*Fair Play* Eve Rodsky 2019-10-01 A REESE'S BOOK CLUB PICK "A hands-on, real talk guide for navigating the hot-button issues that so many families struggle with."--Reese Witherspoon Tired, stressed, and in need of more help from your partner? Imagine running your household (and life!) in a new way... It started with the Sh\*t I Do List. Tired of being the "shefault" parent responsible for all aspects of her busy household, Eve Rodsky counted up all the unpaid, invisible work she was doing for her family -- and then sent that list to her husband, asking for things to change. His response was... underwhelming. Rodsky realized that simply identifying the issue of unequal labor on the home front wasn't enough: She needed a solution to this universal problem. Her sanity, identity, career, and marriage depended on it. The result is *Fair Play*: a time- and anxiety-saving system that offers couples a

completely new way to divvy up chores and responsibilities. Rodsky interviewed more than five hundred men and women from all walks of life to figure out what the invisible work in a family actually entails and how to get it all done efficiently. With four easy-to-follow rules, 100 household tasks, and a series of conversation starters for you and your partner, *Fair Play* helps you prioritize what's important to your family and who should take the lead on every chore from laundry to homework to dinner. "Winning" this game means rebalancing your home life, reigniting your relationship with your significant other, and reclaiming your Unicorn Space -- as in, the time to develop the skills and passions that keep you interested and interesting. Stop drowning in to-dos and lose some of that invisible workload that's pulling you down. Are you ready to try *Fair Play*? Let's deal you in.

*Figurations of Exile in Hitchcock and Nabokov* Barbara Straumann 2008-12-16 This book makes an important contribution to cultural analysis by opening up the work of two canonical authors to issues of exile and migration. Barbara Straumann's close reading of selected films and literary texts focuses on *Speak*, *Memory*, *Lolita*, *The Real Life of Sebastian Knight*, *Suspicion*, *North by Northwest* and *Shadow of a Doubt* and explores the connections between language, imagination and exile. Invoking psychoanalysis as the principal discourse of dislocation, the book not only uses concepts such as 'screen memory', 'family romance', 'fantasy' and 'the uncanny' as hermeneutic foils, it also argues that, in their own ways, the arch-parodists Hitchcock and Nabokov are remarkably in tune with the images and tropes developed by Freud.

**Approaching Facial Difference** Patricia Skinner 2018-05-03 What is a face and how does it relate to personhood? *Approaching Facial Difference: Past and Present* offers an interdisciplinary exploration of the many ways in which faces have been represented in the past and present, focusing on the issue of facial difference and disfigurement read in the light of shifting ideas of beauty

and ugliness. Faces are central to all human social interactions, yet their study has been much overlooked by disability scholars and historians of medicine alike. By examining the main linguistic, visual and material approaches to the face from antiquity to contemporary times, contributors place facial diversity at the heart of our historical and cultural narratives. This cutting-edge collection of essays will be an invaluable resource for humanities scholars working across history, literature and visual culture, as well as modern practitioners in education and psychology.

In a world where most people are plugged into brain-drain entertainment systems, Spaz is the rare human being who can see life as it really is. **The Hot Flash Club Strikes Again** Nancy Thayer 2005-09-27 The fabulous women from *The Hot Flash Club* are back in top form, welcoming the stressed-out and pampering-deprived through their discreet spa doors—as Nancy Thayer returns with a witty, sexy, and heartwarming novel. *The Hot Flash Club Strikes Again* also introduces four new women, ready for massages and seaweed wraps, each struggling to reconcile her secret dreams, biggest fears, and deepest feelings as topsy-turvy events shake up her life. After

