The Lost Art of Disciple Making LeRoy Eims
2009-07-13 "Every believer in Jesus Christ deserves the opportunity of personal nurture and development." says LeRoy Eims. But all too often

the opportunity isn't there. We neglect the young Christian in our whirl of programs, church services, and fellowship groups. And we neglect to raise up workers and leaders who can disciple young believers into mature and fruitful Christians. In simple, practical, and biblical terms, LeRoy Eims revives the lost art of disciple making. He explains: - How the early church disciplined new Christians - How to meet the basic needs of a growing Christian - How to spot and train potential workers - How to develop mature, godly leaders "True growth takes time and tears and love and patience," Eims states. There is no instant maturity. This book examines the growth process in the life of a Christian and considers what nurture and guidance it takes to

develop spiritually qualified workers in the church.

Christians agree that discipleship is important, even essential for Christian maturity; few understand biblical principles and even fewer apply a

biblical process when it comes to discipleship. Growing Up Robby Gallaty 2013-11-11 If you are serious about being a disciple of Jesus Christ—really, truly serious—a discipleship group can help you achieve that goal. Jesus established this model for us by forming and leading the first discipleship group—and it worked. The men who emerged from that group took the gospel to the world and ultimately laid down their lives for Christ. Discipleship groups can create an atmosphere for fellowship, encouragement, and accountability—building an environment where God can work. In Growing Up: How to Be a Disciple Who Makes Disciples, Robby Gallaty presents a practical, easy-to-implement system for growing in one's faith. This guide offers a

manual for making disciples, addressing the what, why, where, and how of discipleship. D-Groups, as Gallaty calls them, can teach you and others how to grow your relationship with God, how to defend your faith, and how to guide others in their relationships with God. Growing Up provides you with an interactive manual and resource for creating and working with discipleship groups, allowing you to gain positive information both for yourself and for others as you learn how to help others become better disciples for Christ. **Deep Discipleship** J.T. English 2020-09-29 Everyone is being disciplined. The question is: what is discipling us? The majority of Christians today are being disciplined by popular media, flashy events, and folk

theology because churches have neglected their responsibility to make disciples. But the church is not a secondary platform in the mission of God; it is the primary platform God uses to grow people into the image of Jesus. Therefore, as church leaders, it is our primary responsibility to establish environments and relationships where people can be trained, grow, and be sent as disciples. There are three indispensable elements of discipleship: Learning to participate in the biblical story (the Bible) Growing in our confession of who God is and who we are (theology) Regularly participating in private and corporate intentional action (spiritual disciplines) Deep Discipleship equips churches to reclaim the

responsibility of discipling people at any point on their journey. *Breaking the Discipleship Code* David Putman 2008-05-01 The door to a greater understanding of what it means to personally be a missional follower of Jesus in relation to every aspect of the changing world is opened in a guide that balances cultural relevance with biblical faithfulness. The Unstuck Church Tony Morgan 2017-05-16
Acclaimed church leader, blogger, founder and chief strategic officer of The Unstuck Group, Tony Morgan unpacks the lifecycle of a typical church, identifies characteristics of each phase, and provides practical next steps a

church can take to move towards sustained health. Think about your church for a moment. Is it growing? Is it diminishing? Is it somewhere in between? Acclaimed church leader, blogger, and founder and chief strategic officer of The Unstuck Group, Tony Morgan has identified the seven stages of a church's lifecycle that range from the hopeful and optimistic days of launch, to the stagnating last stages of life support. Regardless of the stage in which you find your church, it carries with it the world's greatest mission—to "go and make disciples of all the nations . . ." With eternity at stake the Church should be doing most everything within its power to see lives changed forever. The Church should strive for the pinnacle of the

lifecycle, where they are continually making new disciples and experiencing what Morgan refers to as "sustained health." In *The Unstuck Church*, Morgan unpacks each phase of the church lifecycle, and offers specific and strategic next steps the church leader can take to find it's way to sustained health . . . and finally become unstuck. *The Unstuck Church* is a call for honest an assessment of where your church sits on the lifecycle, and a challenge to move beyond it.

