Real-Life Discipleship Tom Cheshire 2019-07-27 The one BIG question: How do you disciple another man? Men in thousands of churches across the world know there is more to faith than just attending church – they know there is the potential to walk in Christ’s image, live in Christ’s image, and work to spread Christ’s word. But the one big question they are all asking is how? The Spirit of God is compelling them to seek the answer. This book is the gateway to answering that question. The authors spent years struggling to build a life of meaning before realizing their depravity and asking the questions: “What does it mean to be a godly man, and how can I become one?” The Spirit answered by sending men into their lives to disciple them, not with disdain or judgment, but with love and compassion, a gospel-centered focus. These men walked alongside them in the messiness of life, helping them to apply Biblical truths

and spiritual disciplines in a challenging world. From their own personal journeys, out of the abyss, the authors have written this book. Here you will learn to:

- BUILD a one-on-one relationship
- CREATE a culture of men who support each other
- LOOK TO CHRIST and find what obstacles are blocking you
- TRANSFORM your life seeing the Gospel advance through the discipling of other men.

Real-Life Discipleship: The Ordinary Man’s Guide to Disciple-Making offers a gateway from confusion to clarity, from struggle to transformation.

The Ways of the Alongsider Bill Mowry 2016 The Ways of the Alongsider is more than a Bible study. It's a new pathway for making disciples in life2life ways!

The Lost Art of Disciple Making LeRoy Eims 2009-07-13 "Every believer in Jesus Christ deserves the opportunity of personal nurture and development." says LeRoy Eims. But all too often the opportunity isn't there. We neglect the young Christian in our whirl of programs, church services, and fellowship groups. And we neglect to raise up workers and leaders who can disciple young believers into mature and fruitful Christians. In

simple, practical, and biblical terms, LeRoy Eims revives the lost art of disciple making. He explains: - How the early church disciplined new Christians - How to meet the basic needs of a growing Christian - How to spot and train potential workers - How to develop mature, godly leaders "True growth takes time and tears and love and patience," Eims states. There is no instant maturity. This book examines the growth process in the life of a Christian and considers what nurture and guidance it takes to develop spiritually qualified workers in the church.

Saturate Jeff Vanderstelt 2015-04-16 What does living for Jesus look like in the everyday stuff of life? Many Christians have unwittingly embraced the idea that "church" is a once-a-week event rather than a community of Spirit-empowered people; that "ministry" is what pastors do on Sundays rather than the 24/7 calling of all believers; and that "discipleship" is a program rather than the normal state of every follower of Jesus. Drawing on his experience as a pastor and church planter, Jeff Vanderstelt wants us to see that there's more-much more-to the Christian life than sitting in a pew once a week. God has called his people to something bigger: a view of the Christian life that encompasses the ordinary, the extraordinary, and everything in between. Packed full of biblical teaching, compelling stories, and real-world advice, this book will remind you that Jesus is filling the world with his presence through the everyday lives of everyday people... People just like you.

Organic Disciples Kevin G. Harney 2021-12-28 Could sharing your faith be the secret to unlocking your spiritual growth? For many followers of Jesus, spiritual growth involves a series of spiritual practices that promise to deepen our connection with God and train us in the ways of Jesus. Unfortunately, these practices are often disconnected from the mission and purposes of God in reaching a lost world with the gospel message. What if the secret to unlocking spiritual growth was as

simple as infusing our spiritual practices with an outward focus? What if we could learn from the example of Jesus and walk naturally in his footsteps as he leads us closer to the heart of God and the deepest needs of the world? In *Organic Disciples*, Kevin and Sherry Harney lead ordinary followers of Jesus through seven markers of spiritual maturity, showing how simple shifts in our Bible reading, prayer, community life, giving, service, and other biblical practices can connect us with God's work of reaching people with his love. Taking a holistic approach that unites evangelism and discipleship, Kevin and Sherry explain how God's plan for our spiritual growth is intimately connected to his mission to the world. True spiritual growth and maturity will always lead believers outward to engage the world with the good news and truth of Jesus. And in a surprising twist, our own spiritual growth will often remain stunted and limited until we take the step of joining God in his mission to love others. This book will help you see how Jesus modelled a lifestyle of loving others, overcome the common roadblocks and false narratives that stand in the way of spiritual maturity, and design a personal pathway of growth to be more like Jesus in character and mission. Along with the *Organic Disciples* book, churches and individuals can utilize a free, self-directed online tool to help each person identify where they are in their growth journey. In addition, there will be an eight-week sermon series and small group curriculum to take congregations and Christians deeper on this journey.

