*The Book of Two Ways* Jodi Picoult 2020-09-22 #1 NEW YORK TIMES BESTSELLER • From the author of Small Great Things and A Spark of Light comes a “powerful” (The Washington Post) novel about the choices that alter the course of our lives. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY MARIE CLAIRE Everything changes in a single moment for Dawn Edelstein. She’s on a plane when the flight attendant makes an announcement: Prepare for a crash landing. She braces herself as thoughts flash through her mind. The shocking thing is, the thoughts are not of her husband but of a man she last saw fifteen years ago: Wyatt Armstrong. Dawn, miraculously, survives the crash, but so do all the doubts that have suddenly been raised. She has led a good life. Back in Boston, there is her husband, Brian, their beloved daughter, and her work as a death doula, in which she helps ease the transition between life and death for her clients. But somewhere in Egypt is Wyatt Armstrong, who works as an archaeologist unearthing ancient burial sites, a career Dawn once studied for but was forced to abandon when life suddenly intervened. And now, when it seems that fate is offering her second chances, she is not as sure of the choice she once made. After the crash landing, the airline ensures that the survivors are seen by a doctor, then offers transportation to wherever they want to go. The obvious destination is to fly home, but she could take another path: return to the archaeological site she left years before, reconnect with Wyatt and their unresolved history, and maybe even complete her research on The Book of Two Ways—the first known map of the afterlife. As the story unfolds, Dawn’s two possible

futures unspool side by side, as do the secrets and doubts long buried with them. Dawn must confront the questions she’s never truly asked: What does a life well lived look like? When we leave this earth, what do we leave behind? Do we make choices . . . or do our choices make us? And who would you be if you hadn’t turned out to be the person you are right now?

At thirteen, Jenna Metcalf is a precocious loner who has lived with her grandmother since she was three. Her father, Thomas, is in a mental institution. Jenna longs for her mom, a scientist who studied memory and elephants. One of Alice’s key findings was that people remember negative moments, but forget traumatic ones. Jenna believes this may have happened to her on the night that her mother disappeared. That night, the trampled body of an employee, Nevvie Ruehl, was found at Thomas’ elephant sanctuary in rural New Hampshire, the New England Elephant Sanctuary. Jenna clings to her mother’s journals as a way to hold onto her. She also searches for Alice online. Jenna consults a medium, Serenity Jones, who tells her that Alice is alive before brushing her off. Jenna learns online that Serenity lost her fame and credibility after wrongly telling a senator that his missing son was alive. She rides her bike home via a pretty spot carpeted with purple mushrooms at the former sanctuary, now a nature park. The journals say that Maura, her mom’s favorite elephant, buried her dead calf there. Alice reflects on whether elephants actually forget anything. Serenity’s gift of clairvoyance emerged when she was very young. She achieved great success, even had her own TV show, until fame went to her head and her two spirit guides left her. Now she is a fake psychic. After Jenna’s first visit, Serenity dreams about a woman and an elephant watching over her. Jenna returns. Serenity asks if her mother had something to do with elephants. When Jenna reacts positively, she is certain that she is meant to help Jenna.

*A Spark of Light* Jodi Picoult 2018-10-02 #1 NEW YORK TIMES BESTSELLER • The author of *Small Great Things* returns with a powerful and provocative new novel about ordinary lives that intersect during a heart-stopping crisis. “Picoult at her fearless best . . . Timely, balanced and certain to inspire debate.”—The Washington Post The warm fall day starts like any other at the Center—a women’s reproductive health services clinic—its staff offering care to anyone who passes through its doors. Then, in late morning, a desperate and distraught gunman bursts in and opens fire, taking all inside hostage. After rushing to the scene, Hugh McElroy, a police hostage negotiator, sets up a perimeter and begins making a plan to communicate with the gunman. As his phone vibrates with incoming text messages he glances at it and, to his horror, finds out that his fifteen-year-old daughter, Wren, is inside the clinic. But Wren is not alone. She will share the next and tensest few hours of her young life with a cast of unforgettable characters: A nurse who calms her own panic in order to save the life of a wounded woman. A doctor who does his work not in spite of his faith but because of it, and who will find that faith tested as never before. A pro-life protester, disguised as a patient, who now stands in the crosshairs of the same rage she herself has felt. A young woman who has come to terminate her pregnancy. And the disturbed individual himself, vowing to be heard. Told in a daring and enthralling narrative structure that counts backward through the hours of the standoff, this is a story that traces its way back to what brought each of these very different individuals to the same place on this fateful day. One of the most fearless writers of our time, Jodi Picoult tackles a complicated issue in this gripping and nuanced novel. How do we balance the rights of pregnant women with the rights of the unborn they carry? What does it mean to be a good parent? A Spark of Light will inspire debate, conversation . . . and, hopefully, understanding. Praise for *A Spark of Light* “This is Jodi Picoult at her best: tackling an emotional hot-button issue and putting a human face on it.”—People “Told backward and hour by hour, Jodi Picoult’s compelling narrative deftly explores controversial social issues.”—Us Weekly

Some stories live forever... Sage Singer is a baker. She works through the night, preparing the day’s breads and pastries, trying to escape a reality of loneliness, bad memories, and the shadow of her mother’s death. When Josef Weber, an elderly man in Sage’s grief support group, begins stopping by the bakery, they strike up an unlikely friendship. Despite their differences, they see in each other the hidden scars that

others can't. Everything changes on the day that Josef confesses a long-buried and shameful secret and asks Sage for an extraordinary favor.
