Pimp My Airship Maurice Broaddus 2019-05-21 Warning: Don't Believe the Hype! All the poet called Sleepy wants to do is spit his verses, smoke chiba, and stay off the COP's radar—all of which becomes impossible once he encounters a professional protestor known as (120 Degrees of) Knowledge Allah. They soon find themselves on the wrong side of local authorities and have to elude the powers that be. When young heiress Sophine Jefferson's father is murdered, the careful life she'd been constructing for herself tumbles around her. She's quickly drawn into a web of intrigue, politics and airships, joining with Sleepy and Knowledge Allah in a fight for their freedom. Chased from one end of a retro-fitted Indianapolis to the other, they encounter outlaws, the occasional circus, possibly a medium, and more outlaws. They find themselves in a battle much larger than they imagined: a battle for control of the country and the soul of their people. The revolution will not be televised!

Collaborative Advantage Paul Skinner 2018-06-22 'Collaborative Advantage offers the perfect recipe for successful businesses that improve lives' -- Ben Cohen and Jerry Greenfield, co-founders of Ben and Jerry's 'A valuable contribution to the vital task of getting people to see the business world as a complex, interconnected ecosystem, rather than as a sharp-elbowed race to the bottom' -- Rory Sutherland, Vice-chairman of Ogilvy Group UK, and the Spectator's 'Wiki Man'. Strategic consultant and social entrepreneur Paul Skinner argues that we have now reached a turning point in history from which creating Competitive Advantage may no longer be in the best interests of an organization. He presents today's business and social challenges through a new strategic lens and offers this book as a practical guide to help you create Collaborative Advantage, transform your business and change the world. You will gain access to world-leading techniques to enable you to: · Mobilize staff, partners, collaborators and customers around a common purpose that gets everyone you need firmly on your side. · Foster improved innovation, reach more customers or beneficiaries, build greater loyalty, generate greater income and forge more ambitious partnerships. · De-couple your potential for growth from the level of resource your organization controls. This is an indispensable guide that will help you transform the growth of your business or the impact of your non-profit by bringing the fuller value-creating potential of the outside world inside your organization.

Age of Blood Weston Ochse 2013-10-15 Tom Clancy meets The X-Files in Weston Ochse's SEAL Team 666 series starring the Navy SEALs who handle supernatural threats When a Senator's daughter is kidnapped by a mysterious group with ties to the supernatural . . . it's clearly a job for SEAL TEAM 666. As Triple Six gets involved, they discover links to the Zeta Cartel, a newly discovered temple beneath Mexico City, and a group known as Followers of the Flayed One. International politics, cross-border narco-terrorism, and an insidious force operating inside the team soon threaten to derail the mission. Forced to partner with several militant ex-patriots and a former Zeta hitman-turned-skinwalker, Triple Six is the world's only hope to stop the return of the Age of Blood.

The Epiphany of Harlan Hoyt Steve Malone 2020-11-10 Navy Captain Pat Kelly was the target for Allan Warren, the world's most popular news anchor; James Warren, the most powerful and ruthless man in the history of the US Congress; and Jennifer Warren, billionaire heiress, who could buy any credibility they needed. Their motives were personal. The opportunity was an espionage scandal at the Office of Naval Intelligence. A televised congressional hearing became a kangaroo court where Kelly's guilt was broadcast in a series of deliberate news leaks d

