Letters From Grace C.J. Carmichael 2021-09-23 Finding old love letters in her father's closet inspires a teen to play matchmaker. Jessica Shanahan is off to college next year, but she's worried about leaving her father, Levi Shanahan, alone. He's been a single dad since his wife died when Jessica was only a toddler. He reassures her that he's too busy running his family general store, taking care of his aging parents and volunteering in the community to be lonely. But Jessica has her doubts—especially when she finds old love letters from his high school sweetheart. Travel photographer Grace Hamilton is promoting her latest book when a student from her hometown reaches out about a research project. Curious, Grace meets with her and when the teen invites her to the Woodland Foliage Arts Festival, Grace accepts. Though her career's been successful and fulfilling, she's never met a man who touched her heart the way Levi Shanahan once did. Maybe a trip home will finally help her to move on and find the one thing that's eluded her throughout her years of travel—love.

**Digital Sociology** Deborah Lupton 2014-11-05 We now live in a digital society. New digital technologies have had a profound influence on everyday life, social relations, government, commerce, the economy and the production and dissemination of knowledge. People's movements in space, their purchasing habits and their online communication with others are now monitored in detail by digital technologies. We are increasingly becoming digital data subjects, whether we like it or not, and whether we choose this or not. The sub-discipline of digital sociology provides a means by which the impact, development and use of these technologies and their incorporation into social worlds, social institutions and concepts of selfhood and embodiment may be investigated, analysed and understood. This book introduces a range of interesting social, cultural and political dimensions of digital society and discusses some of the important debates occurring in research and scholarship on these aspects. It covers the new knowledge economy and big data, reconceptualising research in the digital era, the digitisation of higher education, the diversity of digital use, digital politics and citizen digital engagement, the politics of surveillance, privacy issues, the contribution of digital devices to embodiment and concepts of selfhood and many other topics. Digital Sociology is essential reading not only for students and academics in sociology, anthropology, media and communication, digital cultures, digital humanities, internet studies, science and technology studies, cultural geography and social computing, but for other readers interested in the social impact of digital technologies.

**A Christmas Miracle for Daisy** Jane Porter 2015-11-22 Media Mogul, Cormac Sheenan,

had no desire to become a family man, but when his two year old goddaughter, Daisy, is orphaned, he adopts her, moving her from Montana to his home in Southern California, and becomes a devoted single father, juggling parenting duties with running his successful publishing, TV, and radio enterprise. But two years later a frightening incident at Daisy's school, shakes Cormac, and he decides to move Daisy—and his business—back to Montana where life is simpler and he has family nearby. Now four, precocious Daisy strikes up an unlikely friendship with Marietta's seasonal Santa Claus, and believes he's the real thing, even though Cormac points out to her that this jolly old Kris Kringle is renting a room at Bramble House, not living at the North Pole. Daisy's not worried but Cormac is as Rent-a-Santa has promised his innocent daughter she'll have a mommy for Christmas. Cormac is livid with Kris. He's not at all ready to settle down, and he's definitely not getting back together with his old flame Whitney Alder, so Santa can stop playing match maker as it'd take a miracle to make him fall in love, never mind marriage material. But that's exactly the kind of miracle our angelic Santa Claus has planned..

The Invisible Orientation Julie Sondra Decker 2015-10-13 Lambda Literary Award 2014 Finalist in LGBT Nonfiction Foreword Reviews' INDIEFAB Book of the Year Award 2014 Finalist in Family & Relationships Independent Publisher Book Awards 2015 (IPPY) Silver Medal in Sexuality/Relationships Next Generation Indie Book Awards 2015 Winner in LGBT -- What if you weren't sexually attracted to anyone? A growing number of people are identifying as asexual. They aren't sexually attracted to anyone, and they consider it a sexual orientation—like gay, straight, or bisexual. Asexuality is the invisible orientation. Most people believe that “everyone” wants sex, that “everyone” understands what it means to be attracted to other people, and that “everyone” wants to date and mate. But that's where asexual people are left out—they don't find other people sexually attractive, and if and when they say so, they are very rarely treated as though that's okay. When an asexual person comes out, alarming reactions regularly follow; loved ones fear that an asexual person is sick, or psychologically warped, or suffering from abuse. Critics confront asexual people with accusations of following a fad, hiding homosexuality, or making excuses for romantic failures. And all of this contributes to a discouraging master narrative: there is no such thing as “asexual.” Being an asexual person is a lie or an illness, and it needs to be fixed. In *The Invisible Orientation*, Julie Sondra Decker outlines what asexuality is, counters misconceptions, provides resources, and puts asexual people's experiences in context as they move through a very sexualized world. It includes information for asexual people to help understand their orientation and what it means for their