4 Chair Discipling Dann Spader 2014-08-01 Dann Spader is a disciple-maker who has spent his adult life exploring what it means to take someone from being a seeker to making disciples themselves. Over 750,000 people in 80 countries have been trained to make disciples through organizations he has led. Through studying the life of Christ and His disciple-making methods, Dann developed 4 Chair Discipling, a simple picture for others to follow. Jesus' last words on earth had a few very specific instructions: Go, make disciples, baptize, and teach. But what does that mean for us today? Well, it's not easy. But it is simple. Teacher and leader Dann Spader explains disciple-making as a process of moving people through four chairs, from someone seeking to know more about Christ to someone who makes disciples themselves. Chair 1: Come and See (John 1:39) Chair 2: Follow Me (John 1:43) Chair 3: Become a Fisher of Men (Matthew 4:19) Chair 4: Go and Bear Fruit (John 15:16) In the process of His four-year ministry, Jesus realized that different people are at different stages of growth and development, and He works to challenge each of them to the next level. In 4 Chair Discipling, you'll get a clear and simple picture of how to follow in Jesus' footsteps and do the same thing.

Deep Discipleship J.T. English 2020-09-29 Everyone is being disciplined. The question is: what is discipling us? The majority of Christians today are being disciplined by popular media, flashy events, and folk theology because churches have neglected their responsibility to make disciples. But the church is not a secondary platform in the mission of God; it is the primary platform God uses to grow people into the image of Jesus. Therefore, as church leaders, it is our primary responsibility to establish environments and relationships where people can be trained, grow, and be sent as disciples. There are three indispensable elements of discipleship: Learning to participate in the biblical story (the Bible) Growing in our confession of who God is and who we are (theology) Regularly participating in private and corporate intentional action (spiritual disciplines) Deep Discipleship equips churches to reclaim the responsibility of discipling people at any point on their journey.

Make Disciples John Ankerberg 2019-08-09 A person's final words are often their most telling. The final words of Jesus, known as the Great Commission, are no different today than when he spoke them, but what does it mean to "make disciples" in our world today?

Church Planting Movements V. David Garrison 2007 David Garrison, PhD University of Chicago, defines Church Planting Movements as rapidly multiplying indigenous churches planting churches that sweep across a people group or population segment. Garrison's *Church Planting Movements: How God Is Redeeming a Lost World* signaled a breakthrough in missionary church planting. After the publication of Garrison's book in 2004 it became impossible to talk about missions without referencing Church Planting Movements. Church Planting Movements examines more than two-dozen movements of multiplying churches on five continents. After presenting these case studies, Garrison identifies ten universal elements present in each movement. He then broadens the circle of examination to identify a further ten common characteristics, factors identified in most, but not all, of the movements. He concludes his examination with a list of "Seven Deadly Sins," i.e. harmful practices that stifle or impede Church Planting Movements. Important for evangelical readers, the author returns to his findings to see how they stand up to the light of Scripture. What he discovers is that Church Planting Movements are much more consistent with the New Testament lay-led house-church movements that swept rapidly through the Mediterranean world in the face of hostile opposition than today's more sedentary

professional institutionalized Christianity. Learn more about Church Planting Movements from the book's website: www.ChurchPlantingMovements.com.

Hope for the Prodigal Jim Putman 2017-08-01 The statistics are sobering: between 80 and 90 percent of kids who have grown up in the church are leaving the

church after age eighteen. Children slipping away into a culture that tells them the Bible isn't true, sin is no big deal, God isn't real, or there are many ways to get into heaven. Whether parents may blame themselves or the culture, the result is the same: lost souls. But our God specializes in lost souls and the gospel is as powerful as it ever was. With wisdom that comes from personal experience, Jim Putman and his father, Bill Putman, offer brokenhearted parents and loved ones hope for their prodigals. A prodigal son himself, Jim has also found himself in the role of the prodigal's father when his own son rejected the faith. This family's powerful story of restoration, along with solid biblical truths and practical advice, will inspire, motivate, and equip readers to go after their lost sheep with acts of love and service.

Personal Disciplemaking: A Step-By-Step Guide for Leading a Christian from New Birth to Maturity

Christopher B. Adsit 1996-10 Most disciplemaking strategies employ a "materials-oriented" approach - "If you take the disciple through this set of materials, they will be disciplined." Personal Disciplemaking takes a "needs-oriented" approach. That is, let's first assess where the needs are in this growing Christian, discern what God is doing in his or her life, and partner with HIM in the process. The first eight chapters give practical, general help in what is involved in the discipling process. The next twelve chapters focus on initial follow-up of a new Christian - the first twelve things you should do with a new believer in Christ. The final section helps the reader lay out a plan for a lifetime of discipling, using the Personal Disciplemaking Tool Kit. The approach can be used in a one-to-one mentoring relationship, or as a curriculum for small group discipling.