Gold Steven Savile 2018-09-24 The dying begins now. "I am Solomon. Remember my name." How could the world forget? The cardinals were dead, murdered with the eyes of the world watching intently. The people that were supposed to protect them had failed spectacularly. The promise had been for forty days and forty nights of fear. Now the dying has begun with that first burning body in Trafalgar Square. The media speculate that it is an attack on faith, that Solomon is out to destroy all symbols of Christianity. They fear for the holy relics, the Shroud of Turin, the Spear of Destiny, all of the fragments of the true cross, anything and everything sacred to Rome, but it is much more than that. Forty days and forty nights of fear. Can the world survive the nerve-shredding anxiety that kind of fear brings with it without turning on itself? As the first ghost planes falls out of the sky, all of its passengers and crew dead, killed by some toxic nerve agent released by one of Solomon's sleeper agents, the answer seems to be a resounding no. The enemy is too big. Too strong. The stakes too high. But that impossible fight was exactly the kind of threat his team of misfits had been assembled to face down. They were the only ones capable of acting outside the law, no restrictions on how far they can go to protect the Realm, no action too extreme - because they aren't there. They don't exist. Everything they do and have done is deniable. PRAISE FOR STEVEN SAVILE AND THE OGMIOS SERIES! "The mix of history, suspense, and action in Silver perfect for those DaVinci Code fans looking for another electrifying read combining Biblical history with modern-day Armageddon." -Douglas Preston, NYT Bestselling author of IMPACT and BLASPHEMY "With SILVER, Steven Savile delivers a barn storming tale of action, intrigue and suspense in a plot laced with ancient secrets and modern terror."- Matt Hilton, author of the the Joe Hunter thrillers. "Silver is the best thing since Forsyth's Day of the Jackal." - Robert W. Walker, author of the RANSOM and INSTINCT series. "Silver is a cracker of a thriller. Savile's in a league of his own" - Jeremy Duns, author of FREE AGENT and FREE COUNTRY. "Reminiscent of James Rollins and David Morrell." - Joseph Nassise, international bestselling author of the TEMPLAR CHRONICLES. "Fascinating, gripping, horrific, tragic and compelling."- Steve Alten, NYT Bestselling author of MEG and THE SHELL GAME "SILVER is a wild combination of Indiana Jones, The Da Vinci Code, and The Omen."- Kevin J Anderson, international bestselling author of THE SAGA OF SEVEN SUNS and co-author of PAUL OF DUNE

Pimp My Walker Mike Slosberg 2022-01-25 Humor is the alchemy that can magically turn tragedy into comedy. PIMP MY WALKER is a celebration of the cardinal aspects of growing old, softened only with Mike's hilariously appropriate illustrations. Think of it as an owner's manual for aging with humor, whether you are this or that side of 40 or are simply limping to the far side of eighty--- It will keep you feeling youthful and it is good for the digestion and low in cholesterol.

Twilight Nights Paul D. Jones 2012-09-12 In writing this book I felt a need to explain how important it is that one knows himself/herself while growing up in life which as you can see I didn't. That inner feeling that I kept getting was the enemy trying to put me in a position I could never come out of. It controlled me during most of my life. There were always signs pointing to the right choices to make but when you are caught up in what you feel is the success of your life, you never pay attention to those signs, you go with the flow of the moment. Twilight Nights has a second part to it that will explain in detail that recognition of signs and how to respond to them so you are aware of who is leading you. It shouldn't take a life time to here your calling unless you've been transformed into one that has become a part of this world. Thank God he let me know I was not apart of this world just in this world and that's what saved me. This book is a very interesting read and for those that just like entertainment you will get a thrill out of this book but for those looking for something else there is a message in this message that only the spirit of God can reveal. The word of God says we fight against principalities and wicked spirits in high places. Learn to know God so you can stand against the wiles of the enemy and his Spirit will guide you into his truth. ENJOY

Noah Carol Mitchell 2018-12-19 Noah is a heartbreaking saga about Tiffany Mitchell's often difficult journey to find love. From the start, Tiffany Mitchell's road to love took her through dramatic twists and turns that left her thinking that love would be forever out of her reach. In fact, for many years love seemed elusive, like a never-ending pathway to certain disappointment until Tiffany meets a handsome bartender named Noah Crawford and, she falls in love at once. The special event gave Tiffany an immediate attraction to the undisputed possibilities of love, in a moment that would change her whole life. This love raised the bar for others; only, it couldn't have happened at the worst time, for on the eve that Tiffany meets the "Love of her Life" Noah; it is one day before her wedding day to Piper. Will Tiffany have to walk away from the only man she loves? Or, will she lose it all in one night? Carol Denise Mitchell is one of the few authors who work harder than anyone to pull at those heart strings. In the end, readers will be rooting for love. However, will Tiffany ever end up with Noah? Or, will she lose him forevermore?