eighteen years of trying to make peace with her husband's cold-as-ice mother, Polly vows to be the perfect mother-in-law: loving, accepting, and determined to keep her mouth shut. Then her son marries Amy, a Birkenstocked gal whose organic farm and family ooze a rather creepy serenity. Ever the optimist, Polly puts her best foot forward . . . so why does it end up in her mouth? A shy and brilliant professor-to-be, Beth has lived a sheltered life. Then she meets Sonny, a rugged, sexy carpenter who sweeps her off her feet. The problem? Beth may not survive his loud, affectionate, athletic family—especially when the very beautiful and earthy woman everybody wanted Sonny to marry is still hanging around the family dinner table. Heiress to one of New England's oldest paper companies, Carolyn is the driving force behind the brand. Now, at thirty-seven, the workaholic executive is finally pregnant with her first child, and high blood pressure is forcing her to do something totally alien: relax. But how can she let down her guard when her seventy-something father has gone and eloped with a young bank clerk named Heather, whose rather plain looks and unassuming nature still manage to fill Carolyn with suspicion. A free-spirited photographer, Julia has married a man she loves, but he's come packed with baggage. Tim is a widower with a young daughter, and Julia has bravely stepped up to the plate, doing her best to provide maternal support. But as if being pinned down by the child's slightly manipulative ways and (dare Julia say it) spoiled behavior wasn't enough, there's Tim's ex-mother-in-law, whose meddling is getting nastier by the week. For Polly, Beth, Carolyn, and Julia, the time has come to stand up for what matters—for their passions, their hearts, and themselves. As they maneuver through family drama and embrace unexpected change, they come to find that life is much easier (and a lot more fun) when you've got friends, wine, and chocolate along for the ride.

**Riding Home** Tim Hayes 2015-03-03 Explaining how and why horses have a remarkable ability to heal, the author argues for the expansion of equine

programs that accomplish what many organizations that utilize traditional methods of psychotherapy and pharmaceuticals have been unable to achieve. [Sex, Love, and Romance in the Mass Media](#) Mary-Lou Galician 2004-07-16 This accessible yet research-based text offers both foundational theories and practical applications of analysis and criticism of mass media portrayals of sex, love, and romance in a wide variety of mass media, from entertainment to advertising to news. The multidisciplinary methodological perspective comes out of a media literacy approach and embraces a variety of traditions along the quantitative-qualitative continuum. Focused on portrayals of male-female coupleship, the book is centered around the 12 major myths and stereotypes of Galician's Dr. FUN!'s Mass Media Love Quiz©, each of which has a corresponding Dr. Galician Prescription® that encapsulates healthy strategies--rarely found in the mass media--to counteract that myth or stereotype. Readers learn how to identify, illustrate, deconstruct, evaluate, and reframe the mass media's mythic and stereotypic portrayals of sex, love, and romance. They also learn how to use their own formal critical evaluations to clarify their own values and--as media consumers or mass communication creators--to share their insights with others. Thus, the learning objectives encompass all three major educational domains: cognitive, affective, and behavioral. Part I of this book covers the five foundations: \*myths and stereotypes of love and coupleship; \*models of realistic and constructive love and coupleship; \*mass media storytelling approaches, techniques, and devices; \*research and theories of mass media effects; and \*strategies and skills of media literacy. Part II is devoted to exploring the myths and stereotypes identified in the Quiz. Following several brief case studies and a summary of related research and commentary, each chapter focuses on analyses and criticisms of portrayals of sex, love, and romance in the content of news and advertising, as well as entertainment using Galician's Seven-Step Dis-illusioning Directions. Each chapter concludes with a "Dis-illusion Digest." While critical of unrealistic

portrayals and the damage they can cause unsuspecting media consumers, Galician--a media literacy advocate--is not anti-media. Rather, her goal is to empower consumers to use these portrayals with more awareness of their possible consequences, to resist adopting them as models for actual behavior, and to consciously reframe them into more realistic, productive scenarios. This unique text is an engaging classroom resource for media literacy, media and relationships, and media and society coursework.

Along the way he has earned millions of admirers—and more than his share of enemies—by advancing controversial, often counterintuitive arguments, including: • Liberals love losing because it makes them feel virtuous • America isn't normal—it's bizarrely blessed • Hollywood has lost touch with America—and punishes people who point that out • Conservatives are both happier and nicer than liberals • Talk radio is a source of hope, not hatred • Business isn't exploitative—it's heroic • There is no such thing as "planned parenthood" • A more Christian America is good for the Jews • Do-it-yourself conservatism

