin, all paths, all memories, converge at Cape Cod. The Cape is where he took his childhood summer vacations, where he and his wife, Joy, honeymooned, where they decided he'd leave his LA screenwriting job to become a college professor, and where they celebrated the marriage of their daughter Laura's best friend. But when their beloved Laura's wedding takes place a year later, Griffin is caught between chauffeuring his mother's and father's ashes in two urns and contending with Joy and her large, unruly family. Both he and she have also brought dates along. How in the world could this have happened? By turns hilarious, rueful, and uplifting, *That Old Cape Magic* is a profoundly involving novel about marriage, family, and all the other ties that bind.

Then We Came to the End Joshua Ferris 2007-03-01 The National Book Award finalist and debut novel by the bestselling author of *The Dinner Party*: "A readymade classic of the office-novel genre. . . . A truly affecting novel about work, trust, love, and loneliness." --Seattle Times No one knows us quite the same way as the men and women who sit beside us in department meetings and crowd the office refrigerator with their labeled yogurts. Every office is a family of sorts, and the ad agency Joshua Ferris brilliantly depicts in his debut novel is family at its strangest and best, coping with a business downturn in the time-honored way: through gossip, pranks, and increasingly frequent coffee breaks. With a demon's eye for the details that make life worth noticing, Joshua Ferris tells a true and funny story about survival in life's strangest environment--the one we pretend is normal five days a week.

The Cabinet Un-su Kim 2021-10-12 Winner of the Munhakdongne Novel Award, South Korea's most prestigious literary prize. Cabinet 13 looks exactly like any normal filing cabinet...Except this cabinet is filled with files on the 'symptomers', humans whose strange abilities and bizarre experiences might just mark the emergence of a new species. But to Mr Kong, the harried office worker whose job it is to look after the cabinet, the symptomers are a headache; especially the one who won't stop calling every day, asking to be turned into a cat. A richly funny and fantastical novel about the strangeness at the heart of even the most everyday lives, from one of South Korea's most acclaimed novelists. Translated by Sean Lin Halbert File Under: Fiction [12,000 Cans of Beer | Memory Mosaicers | Will Execution Inc. | Monkey of All Bombs]

The Bridge of Sighs Olen Steinhauer 2007-04-01 From the author of New York Times bestseller *The Tourist*... It's August, 1948, three years after the Russians "liberated" the nation from German Occupation. But the Red Army still patrols the capital's rubble-strewn streets, and the ideals of the Revolution are but memories. Twenty-two-year-old Detective Emil Brod finally gets his chance to serve his country, investigating murder for the People's Militia. The first victim is a state songwriter, but the facts point to a political motive. Emil would like to investigate further, but his colleagues in Homicide are suspicious or silent: He is on his own in this new, dangerous world. The *Bridge of Sighs* launches a unique series of crime novels featuring a cast of characters in an ever-evolving landscape, the politically volatile terrain of Eastern Europe in the second half of the 20th century. The *Bridge of Sighs* is a 2004 Edgar Award Nominee for Best First Novel.

The Misread City Scott Timberg 2003 This new and necessary book ? a collection of author profiles, literary journalism, and speculative pieces about the Southland?s writing and publishing scene ? aims to capture the Southern California of here and now. We want to get at the Los Angeles that came after the gumshoes, the wisecracking Englishmen, after the Boosters, the Beats, and the boozers, after the despairing heroines of Joan Didion and the coked-up rich kids of Bret Easton Ellis. What is literary Los Angeles about now? Do these old templates survive, the way Hawthorne?s Puritans still echo through the fiction of New England and Cooper?s frontiersmen still stalk the literature of the mountain West? Without ignoring the city?s rich past, we have tried to focus on the present-living writers active in the final decade of the last century and the first few years of the new one. One guiding conviction is that the literary arts have taken their own shape in Southern California; from its poetry to its pulp fiction, a shape that often baffles its Eastern and British visitorsContributors include: Brendan Bernhard, Wanda Coleman, Jenny Factor, David Fine, Kate Gale, Lynell George, Peter Gilstrap, Laurence Goldstein, Pico Iyer, Ken Kelley, David Kipen, Ron Koertge, Suzanne Lummis, Susan Moffat, John Powers, David St. John, Sara Scribner, Paul Skenazy, Timothy Steele, Ariel Swartley, David L. Ulin, Amy Uyematsu, Gina Valdes, Marcos M. Villatoro, Charles Harper Webb, Chrissy Yost.

