The Businessman's Minutes-a-Day Guide to Shaping Up Dr. Franco Columbu 2017-09-30 The ladder to success is a lot easier to climb without the excess baggage of flabby arms, chests, and waist. Furthermore, the increased stress that arises from increasing business responsibilities can be more readily overcome by a man who is in peak shape than one who isn't. Just as hard work in the business world can be its own reward, so is working out. In fact, shaping up not only ensures robust health and a longer life, but it improves a man's ability to bring about and enjoy business success by looking good, feeling good, and making good impressions on business colleagues. The Businessman's Minutes-a-Day Guide To Shaping Up is more than another book of exercise and diet tips. It addresses the problems a businessman faces in finding time to exercise, in setting goals for training, and in changing eating habits that make gaining or losing weight difficult. The Businessman's Minutes-a-Day Guide To Shaping Up includes: • exercise programs developed for a variety of needs and body structures • knowledgeable recommendations on training equipment and on training at home, at a gym, or on the road • training programs for improved sports performance • expert advice on the prevention and treatment of training injuries, jet lag, stress and anxiety, and even eye strain • a primer on the basics of nutrition, proper food combining, and vitamin and mineral supplementation • an account of one businessman's training under Dr. Columbu's direction that provides valuable insights on sticking to a training program, managing time, and setting goals *PC Mag* 1984-06-26 *PCMag.com* is a leading authority on technology, delivering Labs-based, independent reviews of the latest products and services. Kettlebell for Men Alex Jones 2020-06-20 Do You Want to Know the Bodybuilding Secret of Soviet Athletes Who Have Been Crushing the Olympics Since 1952? Russian athletes won 426 medals in six Summer Olympic appearances. Over 76 percent of all wrestling medals won between 1969 and 1996 went to USSR and Russia. Want to know how? The answer is simple - uncompromising strength training using a very basic piece of equipment. Do you want to beat the results of Russian bodybuilders while also burning more than 400 calories in 20 minutes? Do you want to bulk up in all the right places, get that six-pack you've always dreamed of, maximize your strength and your stamina? You can accomplish all of those by spending just \$32 on a single item. The mighty kettlebell! Kettlebells are often described as a handheld gym for a very good reason - they're so versatile that you can train nearly every part of the body with them. Not only that, kettlebell exercises are multiplanar. To put that in simple terms, you'll engage numerous muscles at the same time to get that mind-blowing full-body shredding and muscle building routine. A kettlebell isn't a dumbbell and it most definitely isn't a barbell. Unlike these two, it's versatile, it can be used to tone every imaginable muscle and a workout with this basic, somewhat rough-looking piece of equipment will be so tough that you'll feel the pump for hours after you're done. Do you want to: Do Schwarzenegger-level bodybuilding Maximize your functional strength Work out anywhere, anytime... yes, even in your tiny room Strengthen your core and get those sexy toned abs Improve your balance Improve your posture Gain the confidence that all men with lean physique enjoy? If so, you need to head to the nearest sports store and buy a kettlebell right now. Once you have your "handheld gym," you'll simply have to master your form and technique to make the most of this relatively easy to use exercise option. In Kettlebell for Men, you will discover: Kickass reasons why the kettlebell is going to be the last piece of exercise equipment you'll ever need to purchase Why you need to ditch circuit training right now and get your kettlebell on What the heck is ballistic exercise and why it will get you shredded like never before 8 pro consideration when buying a kettlebell for the very first time Expert guidance on doing a kettlebell swing like a pro plus 29 full-body exercises for beginners, intermediate and advanced kettlebell users A straightforward 30-day program to transform your physique and your mind Upper body, lower body, core and balance routines to test out right now for a stronger, leaner and more muscular body in just a few weeks The best strategies for the creation of your own personalized kettlebell workout And much more! You don't need a home gym, you don't need a gym membership and you most definitely don't need expensive tools to make those natural gains right now. If it works for professional athletes, a kettlebell will most definitely work for you, as well. You simply need to check out the proper techniques and safest practices in order to get shredded, get fit and get the body you've always dreamed of. So, what are you waiting for?