Manipulation Unto Death Angela Gordon 2017-03-02 Full of suspense, riveting, and deeply mesmerizing, Manipulation Unto Death is a fictional melodrama that will at times amuse you and unglue you and will stay in your memory bank forever. Samantha, a pregnant Southern-raised sheltered twelve-year-old, is missing without a trail, hot or cold. Voluminous speculations were made throughout the red hills of Georgia and beyond about this unlawful, horrific, sinful act. The local police and social service departments became involved, both launching full-scale investigations, sparing no resources. Given the intensity of the investigation, one might wonder why the community members of this nondenominational religious sect are deliberately tight-lipped. Sadly, the investigation constantly stalls; the police take a long shot and call in a renowned psychic. Is a resolution required to reexamine the age-old notion that children are to be seen but not heard? Or perhaps is it embedded in societys lack of awareness and acceptance of the wide spectrum of autism disorders?

The Epic Forgotten:The Girl In The Rain J Christopher Wickham 2014-11-09 "The Deceiver knows the Hungarian...the wise man keeps twenty-six ghosts in his library...and the widow carries the words of the dead." (translated from Latin) This is the final cryptic entry scrawled in the journal of the late John Chapel - a journal that detailed his obsession with finding a woman who didn't exist. Hers was just one of many faces he insisted that he saw there in the rain - calling out to him every night, pulling him further into madness. She could only watch helplessly as he was slowly washed away by the rain like a fingerprint on a window. Death hasn't shaken her faith however, and her resolve has never been stronger to discover the truth about her husband's bizarre fate. Only Gwenn Chapel can decide where the truth lies as she begins a journey that will challenge her faith, the limits of her sanity and even her love for her husband. Will she have time to put all of the pieces together, or will she share John's fate and join those other watery faces in the rain?

Seven Stories to Read Before They Become Movies Mike Slosberg 2011-05-31 From the author of The August Strangers, The Hitler Error, Pimp My Walker, and Klandestined comes another fascinating book that will engross readers from beginning to end. This time, author Mike Slosberg treats you to Seven Stories to Read Before They Become Movies. What makes a great movie? Inspired by the short stories that paved the way to the creation of many good movies (Rear Window, Field of Dreams, and Apocalypse Now—just to name a few from literally hundreds of examples), Slosberg tosses his seven stories into the mosh pit of potential cinematic fodder and lets the quality of the stories, not their length, be the determining factor. Seven Stories to Read Before They Become Movies, as well as Slosberg's novels, are available from online booksellers like: Barnesandnoble.com and Amazon.com and can be downloaded onto all major eReaders.

Fields Watered with Blood Margaret Walker 2014 Representing an international gathering of scholars, Fields Watered with Blood constitutes the first critical assessment of the full scope of Margaret Walker's literary career. As they discuss Walker's work, including the landmark poetry collection For My People and the novel Jubilee, the contributors reveal the complex interplay of concerns and themes in Walker's writing: folklore and prophecy, place and space, history and politics, gender and race. In addition, the contributors remark on how Walker's emphases on spirituality and on dignity in her daily life make themselves felt in her writings and show how Walker's accomplishments as a scholar, teacher, activist, mother, and family elder influenced what and how she wrote. A brief biography, an interview with literary critic Claudia Tate, a chronology of major events in Walker's life, and a selected bibliography round out this collection, which will do much to further our understanding of the writer whom poet Nikki Giovanni once called "the most famous person nobody knows."

Tar Heel Dead Sarah R. Shaber 2015-04-01 From O. Henry to Lilian Jackson Braun, North Carolina has nurtured some of the world's best-known mystery writers. This unique collection of mystery short stories showcases some of North Carolina's best writing talent from the past and the present--some famous, some less well known. Some of the mysteries are by authors who have earned solid reputations in other genres, such as Orson Scott Card and William Brittain, but as their stories here demonstrate, their talent embraces the mysterious. The stories in this collection are as diverse as the "detectives" they feature: the Native American policeman who solves his first case on the reservation; a Siamese cat with an intuitive affection for his paraplegic neighbor; an attentive convenience store owner; and a thirty-year-old computer whiz whose body stopped growing when he was nine. They solve crimes, locate treasures, and uncover deceit in a range of tales that reflects the breadth of the genre. With stories to delight mystery devotees and fans of all good writing, this anthology highlights one of the most vibrant and popular elements of North Carolina's literary legacy. J. W. Reed 2022-02-17 The cutting edge of human brain research is exploring how to download our own individual memory for digital storage and later shared access. In the near future, the brilliant neuro-scientist Steven Marshall collaborates with his devious post-doc student to discover access to "Genetic Memory" residing in us all. Identify your own fleeting ability to access your own inherited memory as déjà vu, mystical or religious visions, certain types of creative thought, vivid repeating dreams, infatuation with the past and genealogy, artistic inspiration, child prodigies, or even the monster within. This science fiction novel, "The Genetic Memory of the Cazadores," elaborates upon the plausible science of translating the locked codes of genetic memory to re-create a compelling story of human experience. Join a typical middle-aged man, Robert Walker, as he undertakes his dangerous journey of the mind and uncovers a past available to us all – hidden deep in the abyss of human history. You are invited to discover your own ancestral 'genetic memory'!