Discipleship Essentials
Greg Ogden 2019-01-15 We grow in Christ as we seek him together. Jesus' own pattern of disciple-making was to be intimately involved with others. This expanded 25-session workbook by Greg Ogden, perfect for small groups or individuals, helps us influence others as

Jesus did—by investing in a few. Working through it will deepen your knowledge of essential Christian teaching and strengthen your faith.

Make Disciples John Ankerberg 2019-08-09 A person's final words are often their most telling. The final words of Jesus, known as the Great Commission, are no different today than when he spoke them, but what does it mean to "make disciples" in our world today?

Replicate Robby Gallaty 2020-06-02 A Practical Guide to Creating and Sustaining a Culture of Disciple-Making in Any Church Over the last few decades American churches have produced plenty of converts but not as many mature believers. Studies show the majority of Christians don't even understand the basics of faith. But how do you

tackle such a big problem? Replicate shows church leaders how to make disciples who make disciples and get the rest of your church on board as well. This one-on-one relational ministry is how Jesus laid the foundation for His church that is still growing today, and it's how we continue the work in our own local congregations. Learn the five marks of a healthy disciple-making church, how to influence culture, uproot misconceptions of the church and the gospel, and change your church and community. No more focusing on mere numbers, it's time to grow in maturity and through multiplication. The Disciple Maker's Handbook Bobby Harrington 2017-02-07 Many people believe that discipleship is important, but they need help. In fact, the vast

majority of Christians report that they have never been personally disciplined by a more mature follower of Jesus. Is it any wonder that they have a difficult time knowing how to disciple others? If making disciples of Jesus is the greatest cause on earth, how should we equip people to do it? This handbook is a practical guide for how to embrace the discipleship lifestyle – being a disciple of Jesus and how to make other disciples of Jesus. With contributions from pastors and teachers like Francis Chan, Jeff Vanderstelt, Bill Hull, Jim Putman, KP Yohannan, and Robert Coleman, the authors present seven elements that are necessary for disciple making to occur: Jesus—the original disciple maker and centerpiece of

discipleship. Holy Spirit—fuels the disciple-making process. Intentionality—making disciples utilizing a strategy and a roadmap. Relationships—creating a loving, genuine connection with others who trust and follow Jesus. Bible—using the Word of God as the manual for making disciples. Journey—forging a traceable growth story from a new birth to spiritual parenthood. Multiply—reproducing the discipleship process so that the disciple becomes a disciple maker. Whether you are a parent who wants to disciple your children, a small group leader who wants to disciple those in your group, or a church leader who wants to disciple future leaders, the seven key elements in this handbook form a framework for

understanding discipleship that can be applied in countless situations. In addition, there are questions provided in each section to help you think through how to apply the material to your disciple making efforts.

Church Planting Movements V. David Garrison 2007 David Garrison, PhD University of Chicago, defines Church Planting Movements as rapidly multiplying indigenous churches planting churches that sweep across a people group or population segment. Garrison's Church Planting Movements: How God Is Redeeming a Lost World signaled a breakthrough in missionary church planting. After the publication of Garrison's book in 2004 it became impossible to talk about missions without referencing

Church Planting Movements. Church Planting Movements examines more than two-dozen movements of multiplying churches on five continents. After presenting these case studies, Garrison identifies ten universal elements present in each movement. He then broadens the circle of examination to identify a further ten common characteristics, factors identified in most, but not all, of the movements. He concludes his examination with a list of "Seven Deadly Sins," i.e. harmful practices that stifle or impede Church Planting Movements. Important for evangelical readers, the author returns to his findings to see how they stand up to the light of Scripture. What he discovers is that Church Planting Movements are much more consistent with the New Testament

lay-led house-church movements that swept rapidly through the Mediterranean world in the face of hostile opposition than today's more sedentary professional institutionalized Christianity. Learn more about Church Planting Movements from the book's website: www.ChurchPlantingMovements.com.

