Jewelry Making 1-2-3 Karin Van Voorhees 2015-06-09
Experienced bead designer Karin Van Voorhees distills years of beading wisdom into easy-to-understand keys: Learn the basics, keep it simple, and use materials

you love. With the three keys in mind, beginners will be able to make over 45 pretty jewelry projects they'll be proud to wear. With the first key, "Master the Basics," beginners will learn fundamental jewelry-making skills and apply

those new skills to projects of increasing complexity. With the second key, “Keep It Simple,” new beaders will pick up a few basic design skills and learn the ins and outs of using spacers and beadcaps, working with beads of differing shapes and sizes, creating a multi-strand look, and more. And with the last key, “Let the Materials Tell the Story,” jewelry makers will begin to experiment with materials and components and learn how a few simple swaps can completely change the look of the finished piece.

Beading Beautiful

Costume Jewelry Mary

Ellen Harte 2005-09-01 Special Lay-Flat binding keeps the book open while you work! 18 Full Color

pages. Devoted to creating beautiful costume jewelry by stringing beads, this is the first comprehensive beadwork book of its kind. It is an easy-to-use craft book that lets you create quality costume jewelry for any occasion. Most projects use faceted glass beads in combination with silver and gold seed beads to mimic the look of the gem encrusted creations worn by royalty and celebrities - several patterns are inspired by actual pieces in famous jewelry houses or collections. Large, clear, graphic illustrations are supplied, with instructions on how to string the beads, and the book has a special lay-flat binding that keeps it open for ready reference while beading. Beading patterns ranging from simple to sophisticated, royal to romantic, and modern to vintage, allow you to create unique, elegant or glamorous jewelry for any outfit, any occasion, any holiday! A

concise section on Materials explains the different types of beads available and specifically what you need to get started, while the Methods section describes the process of beadworking - how to layout your design and workplace, how to start a piece, how to add on beads and thread, and how to finish a piece. In addition, valuable tips on designing at the start of each section (Necklaces, Bracelets and Earrings) will expand your creative horizons. After this, the fun begins. A diverse array of beading techniques are illustrated in both the Necklace and the Bracelet sections that follow, and they include quick and easy, as well as in-depth patterns. The largest section has over 25 patterns just for necklaces: learn to create jeweled blossoms, chandeliers, dangling curtains, or lacy networks - or simply create a necklace that elegantly shows off your prize beads! The book concludes with over a dozen

patterns for dazzling earrings of all types - and most can be made within an hour! Enjoy a treasure trove of techniques, ideas and great jewelry patterns! 96 pages with 18 color plates. A must for any beader who loves creating beaded jewelry.

Whimsical Beaded Necklace Beading & Jewelry Making Tutorial Series I41

Sky Aldovino
2016-05-16 Twin bead is a popular material for beading enthusiasts like me! They're great when creating circular shape components. This tutorial, we'll teach you how to create flower components that can be used in a variety of ways. You can use them as earrings and charms. You can link each flower component to form a bracelet or necklace. The beadwork is designed in a way that will give you options what type of necklace you'd like to use. You can choose to attach the beadwork using plain stringed beads, a leather rope or maybe a ribbon. With the beaded chain style, the beadwork turned into an elegant, casual, any occasion jewelry. The tutorial is catered for

intermediate students. One must have a basic knowledge of Circular Flat Peyote Stitch and Right Angle Weave to create the components. A little wirework knowledge is needed if you decide to follow our suggested design for the necklace. It has in-depth instructions and ultra-clear, close-up photos and diagrams at each step.

I Love Beading Juju Vail 2009-05-26 Beading is one of the easiest and most popular of all crafts. A 2006 survey in Craftrends showed that 42 percent of all crafters now purchase beads annually. Beading is especially hot with under-35ers who can't resist the opportunity to create their own cheap and fashionably funky handcrafted jewelry pieces. In I Love Beading, Juju Vail teaches all the beading basics, from choosing beads, stringing supplies, closures, and jump rings to cutting and working with wire. Those new to the craft will learn a variety of beading stitches from the peyote to the daisy chain; embellishments such as fancy knots and beadweaving; and fun touches such as making tassels and adding beads to

buttons, curtains, and clothing. The 25 original projects range from a spiral chain bracelet, earrings, and multistrand necklaces to a woven beaded purse and a sophisticated choker. Each comes with step-by-step instructions, illustrations, and photographs. Perfect for beginners as well as more experienced beaders looking for new ideas, the finished projects in *I Love Beading* will all make great gifts—as will the book itself.