The Risk Pool Richard Russo 2011-11-09 A wonderfully funny, perceptive novel *The Risk Pool* is set in Mohawk, New York, where Ned Hall is doing his best to grow up, even though neither of his estranged parents can properly be called adult. His father, Sam, cultivates bad habits so assiduously that he is stuck at the bottom of his auto insurance risk pool. His mother, Jenny, is slowly going crazy from resentment at a husband who refuses either to stay or to stay away. As Ned veers between allegiances to these grossly inadequate role models, Richard Russo gives us a book that overflows with outsized characters and outlandish predicaments and whose vision of family is at once irreverent and unexpectedly moving. In the traditions of Thornton Wilder and Anne Tyler, *The Risk Pool* was hailed by *The New York Times* as "...superbly original and maliciously funny. Russo proves himself a master at evoking the sights, feelings, and smells of a town."

Ironweed William Kennedy 2011-12-22 The beloved Pulitzer Prize-winning novel, basis of the film starring Jack Nicholson and Meryl Streep. Francis Phelan, ex-big-leaguer, part-time gravedigger, full-time bum with the gift of gab, is back in town. He left Albany twenty-two years earlier after he dropped his infant son accidentally, and the boy died. Now he's on the way back to the wife and home he abandoned, haunted at every corner by the ghosts of his violent life. Francis; his wino ladyfriend of nine years, Helen; and his stumblebum pal, Rudy, shuffle their ragtag way through the city's bleakest streets, surviving on gumption, muscatel, and black wit. estiny is not their business. 'The premise of *Ironweed* was so unpromising, that in marketing terms the writer still to this day finds it funny: the story of a bunch of itinerant alcoholics, knocking around Kennedy's hometown, falling out, having visions, trying to pass for sober to cadge a bed for the night in the homeless shelter.' Guardian 'But for all the rich variety of prose and event, from hallucination to bedrock realism to slapstick and to blessed quotidian peace, "*Ironweed*" is more austere than its predecessors. It is more fierce, but also more forgiving.' Quoted from the classic *New York Times* review of *Ironweed*, which made it an overnight sensation.

Mercy Street Jennifer Haigh 2022-02-01 NATIONAL BESTSELLER "Ms. Haigh is an expertly nuanced storyteller long overdue for major attention. Her work is gripping, real, and totally immersive, akin to that of writers as different as Richard Price, Richard Ford, and Richard Russo."—Janet Maslin, *New York Times* The highly praised, "extraordinary" (*New York Times Book Review*) novel about the disparate lives that intersect at a women's clinic in Boston, by *New York Times* bestselling author Jennifer Haigh For almost a decade, Claudia has counseled patients at *Mercy Street*, a clinic in the heart of the city. The work is consuming, the unending dramas of women in crisis. For its patients, *Mercy Street* offers more than health care; for many, it is a second chance. But outside the clinic, the reality is different. Anonymous threats are frequent. A small, determined group of anti-abortion demonstrators appears each morning at its door. As the protests intensify, fear creeps into Claudia's days, a humming anxiety she manages with frequent visits to Timmy, an affable pot dealer in the midst of his own existential crisis. At Timmy's, she encounters a random assortment of customers, including Anthony, a lost soul who spends most of his life online, chatting with the mysterious Excelsior11—the screenname of Victor Prine, an anti-abortion crusader who has set his sights on *Mercy Street* and is ready to risk it all for his beliefs. *Mercy Street* is a novel for right now, a story of the polarized American present. Jennifer Haigh, "an expert natural storyteller with a keen sense of her characters' humanity" (*New York Times*), has written a groundbreaking novel, a fearless examination of one of the most divisive issues of our

time.