relationships, as well as tips and facts for those who want to understand their asexual friends and loved ones.

Entrepreneurial Identity in US Book Publishing in the Twenty-First Century Rachel Noorda 2021-09-30 Entrepreneurship underpins many roles within the publishing industry, from freelancing to bookselling. Entrepreneurs are shaped by the contexts in which their entrepreneurship is situated (social, political, economic, and national). Additionally, entrepreneurship is integral to occupational identity for book publishing entrepreneurs. This Element examines entrepreneurship through the lens of identity and narrative based on interview data with book publishing entrepreneurs in the US Book publishing entrepreneurship narratives of independence, culture over commerce, accidental profession, place, risk, (in)stability, busyness, and freedom are examined in this Element.

Bitter Truth C.J. Carmichael 2018-02-15 Bitter Truth (Book 2 of Bitter Root Mysteries) Murder in a small town is always personal. In the isolated ranching community of Lost Trails, Montana, Lacy Stillman, a rich elderly rancher has died of a heart attack in her own bed. What could be more normal than that? As Zak Waller, dispatcher with the local Sheriff's Office, joins the town in mourning the loss of the community matriarch, some disquieting information makes Zak wonder if Lacy's death was not what it seemed. Meanwhile, Zak's friend Tiff Masterson is overwhelmed by her mother's escalating mental breakdown and her aunt's stubborn denial of the problem. Tiff assumes the root of the problem is the death of her brother and father sixteen years ago. But the real atrocity goes back much further than that. When the truth is revealed in a shocking twist, Tiff's world is turned completely upside down. The ramifications affect many of the most prominent citizens and provide the missing clue to Lacy Stillman's murder. Perfect for fans

of the British television film Broadchurch.

*More Than Somewhat* Damon Runyon 2013-04-16 I have made this selection of Damon Runyon's stories with the idea of showing as many aspects as possible of his narrative genius, ranging as they do from the most uproarious farce to such sadness as goes to the depths of the heart. The note of pathos is not often touched, it is true: when it is, it gains force from the contrast with its setting of quaint, unemotional, unconscious cynicism. If, after reading *The Lily of St. Pierre* in this book you do not agree with that judgment, then--as Runyon's narrator would say--you must be such a guy as will never be moved by anything short of an earthquake.

*Information-Consciousness-Reality* James B. Glattfelder 2019-04-10 This open access book chronicles the rise of a new scientific paradigm offering novel insights into the age-old enigmas of existence. Over 300 years ago, the human mind discovered the machine code of reality: mathematics. By utilizing abstract thought systems, humans began to decode the workings of the cosmos. From this understanding, the current scientific paradigm emerged, ultimately discovering the gift of technology. Today, however, our island of knowledge is surrounded by ever longer shores of ignorance. Science appears to have hit a dead end when confronted with the nature of reality and consciousness. In this fascinating and accessible volume, James Glattfelder explores a radical paradigm shift uncovering the ontology of reality. It is found to be information-theoretic and participatory, yielding a computational and programmable universe.

