## **Geography 11 Study Guide 26-6-2012 - Via Afrika**

This guide must be used in conjunction with the main textbook, as it is a  
summary of the main components of the textbook. Geography, like any  
other subject, does contain facts which must be understood and learnt,  
but it also emphasises skills. It is necessary for the learner to analyse  
and use these facts to understand phenomena and to try to