Mohawk Richard Russo 2011-11-09 Mohawk, New York, is one of those small towns that lie almost entirely on the wrong side of the tracks. Its citizens, too, have fallen on hard times. Dallas Younger, a star athlete in high school, now drifts from tavern to poker game, losing money, and, inevitably, another set of false teeth. His ex-wife, Anne, is stuck in a losing battle with her mother over the care of her sick father. And their son, Randall, is deliberately neglecting his school work--because in a place like Mohawk it doesn't pay to be too smart. In Mohawk, Pulitzer Prize-winning author, Richard Russo, explores these lives with profound compassion and flint-hard wit. Out of derailed ambitions and old loves, secret hatreds and communal myths, he has created a richly plotted, densely populated, and wonderfully written novel that captures every nuance of America's backyard.

Straight Man Richard Russo 2011-11-09 Hilarious and true-to-life, witty, compassionate, and impossible to put down, *Straight Man* follows Hank Devereaux through one very bad week in this novel from Pulitzer Prize-winning author Richard Russo. William Henry Devereaux, Jr., is the reluctant chairman of the English department of a badly underfunded college in the Pennsylvania rust belt. Devereaux's reluctance is partly rooted in his character--he is a born anarchist--and partly in the fact that his department is more savagely divided than the Balkans. In the course of a single week, Devereaux will have his nose mangled by an angry colleague, imagine his wife is having an affair with his dean, wonder if a curvaceous adjunct is trying to seduce him with peach pits, and threaten to execute a goose on local television. All this while coming to terms with his philandering father, the dereliction of his youthful promise, and the ominous failure of certain vital body functions. In short, *Straight Man* is classic Russo—side-splitting, poignant, compassionate, and unforgettable.

The Shipping News Annie Proulx 2008-01-01 Winner of the Pulitzer Prize, Annie Proulx's *The Shipping News* is a vigorous, darkly comic, and at times magical portrait of the contemporary North American family. Quoyle, a third-rate newspaper hack, with a "head shaped like a crenshaw, no neck, reddish hair...features as bunched as kissed fingertips," is wrenched violently out of his workaday life when his two-timing wife meets her just desserts. An aunt convinces Quoyle and his two emotionally disturbed daughters to return with her to the starkly beautiful coastal landscape of their ancestral home in Newfoundland. Here, on desolate Quoyle's Point, in a house empty except for a few mementos of the family's unsavory past, the battered members of three generations try to cobble up new lives. Newfoundland is a country of coast and cove where the mercury rarely rises above seventy degrees, the local culinary delicacy is cod cheeks, and it's easier to travel by boat and snowmobile than on anything with wheels. In this harsh place of cruel storms, a collapsing fishery, and chronic unemployment, the aunt sets up as a yacht upholsterer in nearby Killick-Claw, and Quoyle finds a job reporting the shipping news for the local weekly, the *Gammy Bird* (a paper that specializes in sexual-abuse stories and grisly photos of car accidents). As the long winter closes its jaws of ice, each of the Quoyles confronts private demons, reels from catastrophe to minor triumph—in the company of the obsequious Mavis Bangs; Diddy Shovel the strongman; drowned Herald Prowse; cane-twirling Beety; Nutbeem, who steals foreign news from the radio; a demented cousin the aunt refuses to recognize; the much-zipped Alvin Yark; silent Wavey; and old Billy Pretty, with his bag of secrets. By the time of the spring storms Quoyle has learned how to gut cod, to escape from a pickle jar, and to tie a true lover's knot.

The Whore's Child Richard Russo 2007-12-18 To this irresistible debut collection of short stories, Richard Russo brings the same bittersweet wit, deep knowledge of human nature, and spellbinding narrative gifts that distinguish his best-selling novels. His themes are the imperfect bargains of marriage; the discoveries and disillusionments of childhood;the unwinable battles men and women insist on fighting with the past. A cynical Hollywood moviemaker confronts his dead wife's lover and abruptly realizes the depth of his own passion. As his parents' marriage disintegrates, a precocious fifth-grader distracts himself with meditations on baseball, spaghetti, and his place in the universe. And in the title story, an elderly nun enters a college creative writing class and plays havoc with its tidy notions of fact and fiction. *The Whore's Child* is further proof that Russo is one of the finest writers we have, unsparingly truthful yet hugely compassionate and capable of creating characters real that they seem to step off the page. *Author Photo* Marion Ettlinger 2003-11-03 A collection of two hundred of the photographer's most significant author portraits includes those of such writers as John Irving, Joyce Carol Oates, Truman Capote, Cormac McCarthy, and Gloria Naylor. 20,000 first printing.