The Disciple Maker's Handbook Bobby Harrington 2017-02-07 Many people believe that discipleship is important, but they need help. In fact, the vast majority of Christians report that they have never been personally disciplined by a more mature follower of Jesus. Is it any wonder that they have a difficult time knowing how to disciple others? If making disciples of Jesus is the greatest cause on earth, how should we equip people to do it? This handbook is a practical guide for how to embrace the discipleship lifestyle - being a disciple of Jesus and how to make other disciples of Jesus. With contributions from pastors and teachers like Francis Chan, Jeff Vanderstelt, Bill Hull, Jim Putman, KP Yohannan, and Robert Coleman, the authors present seven elements that are necessary for disciple making to occur: Jesus—the original disciple maker and centerpiece of discipleship. Holy Spirit—fuels the disciple-making process. Intentionality—making disciples utilizing a strategy and a roadmap. Relationships—creating a loving, genuine connection with others who trust and follow Jesus. Bible—using the Word of God as the manual for making disciples. Journey—forging a traceable growth story from a new birth to spiritual parenthood. Multiply—reproducing the discipleship process so that the disciple becomes a disciple maker. Whether you are a parent who wants to disciple your children, a small group leader who wants to disciple those in your group, or a church leader who wants to disciple future leaders, the seven key elements in this handbook form a framework for understanding discipleship that can be applied in countless situations. In addition, there are questions provided in each section to help you think through how to apply the material to your disciple making efforts.

The Disciple-Making Church Bill Hull 2010-06-15 Scripture places high priority on the disciplemaking capacity of the church, This book shows how to accomplish it. Foreword by Howard Ball.

Contagious Disciple Making David Watson 2014-12-23 It is hard to deny that today's world can seem apathetic toward Christians. Some may look down at their iPhones

when we mention God, motion for the check when we bring up church, or casually change the subject when we talk about prayer. In a world full of people whose indifference is greater than their desire to know Christ, how can we dream of growing the church? In *Contagious Disciple Making*, David Watson and Paul Watson map out a simple method that has sparked an explosion of homegrown churches in the United States and around the world. A companion to Cityteam's two previous books, *Miraculous Movements* and *The Father Glorified*, *Contagious Disciple Making* details the method used by Cityteam disciple-makers. This distinctive process focuses on equipping spiritual leaders in communities where churches are planted. Unlike many evangelism and church-growth products that focus on quick results, contagious disciple-making takes time to cultivate spiritual leadership, resulting in lasting disciple-making movements. Through *Contagious Disciple Making* readers will come to understand that a strong and equipped leader will continue to grow the church long after church planters move on to the next church. Features include: Engagement tools for use in the field Practical techniques to equip others to make disciples [WikiChurch](#) Steve Murrell 2011-07-05 Most Christians agree that discipleship is important, even essential for Christian maturity; few understand biblical principles and even fewer apply a biblical process when it comes to discipleship.

[Becoming a Disciple-Making Church](#) Neil T. Anderson 2016-01-26 Proven Methods for Turning Believers into Disciples What does it mean to grow a "convert" into a "disciple"? And how do we help our people get there? Neil Anderson's Freedom in Christ ministry has been walking individuals through these steps for over a quarter century. Now he turns his attention to pastors and church leaders, teaching them how to help their people resolve personal and spiritual conflicts, including everything from difficult marriages to unrepentant sin to church disputes. Before someone can mature spiritually, they must be established alive and

free in Christ through genuine repentance and faith in God. This means churches must resolve their people's conflicts as the first step to discipleship, rather than referring them to professional counselors. We as believers have the answers for mental and emotional problems, and through this ministry of reconciliation true discipleship happens.

The Power of Together Jim Putman 2016-06-21 An Invitation to Deeper, More Joyful, and Rewarding Relationships with God and Others None of us is lovable all of the time. People are unreasonable, arguments flare, feelings are hurt. And no one can make us feel worse than those closest to us. It's easy to fall into the trap of closing ourselves off in order to protect ourselves, rather than opening ourselves up for relationship with each other. But think of who Jesus invited into his life and ministry. They weren't always lovable. Yet he modeled perfect love for us and showed how the mark of a spiritually mature believer was always love. In *The Power of Together*, pastor and author Jim Putman uncovers the core of true discipleship with an in-depth, biblical look at how Jesus always invited people into relationship with himself. He loved them with God's perfect love and, in the process, showed everyone around him that the act of following God is the act of extending and receiving love that endures all things.

Growing True Disciples George Barna 2013-03-06 Christ's

command to the church is clear: "Go, therefore, and make disciples of all nations..." It is in building disciples--helping others to embrace Jesus Christ as Savior and Lord, mature in him, and then lead others to do the same--that the Kingdom grows. And when the Kingdom grows, churches do, too. In *Growing True Disciples*, respected author and researcher George Barna helps pastors and leaders assess how their churches are doing in fulfilling their role as disciplemakers. And he reveals models and examples that will equip churches to dramatically increase their effectiveness. As a result, your church can begin to see more involved members who want to live out their faith in submission to God, and joyfully share their resources to fulfill Christ's commission.

