brilliantly mixes a speculative plot, the wit of Nora Ephron, and the comedic flair of P. G. Wodehouse in *Crosstalk*—a genre-bending novel that pushes social media, smartphone technology, and twenty-four-hour availability to hilarious and chilling extremes as one young woman abruptly finds herself with way more connectivity than she ever desired. And Briddey Flannigan is delighted when her boyfriend, Trent, suggests undergoing the operation prior to a marriage proposal—to enjoy better emotional connection and a perfect relationship with complete communication and understanding. But things don’t quite work out as planned, and Briddey finds herself connected to someone else entirely—in a way far beyond what she signed up for. It is almost more than she can handle—especially when the stress of managing her all-too-eager-to-communicate-at-all-times family is already burdening her brain. But that’s only the beginning. As things go from bad to worse, she begins to see the dark side of too much information, and to realize that love—and communication—are far more complicated than she ever imagined. Praise for *Crosstalk* “A rollicking send-up of obsessive cell phone usage in too-near-future America . . . Midsummer Moon Laura Kinsale 2014-04-01 A duke’s well-ordered world is turned upside down when a female inventor sends his heart soaring in this Regency romance by a New York Times–bestselling author. Merlin Lambourne has invented the “speaking box”—a sort of telephone—which is so valuable that Napoleon has killed for it. Sent by the crown to bring both inventor and invention to safety, Ransom Falconer, Duke of Damerell, is shocked to learn Mr. Lambourne is a Miss. Perhaps more shocking, however, are his feelings for the eccentric genius. She is everything he doesn’t like: incapable of following orders, unaware of conventional etiquette, preoccupied, disorganized, and unkempt. Yet she beguiles him. One of the most ingenious inventors in England, she is also one of the country’s greatest hopes in the defense against the power mad Napoleon Bonaparte. Now, if he could just get her mind out of the clouds and convince her to marry him

. . . Merlin is not absentminded, it's just that she only seems to be able to pay attention to one thing at a time. And maybe she does take everything people say literally, but people ought to say what they mean. Now this Ransom Falconer wants her to forget her current interest in flying machines and focus on the speaking box she's lost interest in finishing. It's quite disconcerting. In fact, everything about him is disconcerting; in her isolated life Merlin has never met anyone who affects her quite like Ransom does. With her trademark blend of heartwarming characters and a hilarious conflict, *Midsummer Moon* is yet another winner from the author of *Flowers from the Storm*, praised by Lisa Kleypas as "the gold standard in historical romance."

And One Last Thing . . . Molly Harper
2010-07-27 "If Singletree's only florist didn't deliver her posies half-drunk, I might still be married to that floor-licking, scum-sucking, receptionist-nailing hack-accountant, Mike Terwilliger." Lacey Terwilliger's shock and humiliation over her husband's philandering prompt her to add some bonus material to Mike's company newsletter: stunning Technicolor descriptions of the special brand of "administrative support" his receptionist gives him. The detailed mass e-mail to Mike's family, friends, and clients blows up in her face, and before one can say "instant urban legend," Lacey has become the pariah of her small Kentucky town, a media punch line, and the defendant in Mike's defamation lawsuit. Her seemingly perfect life up in flames, Lacey retreats to her family's lakeside cabin, only to encounter an aggravating neighbor named Monroe. A hunky crime novelist with a low

tolerance for drama, Monroe is not thrilled about a newly divorced woman moving in next door. But with time, beer, and a screen door to the nose, a cautious friendship develops into something infinitely more satisfying. Lacey has to make a decision about her long-term living arrangements, though. Should she take a job writing caustic divorce newsletters for paying clients, or move on with her own life, pursuing more literary aspirations? Can she find happiness with a man who tells her what he thinks and not what she wants to hear? And will she ever be able to resist saying one . . . last . . . thing?