It Occurs to Me That I Am America Richard Russo 2019-07-02 A provocative, unprecedented anthology featuring original short stories on what it means to be an American from thirty bestselling and award-winning authors with an introduction by Pulitzer Prize-winning author Viet Thanh Nguyen: "This chorus of brilliant voices articulating the shape and texture of contemporary America makes for necessary reading" (Lauren Groff, author of *Fates and Furies*). When Donald Trump claimed victory in the November 2016 election, the US literary and art world erupted in indignation. Many of America's preeminent writers and artists are stridently opposed to the administration's agenda and executive orders—and they're not about to go gentle into that good night. In this "masterful literary achievement" (Kurt Eichenwald, author of *Conspiracy of Fools*), more than thirty of the most acclaimed writers at work today consider the fundamental ideals of a free, just, and compassionate democracy through fiction in an anthology that "promises to be both a powerful tool in the fight to uphold our values and a tribute to the remarkable voices behind it" (Anthony D. Romero, executive director of the ACLU). With an introduction by Pulitzer Prize-winning author, Viet Thanh Nguyen, and edited by bestselling author Jonathan Santlofer, this powerful anthology includes original, striking art from fourteen of the country's most celebrated artists, cartoonists, and graphic novelists, including Art Spiegelman, Roz Chast, Marilyn Minter, and Eric Fischl. Transcendent, urgent, and ultimately hopeful, *It Occurs to Me That I Am America* takes back the narrative of what it means to be an American in the 21st century.

The Destiny Thief Richard Russo 2019-01-03 In these nine essays, Richard Russo provides insight into his life as a writer, teacher, friend and reader. From a commencement speech to the story of how an oddly placed toilet made him reevaluate the purpose of humour in art and life, to a comprehensive analysis of Mark Twain's value, to his harrowing journey accompanying a dear friend as she pursued gender-reassignment surgery, *The Destiny Thief* reflects the broad interests and experiences of one of America's most beloved authors. Warm, funny, wise and poignant, the essays included here traverse Russo's writing life, expanding our understanding of who he is and how his singular, incredibly generous mind works. An utter joy to read, they give deep insight into the creative process from the perspective of one of our greatest writers.

Sh*tshow Richard Russo 2019-11-05 A Vintage Shorts Short Story original. David and Ellie didn't realize how much they have missed their friends, two other couples who had moved out of their modest neighborhood in a desert city for the comforts of the suburbs, until the day of Donald Trump's election. Separated also from their daughter who lived hours away in California, they were in a funk. But, when Ellie discovers a repellant offering floating in the small Jacuzzi in their backyard, David is blindsided. Little does he know this is but the first in a chain of grisly events that would play out in their lives with devastating consequences. In this darkly humorous, incisive and absorbing political parable, written with the remarkable humanity he's beloved for with countless fans, Pulitzer Prize-winner Richard Russo probes how deeply, yet imperceptibly, fissures can form amongst friends, neighbors, and families. An ebook short.

Nobody's Fool Richard Russo 2011-11-09 This slyly funny, moving novel about a blue-collar town in upstate New York—and in the life of Sully, of one of its unluckiest citizens, who has been doing the wrong thing triumphantly for fifty years—is a classic American story. Divorced from his own

wife and carrying on halfheartedly with another man's, saddled with a bum knee and friends who make enemies redundant, Sully now has one new problem to cope with: a long-estranged son who is in imminent danger of following in his father's footsteps. With its uproarious humor and a heart that embraces humanity's follies as well as its triumphs, *Nobody's Fool*, from Pulitzer Prize-winning author, Richard Russo, is storytelling at its most generous. *Nobody's Fool* was made into a movie starring Paul Newman, Bruce Willis, Jessica Tandy, and Melody Griffith.