A Cowgirl's Christmas CJ Carmichael 2014-10-27 For years Callan Carrigan has been her father's right hand man, so when her dad's will names city slicker Court McAllister the new owner of The Circle C Ranch, Callan feels betrayed on every level. Then she and her sisters find their mother's diaries, hidden from them by their father since their mother's accidental death 18 years ago, and the shocking revelations explain a lot. Reeling, Callan seeks refuge in the local saloon, where it seems no one can reach her, until Court offers her a challenge. If she agrees to be foreman at the Circle C for one year, he'll deed the ranch back to her and her sisters. The deal seems too sweet at first--until Callan realizes Court has his eyes on something she protects even more than her family's land--her heart.

**Against All Odds** Danielle Steel 2017-05-02 NEW YORK TIMES BESTSELLER • The wise, moving novel from Danielle Steel, whose many bestselling tales have made her one of America's favorite authors Taking chances is part of life, but when you bet your future against the odds, it's a high-risk game. Kate Madison's stylish resale shop has been a big SoHo success, supporting her and her four kids since her husband's untimely death. Now her children are grown and ready to forge lives of their own. And they all choose to play against the odds, to their mother's dismay. Isabelle, a dedicated attorney, is in line to make partner at her Wall Street firm when she falls for a client she represents in a criminal case. She tells herself she can make a life with him--but can she? Julie, a young designer, meets a man who seems too good to be true and falls under his spell. She marries him quickly, gives up her job, and moves to Los Angeles to be at his side--but is all what it seems? Justin is a struggling writer who pushes for children with his partner before they're financially or emotionally ready. Will the strain on the relationship take too high a toll? And Willie, the youngest, a tech expert, makes a choice that shocks them all, with a woman twelve years older. Kate--loving, supportive, and outspoken--can't keep her children from playing against the odds. Can the odds be beaten? Not often--as her children have to learn for themselves. For Kate, the hardest lesson will be that she can't protect the children she loves from the choices they make--but can only love them as they make them.

**Bitter Sweet** C. J. Carmichael 2019-11-12 Murder in a small town is always personal. Local longtime librarian, Sybil Tombe, is missing, abducted from her home on the outskirts of the isolated ranching town of Lost Trail, Montana. An elderly neighbor reports seeing a gray-haired, bearded man driving up to Sybil's house the night she disappeared. Newly-minted Sheriff Zak Waller can't think of a less likely target for a crime. When an older man is reported lurking around a young girl at the local grade school, Zak wonders if this man could also be Sybil's abductor? The descriptions of the men are similar--but what could be the possible link between a young girl and 60-year-old Sybil? Peeling back the layers of Sybil's life, Zak discovers Sybil is a master at keeping secrets, especially her own, and these secrets may now be threatening her life as well as the life of an innocent child. As Zak and his team work to uncover the truth, he also has to deal with issues in his romantic relationship with deputy Nadine Black, and mete justice to a respected town citizen who has been sheltering his criminal past for too long.

**Her Cowboy Dilemma** C.J. Carmichael 2013-04-02 Going Home Shouldn't Be This Hard... Cassidy Lambert traded in Montana's big sky country for the big-city lights--forever. Until a potentially devastating equine illness threatens her family's ranch, and Cassidy is needed at home to help. She thinks she knows what she wants from life, but the more she's around sexy veterinarian Dan Farley, the more confused she gets. When Cassidy comes back to the open Western landscape Dan loves, she's nothing but a beautiful burr under his saddle. She stomped on his heart once before, and he's not eager for another go-around. But he just can't keep himself away from those green eyes and sweet curves. It's a good thing she'll soon be gone again. Because he can't trust her--or himself--when she's around!

**Good Together** CJ Carmichael 2014-02-03 Some love stories have to begin with a falling-out-of-love story... Mattie Carrigan's been helping her rodeo cowboy husband Wes Bishop run his family's Tennessee Walking Horse operation since they were married nineteen years ago. Blessed with twin daughters who've recently left for college, Mattie is looking forward to this new stage in her and Wes's life. But when she finds a strange key in her husband's jacket, she's forced to admit that Wes has been quiet and distant lately. Turns out he has been keeping secrets. And he's not the only one. Even the rancher next door, Nat Diamond--a friend Mattie could always count on in the past--seems to be holding something back from her. Good Together is for anyone who has ever pondered what it means to be married. Or had to reinvent her life when one breaks down. It's about having your heart broken but being strong enough to survive and love again.