DiscipleShift Jim Putman 2013-04-23 Question: What is the God-given purpose of the local church? Answer: Relational discipleship. DiscipleShift walks you through five key "shifts" that churches must make to refocus on the fundamental biblical mission of discipleship. These intentional changes will attract the world and empower your church members to be salt and light in their communities. Over the last thirty years, many influential church leaders and church planters in America have adopted various models for reaching unchurched people. While many of these approaches have merit, something is still missing, something even more fundamental to the mission of the church: discipleship. Making disciples--helping people to trust and follow Jesus--is the church's God-given mandate. Devoted disciples attract people outside the church because of the change others see in their Christ-like lives. And discipleship empowers Christians to be more like Christ as they intentionally develop relationships with non-believers. Through biblical and professional insights, Jim Putman and Bobby Harrington discuss the transformational effectiveness of making disciples and just how to do so, in practical terms. You'll learn: The specific roles of a disciple-making pastor. The components of person-to-person discipleship. How each

ministry in your church leads to discipleship. How to implement discipleship in your church. Disciple-making leaders will not produce perfect churches, but they will create effective churches.

The Disciple Making Minister David Servant 2014-04-14 David Servant has been ministering to Christian leaders in conferences around the world for over three decades. From his experience of speaking to tens of thousands of pastors in over forty countries, he has compiled biblical teaching in this book that addresses the most important issues that Christian leaders are facing today. Servant covers topics such as church growth, spiritual warfare, divorce and remarriage, biblical interpretation, house churches, women in ministry, church government, spiritual gifts, evangelism and many more. He often questions the prevailing opinion, always considering what Scripture says. His conclusions may sometimes surprise you. Servant's foundational condition is that every Christian leader should be making disciples who obey all of Christ's commandments. Translated into many languages, *The Disciple-Making Minister* is helping Christian leader around the world be more effective in fulfilling the Great Commission.

Discipleship that Fits Bobby Harrington 2016-02-09 For far too long, the church has tried to make disciples using a one-size-fits-all approach. Some churches advocate 1-on-1 discipling, others try getting everyone into a small group, while still others training through mission trips or service projects. Yet others focus all their efforts on attracting people to a large group gathering to hear biblical teaching and preaching. But does one size really fit everyone? Based on careful biblical study and years of experience making disciples in the local church, Bobby Harrington and Alex Absalom have identified five key relationships where discipleship happens in our lives. In each relational context we need to understand how discipleship occurs and we need to set appropriate expectations for each context. *Discipleship That Fits* shows you the five key ways discipleship occurs. It looks at how Jesus made

disciples and how disciples were formed in the early church. Each of the contexts is necessary at different times and in different ways as a person grows toward maturity in Christ: Public Relationships: The church gathering corporately for worship Social Relationships: Networks of smaller relationships where we engage in mission and live out our faith in community Personal Relationships: Small groups of six to sixteen people where we challenge and encourage one another on a regular basis Transparent Relationships: Close relationships of three to four where we share intimate details of our lives for accountability The Divine Relationship: Our relationship with Jesus Christ where we grow through the empowering presence of the Holy Spirit Filled with examples and stories, Alex and Bobby show you how to develop discipleship practices in each relational context by sharing how Jesus did it, how the early church practiced it, and how churches are discipling people today.

Real Faith for Real Life Michael W. Foss For Christians seeking to apply their faith to everyday life, *Real Faith for Real Life* invites readers to answer the call of discipleship and provides guidance and examples of how to do so successfully. Michael Foss, author of *Power Surge*, encourages readers to rely on six time-tested marks of discipleships that encourage the practice of faith in everyday life: Daily prayer Bible reading Weekly worship Christian service Relationships that encourage spiritual growth Giving in the spirit of generosity Using Bible passages and real-life stories, Foss illustrates how each mark of discipleship enhances and supports the growth of a person's faith journey. This book also includes study questions and journaling suggestions for small group discussion and individual reflection.

The Disciple-Making Pastor Bill Hull 2007-10-01 Christ commanded the church to make disciples, to produce people who love and obey God, bear fruit, and live with joy. The crisis at the heart of the church is that we often pay lip service to making disciples, but we seldom

put much effort behind doing it. For the pastor who is ready to put words into action, *The Disciple-Making Pastor* offers the inspiration and practical know-how to do so. Bill Hull shows pastors the obstacles they will face, what disciples really look like, the pastor's role in producing them, and the practices that lead to positive change. He also offers a six-step coaching process to help new disciples grow in commitment and obedience and practical ideas to integrate disciple making into the fabric of the church.