DiscipleShift Jim Putman
2013-04-23 Question: What is the God-given purpose of the local church? Answer: Relational discipleship. DiscipleShift walks you through five key "shifts" that churches must make to refocus on the fundamental biblical mission of discipleship. These intentional changes will attract the world and empower your church members to be salt and light in their communities. Over the last thirty years, many

influential church leaders and church planters in America have adopted various models for reaching unchurched people. While many of these approaches have merit, something is still missing, something even more fundamental to the mission of the church: discipleship. Making disciples—helping people to trust and follow Jesus—is the church's God-given mandate. Devoted disciples attract people outside the church because of the change others see in their Christ-like lives. And discipleship empowers Christians to be more like Christ as they intentionally develop relationships with non-believers. Through biblical and professional insights, Jim Putman and Bobby Harrington discuss the transformational effectiveness of making

disciples and just how to do so, in practical terms. You'll learn: The specific roles of a disciple-making pastor. The components of person-to-person discipleship. How each ministry in your church leads to discipleship. How to implement discipleship in your church. Disciple-making leaders will not produce perfect churches, but they will create effective churches. Building a Disciple-Making Ministry Lifeway Adults 2020-12 Examine the principles followed by Arthur Flake that helped churches regather after the 1919 Spanish Flu pandemic and grow their ongoing Bible study groups. **Mentor Like Jesus** Regi Campbell 2009-05-01 More time, spent with fewer people, equals greater kingdom impact. Desiring to see God widely embraced as more than a

remote concept, entrepreneur Regi Campbell began a deeply successful mentoring program years ago that has become one of his greatest joys. Though it seemed radical at first—spending more time with less people to further an all important message—he soon realized this is the discipleship model Jesus set out during his ministry; today two billion people worldwide embrace the wisdom He entrusted to a small band of disciples two thousand years ago. Mentor Like Jesus is Campbell’s revelation of what he now calls “next generation mentoring,” an exponentially rewarding process that is resulting in “lives changed, marriages saved, children dealt with in a more loving way.” Readers of any age and in any situation will clearly understand how the return on a

meaningful investment in another person is truly immeasurable.

Growing True Disciples

George Barna 2013-03-06 Christ’s command to the church is clear: “Go, therefore, and make disciples of all nations...” It is in building disciples-- helping others to embrace Jesus Christ as Savior and Lord, mature in him, and then lead others to do the same-- that the Kingdom grows. And when the Kingdom grows, churches do, too. In *Growing True Disciples*, respected author and researcher George Barna helps pastors and leaders assess how their churches are doing in fulfilling their role as disciplemakers. And he reveals models and examples that will equip churches to dramatically increase their effectiveness. As a result, your church can

begin to see more involved members who want to live out their faith in submission to God, and joyfully share their resources to fulfill Christ's commission.

Organic Disciples Kevin G. Harney 2021-12-28
Could sharing your faith be the secret to unlocking your spiritual growth? For many followers of Jesus, spiritual growth involves a series of spiritual practices that promise to deepen our connection with God and train us in the ways of Jesus. Unfortunately, these practices are often disconnected from the mission and purposes of God in reaching a lost world with the gospel message. What if the secret to unlocking spiritual growth was as simple as infusing our spiritual practices with an outward focus? What if we could learn from

the example of Jesus and walk naturally in his footsteps as he leads us closer to the heart of God and the deepest needs of the world? In *Organic Disciples*, Kevin and Sherry Harney lead ordinary followers of Jesus through seven markers of spiritual maturity, showing how simple shifts in our Bible reading, prayer, community life, giving, service, and other biblical practices can connect us with God's work of reaching people with his love. Taking a holistic approach that unites evangelism and discipleship, Kevin and Sherry explain how God's plan for our spiritual growth is intimately connected to his mission to the world. True spiritual growth and maturity will always lead believers outward to engage the world with the good news and truth of Jesus. And in a