Chances Are . . . Richard Russo 2019-07-30 "[Russo's] first novel in ten years hits the ball out of the park. . . . You'll lap up this gripping, wise, and wonderful summer treat." —The Boston Globe "A cascade of charm. . . . Russo is an undeniably endearing writer, and chances are this story will draw you back to the most consequential moments in your own life." —The Washington Post One beautiful September day, three men in their late sixties convene on Martha's Vineyard, friends ever since meeting in college in the sixties. They couldn't have been more different then, or even today—Lincoln's a commercial real estate broker, Teddy a tiny-press publisher, and Mickey is a musician beyond his rockin' age. But each man holds his own secrets, in addition to the monumental mystery that none of them has ever stopped puzzling over since a Memorial Day weekend right here on the Vineyard in 1971. Now, forty-five years later, three lives and that of a significant other are put on display while the distant past confounds the present in a relentless squall of surprise and discovery. Shot through with Russo's trademark comedy and humanity, *Chances Are . . .* introduces a new level of suspense and menace that will quicken the reader's heartbeat throughout this absorbing saga.

Practical Gods Carl Dennis 2001-10-01 Winner of the 2001 Pulitzer Prize for Poetry. *Practical Gods* is the eighth collection by Carl Dennis, a critically acclaimed poet and recent winner of one of the most prestigious poetry awards, the Ruth Lilly Prize. Carl Dennis has won acclaim for "wise, original, and often deeply moving" poems that "ease the reader out of accustomed modes of seeing and perceiving" (The New York Times). Many of the poems in this new book involve an attempt to enter into dialogue with pagan and biblical perspectives, to throw light on ordinary experience through metaphor borrowed from religious myth and to translate religious myth into secular terms. While making no claims to put us in touch with some ultimate reality, these clear, precise, sensitive poems help us to pay homage to the everyday household gods that are easy to ignore, the gods that sustain life and make it rewarding.

Empire Falls by Richard Russo Laurie Clancy 2003

Bridge of Sighs Richard Russo 2007-09-25 This moving novel follows Louis Charles Lynch ("Lucy") as he and his wife of forty years are about to embark on a vacation to Italy. Lucy is sixty years old and has spent his entire life in Thomaston, New York. Like his late, beloved father, Lucy is an optimist, though he's had plenty of reasons not to be—chief among them his mother, still indomitably alive. Yet it was her shrewdness, combined with that Lynch optimism, that had propelled them years ago to the right side of the tracks and created an "empire" of convenience stores about to be passed on to the next generation. Lucy's oldest friend, once a rival for his wife's affection, leads a life in Venice far removed from Thomaston. In fact, the exact nature of their friendship is one of the many mysteries Lucy hopes to untangle in the "history" he's writing of his hometown and family. And with his story interspersed with that of Noonan, the native son who'd fled so long ago, the destinies building up around both of them (and Sarah, too) are relentless, constantly surprising, and utterly revealing. *Bridge of Sighs*, from the beloved Pulitzer Prize-winning author of *Empire Falls*, is a moving novel about small-town America that expands Russo's widely heralded achievement in ways both familiar and astonishing.

Elsewhere Richard Russo 2013 This work is the author's memoir of his life, his parents, and the upstate New York town they all struggled variously to escape. Anyone familiar with the author's fiction will recognize Gloversville, New York, once famous for producing that eponymous product and anything else made of leather. This is where the author grew up, the only son of an aspirant mother and a good-time, second-fiddle father who were born into this close-knit community. But by the time of his childhood in the 1950s, prosperity was inexorably being replaced by poverty and illness (often tannery-related), everyone barely scraping by under a very low horizon. A world elsewhere was the dream his mother instilled in Rick, and strived for herself, and their subsequent adventures and tribulations, recounted here, only to prove lifelong, as would Gloversville's fearsome grasp on them both.