*The Nature of Purchasing* Florian Schupp 2020-05-20 This book was created in the

spirit of learning from nature in the field of professional purchasing. It describes real-world purchasing problems faced by companies as well as individuals and presents natural hands-on solutions that apply scientific approaches. The book answers what the core of purchasing could be, the inner structure of it or in other words the natural way. Nature masters effectiveness based on immanent laws and ensures efficiency by best results for minimal invest. Especially in complex and ambiguous situations, purchasers benefit from this book by understanding the broader context with the help of recent scientific research. Focusing on the problems that purchasers face in managerial practice rather than oversimplified generalizations, the book features step-by-step explanations, allowing readers to find tailored solutions to address challenges in key purchasing areas. The book was written in collaboration and with the help of experts in purchasing and logistics, biology, law and economics, human resource development, media and sports, and merges perspectives from theory and practice to provide natural strategies for purchasers.

*Who Do You Serve, Who Do You Protect?* Maya Schenwar 2016-05-30 What is the reality of policing in the United States? Do the police keep anyone safe and secure other than the very wealthy? How do recent police killings of young black people in the United States fit into the historical and global context of anti-blackness? This collection of reports and essays (the first collaboration between Truthout and Haymarket Books) explores police violence against black, brown, indigenous and other marginalized communities, miscarriages of justice, and failures of token accountability and reform measures. It also makes a compelling and provocative argument against calling the police. Contributions cover a broad range of issues including the killing by police of black men and women, police violence against Latino and indigenous communities, law enforcement's treatment of pregnant people and those with mental illness, and the impact of racist police violence on parenting, as well as specific stories such as a Detroit police conspiracy to slap murder convictions on young black men using police informant and the failure of Chicago's much-touted Independent Police Review Authority, the body supposedly responsible for investigating police misconduct. The title *Who Do You Serve, Who Do You Protect?* is no mere provocation: the book also explores alternatives for keeping communities safe. Contributors include William C. Anderson, Candice Bernd, Aaron Cantú, Thandi Chimurenga, Ejeris Dixon, Adam Hudson, Victoria Law, Mike Ludwig, Sarah Macaraeg, and Roberto Rodriguez.

*Close to Her Heart* CJ Carmichael 2014-09-23 Dani Carrigan has always relied on logic when making important life decisions, but when she discovers she's pregnant - and that there's a chance her baby may be born "not perfect" - logic lets her down. It would help if the baby's father would pop the question, but widowed father Adrian seems more interested in protecting his six-year-old daughter than committing to his new relationship with Dani. The last time she felt this alone and scared was when she was 16 and her mother died, leaving Dani to raise her younger sisters with precious little help from her distant and disapproving rancher father. She felt so inadequate then, but is she any more prepared to be a mother now? Support comes from an unlikely source. Dani always saw her next-door neighbour and friend, divorce attorney Elliot Gilmore, as a charming, handsome, playboy-type. But with each challenge she faces, from pregnancy, to delivery and beyond - Elliot reveals himself a better man than she ever guessed. Is it possible that Elliot hasn't been playing the field - but waiting for her?

McKenna has loved Trey since they were kids, but she's had enough. When Trey is sent away for five years, McKenna is determined to do what's right for her and baby TJ, which means putting her mistakes - namely Trey - behind her, and move on. When Trey is released early, he returns to Marietta determined to beg McKenna's forgiveness and become the father TJ needs him to be, only to discover that he's too late. McKenna's marrying local

insurance agent Lawrence Joplin in a candlelight Christmas wedding. Or is she? Once again, Trey risks everything, but this time it's for love....and the memory of one perfect Christmas together as a family.

