Beadweaving Brilliance 2 Kumiko Mizuno Ito 2008 In her follow-up to last fall's well-received Beadweaving Brilliance, Kumiko Mizuno Ito shows crafters how to make more colorful and unique beaded pieces using off-loom techniques. Readers will learn a variety of stitches that will enable them to weave beads into flat fabric or 3-dimensional objects with a single needle and thread. And even though the finished projects may look complicated, each piece is simple enough for a beginner to complete in only one to two hours. The first two sections of Beadweaving Brilliance 2 include detailed, step-by-step directions for making rings, necklaces, bracelets, lariattas, earrings, chokers, brooches, eyeglass chains and straps using the different stitches (peyote, spiral rope, daisy chain, herringbone, brick, right angle, etc.). A third section serves as an Inspiration Gallery, in which vibrant full-color photographs showcase masterpieces by the author and other bead artists. The book concludes with a guide to tools and materials, fundamental techniques and a directory of basic stitches. Enjoyable and satisfying, the projects in Beadweaving Brilliance 2 will let readers express their individuality and create gorgeous beaded ornaments for themselves or for special friends, family and loved ones.

Costume Jewelry Making & Making Jewelry With Beads : A Complete & Step by Step Guide Janet Evans 2013-12-16 Wearing jewelry is essential to helping women developed their own style. For women wishing to create a look that's unique, the last thing they'll want to invest money in is mass produced pieces of jewelry. It's for this reason alone, learning the skills needed for making beaded jewelry and costume jewelry could prove extremely beneficial. When it comes to making such pieces you need to know where to purchase the right kinds of supplies. In this book, " Costume Jewelry Making & Making Jewelry With Beads: A Complete Step by Step Guide (Special 2 In 1 Edition)" not only do we discuss what's needed to start your own beaded jewelry & costume jewelry making venture but also provide several projects you may want to try out. After finishing this book not only will you be able to create unique and stunning jewelry designs with beads for yourself but for others as well. In addition, if you're someone who has an eye for fashion and enjoys making their own things, why not save yourself money by making your own costume jewelry. Even the simplest pieces of costume jewelry can be overpriced, so why spend money on such accessories when making them for yourself could save you a great deal of money. Of course when it comes to making your own jewelry there are certain things you need to consider before you do. The first thing you need to consider before you begin the process of learning how to make costume jewelry is what type you wish to make. The best way of determining what style of jewelry you want to make is to look through various magazines and see what's on offer in stores locally. It's also a good idea to gain inspiration for your costume jewelry designs by visiting museums or art galleries. You may even gain inspiration for your designs when out for a walk. From the outset, this book has been designed for those who have never created jewelry with beads and costume jewelry before. However by the end you'll be an expert in the tools of the trade, the supplies you need and some basic skills you can advance upon over time. Beading with Cabochons Jamie Cloud Eakin 2005 With this gloriously photographed and illustrated manual at hand, beadworkers can create awe-inspiring jewelry. It's the only current, comprehensive guide to working with cabochons--a flat piece of rock or mineral--and it covers all the basics, along with a range of new creative techniques and hot trends. Find out which tools and materials to use, which beads work best, and how to wrap them round the stones. Craft turned, pointed, twisted, brick stitch, ruffled, or scalloped edges, or add decorative fringe. For something dramatic, combine more than one cabochon in a single piece. Or, instead of natural stone, use dichroic glass or other found objects. Make a glittering brooch, funky bracelets, a wearable art necklace, and other showstoppers.