surprising twist, our own spiritual growth will often remain stunted and limited until we take the step of joining God in his mission to love others. This book will help you see how Jesus modelled a lifestyle of loving others, overcome the common roadblocks and false narratives that stand in the way of spiritual maturity, and design a personal pathway of growth to be more like Jesus in character and mission. Along with the Organic Disciples book, churches and individuals can utilize a free, self-directed online tool to help each person identify where they are in their growth journey. In addition, there will be an eight-week sermon series and small group curriculum to take congregations and Christians deeper on this journey.

Discipleship Greg Ogden 2016-10-02 Greg Ogden recovers Jesus' method of accomplishing life change by investing in just a few people at a time. In this revised and updated edition Ogden sets forth his

Personal Disciplemaking: A Step-By-Step Guide for Leading a Christian from New Birth to Maturity

Christopher B. Adsit 1996-10 Most discipling strategies employ a "materials-oriented" approach - "If you take the disciple through this set of materials, they will be discipled." Personal Disciplemaking takes a "needs-oriented" approach. That is, let'd first assess where the needs are in this growing Christian, discern what God is doing in his or her life, and partner with HIM in the process. The first eight chapters

give practical, general help in what is involved in the discipling process. The next twelve chapters focus on initial follow-up of a new Christian - the first twelve things you should do with a new believer in Christ. The final section helps the reader lay out a plan for a lifetime of discipling, using the Personal Disciplemaking Tool Kit. The approach can be used in a one-to-one mentoring relationship, or as a curriculum for small group discipling.

Discipleship that Fits

Bobby Harrington

2016-02-09 For far too long, the church has tried to make disciples using a one-size-fits-all approach. Some churches advocate 1-on-1 discipling, others try getting everyone into a small group, while still others training through mission trips or service

projects. Yet others focus all their efforts on attracting people to a large group gathering to hear biblical teaching and preaching. But does one size really fit everyone? Based on careful biblical study and years of experience making disciples in the local church, Bobby Harrington and Alex Absalom have identified five key relationships where discipleship happens in our lives. In each relational context we need to understand how discipleship occurs and we need to set appropriate expectations for each context. *Discipleship That Fits* shows you the five key ways discipleship occurs. It looks at how Jesus made disciples and how disciples were formed in the early church. Each of the contexts is necessary at different times and in different ways as a

person grows toward maturity in Christ:
Public Relationships: The church gathering corporately for worship
Social Relationships: Networks of smaller relationships where we engage in mission and live out our faith in community
Personal Relationships: Small groups of six to sixteen people where we challenge and encourage one another on a regular basis
Transparent Relationships: Close relationships of three to four where we share intimate details of our lives for accountability
The Divine Relationship: Our relationship with Jesus Christ where we grow through the empowering presence of the Holy Spirit
Filled with examples and stories, Alex and Bobby show you how to develop discipleship practices in each relational context by sharing how

Jesus did it, how the early church practiced it, and how churches are discipling people today.

Covenant Discipleship helps connect children with Jesus Christ and one another through ongoing mutual accountability and support for living in the world as Christ followers. The resource offers leaders in

ministry with children suggestions for forming covenants, exploring accountability, evaluations, and a choice of plans to organize, maintain, and evaluate Covenant Discipleship groups with children. Real-Life Discipleship

Tom Cheshire 2019-07-27

The one BIG question: How do you disciple another man? Men in thousands of churches across the world know there is more to faith than just attending church – they know there is the potential to walk in Christ’s image, live in Christ’s image, and work to spread Christ’s word. But the one big question they are all

asking is how? The Spirit of God is compelling them to seek the answer. This book is the gateway to answering that question. The authors spent years struggling to build a life of meaning before realizing their depravity and asking the questions: “What does it mean to be a godly man, and how can I become one?” The Spirit answered by sending men into their lives to disciple them, not with disdain or judgment, but with love and compassion, a gospel-centered focus. These men walked alongside them in the messiness of life, helping them to apply Biblical truths and spiritual disciplines in a challenging world. From their own personal journeys, out of the abyss, the authors have written this book. Here you will learn to: •