Empire Falls Richard Russo 2011-11-09 Winner of the Pulitzer Prize "Russo writes with a warm, vibrant humanity.... A stirring mix of poignancy, drama and comedy." —The Washington Post Welcome to Empire Falls, a blue-collar town full of abandoned mills whose citizens surround themselves with the comforts and feuds provided by lifelong friends and neighbors and who find humor and hope in the most unlikely places, in this Pulitzer Prize-winning novel by Richard Russo. Miles Roby has been slinging burgers at the Empire Grill for 20 years, a job that cost him his college education and much of his self-respect. What keeps him there? It could be his bright, sensitive daughter Tick, who needs all his help surviving the local high school. Or maybe it's Janine, Miles' soon-to-be ex-wife, who's taken up with a noxiously vain health-club proprietor. Or perhaps it's the imperious Francine Whiting, who owns everything in town—and seems to believe that "everything" includes Miles himself. In *Empire Falls* Richard Russo delves deep into the blue-collar heart of America in a work that overflows with hilarity, heartache, and grace.

Trajectory Richard Russo 2017-05-02 Following the best-selling *Everybody's Fool*, a new collection of short fiction that demonstrates that Richard Russo--winner of the Pulitzer Prize for *Empire Falls*--is also a master of this genre. Russo's characters in these four expansive stories bear little similarity to the blue-collar citizens we're familiar with from many of his novels. In "Horseman," a professor confronts a young plagiarist as well as her own weaknesses as the Thanksgiving holiday looms closer and closer: "And after that, who knew?" In "Intervention," a realtor facing an ominous medical prognosis finds himself in his father's shadow while he presses forward--or not. In "Voice," a semiretired academic is conned by his increasingly estranged brother into coming along on a group tour of the Venice Biennale, fleeing a mortifying incident with a traumatized student back in Massachusetts but encountering further complications in the maze of Venice. And in "Milton and Marcus," a lapsed novelist struggles with his wife's illness and tries to rekindle his screenwriting career, only to be stymied by the pratfalls of that trade when he's called to an aging, iconic star's mountaintop retreat in Wyoming.

Where You Come From Sasa Stanisic 2021-12-07 A Washington Post, Chicago Review of Books, Kirkus, and Christian Science Monitor Best Book of the Month "Inventive, funny and moving."

—The New York Times Book Review Translated from the German by Damion Searls Winner of the German Book Prize, Saša Stanišić's inventive and surprising novel asks: what makes us who we are? In August, 1992, a boy and his mother flee the war in Yugoslavia and arrive in Germany. Six months later, the boy's father joins them, bringing a brown suitcase, insomnia, and a scar on his thigh. Saša Stanišić's *Where You Come From* is a novel about this family, whose world is uprooted and remade by war: their history, their life before the conflict, and the years that followed their escape as they created a new life in a new country. Blending autofiction, fable, and choose-your-own-adventure, *Where You Come From* is set in a village where only thirteen people remain, in lost and made-up memories, in coincidences, in choices, and in a dragons' den. Translated by Damion Searls, it's a novel about homelands, both remembered and imagined, lost and found. A book that playfully twists form and genre with wit and heart to explore questions that lie inside all of us: about language and shame, about arrival and making it just in time, about luck and death, about what role our origins and memories play in our lives.

The Mysteries of Linwood Hart Richard Russo 2016-05-18 A Vintage Shorts "Short Story Month" Selection As his parents' marriage disintegrates, a precocious if distracted fifth-grader starts to daydream about baseball, spaghetti, and his place in the universe. Pulitzer Prize-winning Richard Russo is one of America's finest writers, and here, truthfully and with compassion, he unwinds the slow disillusionment of childhood. A selection from Russo's tenderhearted collection of short stories, *The Whore's Child*. An ebook short.

Bridge of Sighs Richard Russo 2008 After sixty years of living in the upstate New York town of Thomaston, Louis Charles and his wife of forty years, Sarah, prepare for a trip to Italy to visit Louis' childhood friend, an artist who had fled his hometown many years earlier.

A Healing Touch Richard Russo 2008-04-25 Pulitzer Prize-winning writer Richard Russo and five other Maine authors here prove that the close of life need not be filled with darkness, when hospice help is at hand. These writers recount intensely personal and profoundly moving end-of-life accounts that cover a wide spectrum of human experience. All six authors are donating their royalties to a Maine hospice; Down East will also donate 10 percent of proceeds to the same cause.