Glimpses of America James W. Buel 2021-01-01 It has been my good fortune to make many trips across the continent over the various railway lines; and business and pleasure have taken me during the past several years to nearly all the accessible parts of the country, reached by rail, boat or stage-coach. Always an admirer of nature, I have longed for the means to sketch or photograph the imposing scenery which caught my enraptured eye as I hurried by. This ambition prompted the really stupendous undertaking whose fruitage is now offered to the public in all its delicious flavor, in the form of a book as herewith submitted. How the photographic views herein reproduced were obtained may be thus briefly told, and is well worthy the relation: This book was conceived more than half a dozen years ago, but a press of other engagements caused a postponement of any effort at its preparation until the spring of 1890, when the publishers engaged a corps of artists, consisting of three of the best out-door photographers in the country. A passenger car was next chartered, which was remodeled so as to provide comfortable sleeping quarters for the men in one end, a kitchen in the other, while the center was fitted up as an operating-room for taking, developing and finishing pictures. Three cameras, of as many sizes, were also provided, with three thousand prepared plates, and a great quantity of paraphernalia which might be found useful for the expedition.

**Our Word is Our Weapon** Subcomandante Marcos 2011-01-04 In this landmark book, Seven Stories Press presents a powerful collection of literary, philosophical, and political writings of the masked Zapatista spokesperson, Subcomandante Insurgente Marcos. Introduced by Nobel Prize winner José Saramago, and illustrated with beautiful black and white photographs, *Our Word Is Our Weapon* crystallizes "the passion of a rebel, the poetry of a movement, and the literary genius of indigenous Mexico." Marcos first captured world attention on January 1, 1994, when he and an indigenous guerrilla group calling themselves "Zapatistas" revolted against the Mexican government and seized key towns in Mexico's southernmost state of Chiapas. In the six years that have passed since their uprising, Marcos has altered the course of Mexican politics and emerged an international symbol of grassroots movement-building, rebellion, and democracy. The prolific stream of poetic political writings, tales, and traditional myths that Marcos has penned since January 1, 1994 fill more than four volumes. *Our Word Is Our Weapon* presents the best of these writings, many of which have never been published before in English. Throughout this remarkable book we hear the uncompromising voice of

indigenous communities living in resistance, expressing through manifestos and myths the universal human urge for dignity, democracy, and liberation. It is the voice of a people refusing to be forgotten the voice of Mexico in transition, the voice of a people struggling for democracy by using their word as their only weapon.

**Melt My Heart, Cowboy** CJ Carmichael 2016-10-06 Who is the handsome cowboy who comes into small town Marietta's chocolate shop every week to buy a box of chocolates? More importantly...who is he buying the chocolates for? These are the questions sales clerk Rosie Linn asks herself as she waits for her sadly neglected childhood home to sell so she can pursue an exciting new career in L.A. Rosie finds out the answers the day rugged ranch hand Brant Willingham introduces himself and asks for her help in managing the care of his younger sister. Brant's mother has recently died, leaving him the sole guardian of eighteen-year-old Sara Maria—who has been a puzzle to Brant ever since she began exhibiting signs of autism at age two. Rosie and Brant come up with a plan. She'll help with his sister if he handles repairs and a new paint job for her old house. It seems the perfect solution, but a new dilemma is created when the couple start spending time together. Brant discovers he doesn't want Rosie to sell and leave, and Rosie fears she will have to choose between love and her dreams.

*A Cowboy's Proposal* C.J. Carmichael 2020-09-08 She's not willing to forgive. He's unable to forget. One year ago, Montana cowboy Dylan McLean left the love of his life at the altar and fled town, thinking he was doing the right thing by saving her from a scandal. He's found success on the rodeo circuit, but his love for Cathleen never faded. Now he's returned home to clear his name, claim his bride and rebuild his legacy. Bed-and-breakfast owner Cathleen Shannon has moved on from her broken heart. That is, until Dylan shows up at her house one night asking for help and a second chance. Despite Dylan's betrayal, she promises to assist with his investigation. She doesn't want an innocent man to go to jail, but her heart is most definitely off limits. But Cathleen has forgotten one important fact: Dylan is relentless when he's going after something he wants. He walked away once, but she won't let that happen again.