How Cool Brands Stay Hot Joeri Van Den Bergh 2016-04-03 How Cool Brands Stay Hot analyses Generations Y and Z, the most marketing savvy and advertising-critical generations yet. It reveals how millennials think, feel and behave, offering applicable, proven strategies to market to these age groups more effectively and remain a relevant, appealing brand. Featuring interviews with global marketing executives of successful brands such as the BBC, Converse, Coca-Cola, eBay and MasterCard along with case studies from companies including H&M, Converse, MTV and Forever21, it guides you in developing the right strategies to reach this critical age group and leave a lasting impact on your business. Previous editions of How Cool Brands Stay Hot have won the prestigious 2012 Berry-AMA Book Prize for the best book in marketing and the 2011 Expert Marketing Magazine's Marketing Book of the Year award. This fully revised 3rd edition of How Cool Brands Stay Hot goes beyond the discussion of Generation Y, expanding its reach with an entirely new chapter on Generation Z and a detailed analysis of the impact that issues such as recession, social media and mobile marketing have had on these consumers. Based on new figures, case studies and interviews, it provides a fresh take on what remain critical issues for anyone hoping to market to those who come after Generation X.

The Tears of Angels Caro Ramsay 2015-09-01 Past crimes cause new murder in this tense and twisting psychological thriller A few days before the summer solstice a 92-year-old woman is found burned to death in her home. On the same day, a man's mutilated corpse is discovered in a field, his arms ripped from their sockets, a Tarot card depicting The Fool inserted in his mouth. When the victim is identified as someone for whom the police have been looking for almost a year, detectives Anderson and Costello find themselves caught up in a case where nothing is as it seems. Was the dead man really responsible for three child murders? And what is the connection with the death of the elderly woman? The investigation leads to the tranquil shores of Loch Lomond where Anderson and Costello will finally uncover the shocking truth.

Freelancing Hugo Williams 2012-06-19 In 1988 Hugo Williams began to pen his 'Freelance' column for the Times Literary Supplement: a window that allowed him to exhibit the full panoply of his gifts as travel writer, literary portraitist, working poet, and all-round chronicler of the curious existence of the contemporary writer. Freelancing is a collection of these TLS columns that finds Williams variously in Sarajevo, Central America, Jerusalem, Skyros, Portugal and Norwich. In the course of events he sees his Selected Poems published, his mother dies, his wife inherits a chateau and he crashes his motorbike. He reads and teaches, as most poets do, but also strolls through Paris dressed as Marlene Dietrich, encounters some of the great and good, and explores his personal history. His account of these adventures, reflections and discoveries is elegantly turned, frequently hilarious, and at times surprisingly poignant.

How to Build a Robot Army Daniel H. Wilson 2018-03-27 It goes without saying that robots kill. They hunt, swarm, and fire lasers from their eyes. They even beat humans at chess. So who better to stand with us when the real villains arrive? Movies instruct us that, whether we like it or not, we will one day be under siege by pirates, ninjas, zombies, aliens, and Godzilla. Also great white sharks. And-let's face it-we're not prepared. But with the advice contained in this brilliantly illustrated, ingenious book, you can build your own robot army to fend off hordes of bloodthirsty foes. From common-sense injunctions ("never approach an unfamiliar robot in a militarized zone") to tactical pointers ("low-power radar beats cameras for detecting mummies in a fog-shrouded crypt") to engineering advice ("passive-dynamic exoskeleton suits will increase sprint speeds but not leg strength"), this book contains all the wisdom you'll need to fend off the coming apocalypse. Witty, informative, and utterly original, How to Build a Robot Army is the ideal book for readers of any age.