Crossing to Safety Wallace Stegner 2007-12-18 Introduction by Terry Tempest Williams Afterword by T. H. Watkins Called a "magnificently crafted story . . . brimming with wisdom" by Howard Frank Mosher in *The Washington Post Book World*, *Crossing to Safety* has, since its publication in 1987, established itself as one of the greatest and most cherished American novels of the twentieth century. Tracing the lives, loves, and aspirations of two couples who move between Vermont and Wisconsin, it is a work of quiet majesty, deep compassion, and powerful insight into the alchemy of friendship and marriage.

Everybody's Fool Richard Russo 2017-01-03 Richard Russo's new novel takes place in the decaying American town of North Bath over the course of a very busy weekend, ten years after the events of *Nobody's Fool*. Donald 'Sully' Sullivan is trying to ignore his cardiologist's estimate that he has only a year or two left. Ruth, his long-time lover, is still married to Zach and running Hattie's lunch counter, though she's increasingly distracted by her former son-in-law, fresh out of prison and intent on making trouble. Police chief Doug Raymer is obsessing over the identity of the man his wife might have been about to run off with before she died in a freak accident, while local wiseguy Carl Roebuck might finally be running out of luck. Add a funeral, an escaped cobra, a collapsed building and a lot of beer to the equation and you have a novel which is a pure pleasure to read - genuinely funny, enormously heartfelt and imbued with the warmth and wisdom that are Richard Russo's stock in trade.

Super Host Kate Russo 2022-04-05 A New York Times Book Review Editors' Choice A deeply funny and shrewdly observed debut novel about being lost in the very place you know by heart. Bennett Driscoll has had better days. A Turner Prize-nominated artist, Bennett was once a rising star. Now, at age fifty-five, his wife has left him, he hasn't sold a painting in two years, and his gallery wants to stop selling his work, claiming they'll have more value retrospectively...when he's dead. So, left with a large West London home and no income, he's forced to move into his artist's studio in the back garden and list his house on the popular vacation rental site, AirBed. A stranger in his own home, with his daughter, Mia, off at art school, and any new relationships fizzling out at best, Bennett has trouble finding purpose in his day-to-day. That all changes when three different guests—lonely American Alicia; tortured artist Emma; and cautiously optimistic divorcée Kirstie—unwittingly unlock the pieces of himself that have been lost to him for too long.

Black River S. M. Hulse 2015-01-20 This novel of sorrow and suspense, set in rural Montana, is "a complex and powerful story—put *Black River* on the must-read list" (The Seattle Times). Wes Carver returns to his hometown—Black River, Montana—with two things: his wife's ashes and a letter from the parole board. The convict who once held him hostage during a prison riot is up for release. For years, Wes earned his living as a correction officer and found his joy playing the fiddle. But the uprising shook Wes's faith and robbed him of his music; now he must decide if his attacker should walk free. With "lovely rhythms, spare language, tenderness, and flashes of rage," S. M. Hulse shows us the heart and darkness of an American town, and one man's struggle to find forgiveness in the wake of evil (Los Angeles Review of Books).

Astonish Me Maggie Shipstead 2014-04-08 From the bestselling author of *Great Circle*—for years Joan has been trying to forget her past, to find peace and satisfaction in her role as wife and mother. Few in her drowsy California suburb know her thrilling history: as a young American ballerina in Paris, she fell into a doomed, passionate romance with Soviet dance superstar Arslan Rusakov. After playing a leading role in his celebrated defection, Joan bowed out of the spotlight for good, heartbroken by Arslan and humbled by her own modest career. But when her son turns out to be a ballet prodigy, Joan is pulled back into a world she thought she'd left behind—a world of dangerous secrets, of Arslan, and of longing for what will always be just out of reach. "The inner lives of [Shipstead's] characters feel as real and immediate as the shifting settings they inhabit: still-gritty mid-1970s Manhattan, shabbily elegant Paris, the sunbaked suburban sprawl of Southern California." —Entertainment Weekly