BUILD a one-on-one relationship • CREATE a culture of men who support each other • LOOK TO CHRIST and find what obstacles are blocking you • TRANSFORM your life seeing the Gospel advance through the discipling of other men. Real-Life Discipleship: The Ordinary Man's Guide to Disciple-Making offers a gateway from confusion to clarity, from struggle to transformation. The Disciple-Making Pastor Bill Hull 2007-10-01 Christ commanded the church to make disciples, to produce people who love and obey God, bear fruit, and live with joy. The crisis at the heart of the church is that we often pay lip service to making disciples, but we seldom put much effort behind doing it. For the pastor who is ready to put

words into action, The Disciple-Making Pastor offers the inspiration and practical know-how to do so. Bill Hull shows pastors the obstacles they will face, what disciples really look like, the pastor's role in producing them, and the practices that lead to positive change. He also offers a six-step coaching process to help new disciples grow in commitment and obedience and practical ideas to integrate disciple making into the fabric of the church.

4 Chair Discipling Dann Spader 2014-08-01 Dann Spader is a disciple-maker who has spent his adult life exploring what it means to take someone from being a seeker to making disciples themselves. Over 750,000 people in 80 countries have been

trained to make disciples through organizations he has led. Through studying the life of Christ and His disciple-making methods, Dann developed 4 Chair Discipling, a simple picture for others to follow. Jesus' last words on earth had a few very specific instructions: Go, make disciples, baptize, and teach. But what does that mean for us today? Well, it's not easy. But it is simple. Teacher and leader Dann Spader explains disciple-making as a process of moving people through four chairs, from someone seeking to know more about Christ to someone who makes disciples themselves. Chair 1: Come and See (John 1:39) Chair 2: Follow Me (John 1:43) Chair 3: Become a Fisher of Men (Matthew 4:19) Chair 4: Go and Bear Fruit (John 15:16) In the process of His

four-year ministry, Jesus realized that different people are at different stages of growth and development, and He works to challenge each of them to the next level. In 4 Chair Discipling, you'll get a clear and simple picture of how to follow in Jesus' footsteps and do the same thing.

Becoming a Disciple-Making Church Neil T.

Anderson 2016-01-26 Proven Methods for Turning Believers into Disciples What does it mean to grow a "convert" into a "disciple"? And how do we help our people get there? Neil Anderson's Freedom in Christ ministry has been walking individuals through these steps for over a quarter century. Now he turns his attention to pastors and

church leaders, teaching them how to help their people resolve personal and spiritual conflicts, including everything from difficult marriages to unrepentant sin to church disputes. Before someone can mature spiritually, they must be established alive and free in Christ through genuine repentance and faith in God. This means churches must resolve their people's conflicts as the first step to discipleship, rather than referring them to professional counselors. We as believers have the answers for mental and emotional problems, and through this ministry of reconciliation true discipleship happens. *The Power of Together* Jim Putman 2016-06-21 An Invitation to Deeper, More Joyful, and Rewarding Relationships with God and Others None of us is lovable all of the time. People are

unreasonable, arguments flare, feelings are hurt. And no one can make us feel worse than those closest to us. It's easy to fall into the trap of closing ourselves off in order to protect ourselves, rather than opening ourselves up for relationship with each other. But think of who Jesus invited into his life and ministry. They weren't always lovable. Yet he modeled perfect love for us and showed how the mark of a spiritually mature believer was always love. In *The Power of Together*, pastor and author Jim Putman uncovers the core of true discipleship with an in-depth, biblical look at how Jesus always invited people into relationship with himself. He loved them with God's perfect love and, in the process, showed everyone around

him that the act of following God is the act of extending and receiving love that endures all things.