provides the only cure for save-the-world liberalism In the candid, electrifying *Right Turns*, Medved chronicles the adventures that taught him these and many other lessons—the startling events that propelled him from Vietnam protest leader to optimistic promoter of American patriotism, from secularism to religion, from adventurous single guy to doting husband and father. In the process he skewers leftist orthodoxy, revealing why the Right is right and why his former colleagues on the Left remain hopelessly wrong on every cultural, political, and social issue. Medved enters today’s ideological fray armed with experience as, among many other things, a campaign aide for radical Democrats, a minority recruiter for police departments, a Hollywood screenwriter, a Bobby Kennedy volunteer, a teacher at religious schools, a world-champion hitchhiker, an expert on bad movies, and a veteran TV host on PBS and a British network—who declines to own a TV himself. Medved relishes the contradictions behind the high-profile controversies in which he’s played a leading role—as a prominent movie reviewer who attacked the film industry in a bestselling book, as an observant Jew whose radio show is a favorite with evangelical Christians, as a writer once designated the “Bard of the Baby Boomers” who now expresses contempt for his generation’s arrogant indulgence, and as a fearless battler who has sought advice from both Rush Limbaugh and Hillary Clinton and has given advice to both Mel Gibson and Barbra Streisand. *Right Turns* displays the slashing argument and disarming wit that have made Medved’s radio program America’s number one show on politics and pop culture.

*Ghosts of El Grullo* Patricia Santana 2008-03-15 Having left her much-loved San Diego barrio, Yolanda Sahagún is now living in the university dorms when a series of events--her mother dies and her father sells their home--forces her to re-examine her life. Yolanda visits her parents' hometown of El Grullo, Mexico, struggling to understand the ghosts in her life--her mother, her father, and her seemingly idyllic childhood. She fears losing herself in the

disintegration of the family. For Yolanda, her father is her enemy (or so she thinks), and in the course of the novel we see him at his best and worst, and we see Yolanda at her best and worst. This is a story of Yolanda's initiation into womanhood and about her fierce struggle to make sure her family does not dissolve. Family and sexual politics; love, death, and abandonment; the struggle to resolve a personal identity in the context of a shattered, first-generation immigrant American family--these are the hugely painful obstructions Yolanda must surmount or incorporate into her own being as she makes her life's journey. *Ghosts of El Grullo* is a sequel to Santana's critically acclaimed and prize-winning *Motorcycle Ride on the Sea of Tranquility*.

*The Buddha in the Machine* R. John Williams 2014-06-24 The writers and artists described in this book are joined by a desire to embrace 'Eastern' aesthetics as a means of redeeming 'Western' technoculture. The assumption they all share is that at the core of modern Western culture there lies an originary and all-encompassing philosophical error - and that Asian art offers a way out of that awful matrix. That desire, this book attempts to demonstrate, has informed Anglo- and even Asian-American debates about technology and art since the late nineteenth century and continues to skew our responses to our own technocultural environment.

Still in love with the girl he once kissed in a circle of broken glass, this soldier-turned-President has never forgotten the taste of her kiss or the sound of her whispered, yes, please against his mouth. He's never forgotten the promises he wanted to make her and couldn't because she was too young for him then, and far too innocent for the things he needs. But he can't wait any longer . . . But can a fairy tale have a happily ever after for three people? Desperate to have her, Ash sends his best friend Embry to bring Greer to him, not knowing they have their own secrets, their own tragedies together. Their own cravings . . . Soon, Greer finds herself caught between past and present, pleasure and pain--and the two men who long for each other as much as they long for her. And as war and betrayal press ever closer, they tumble headlong into a passionate love affair that will change the world. My name is Greer Galloway and I serve at the pleasure of the President of the United States. From the USA Today bestselling author of *Priest* and *Misadventures of a Curvy Girl* comes a contemporary reimagining of the legend of King Arthur, Guinevere, and Lancelot--elegant, carnal, and unforgettable.

Shopping for a Billionaire's Fiancee (Shopping #6)(Billionaire Romance) (Romantic Comedy) Julia Kent 2015-02-26 All of our best dates end up in the emergency room.... I planned the perfect proposal. Plenty of lobster, caviar,

champagne and--her favorite--tiramisu. The perfect setting. The perfect woman. The perfect everything. Dad gave me my late mother's engagement ring, platinum and diamonds galore. Shannon wouldn't care if I slid a giant hard-candy ring on her finger instead of a three-carat diamond designed to impress. But my future mother-in-law, Marie, will pass out when she sets eyes on that rock, which will give us two minutes of blessed silence. That woman talks more than Kim Kardashian flashes her naked backside on the internet. I was going to make it perfect, from the color of the tablecloth to the freshness of the roses. And it was perfect. Until Shannon swallowed the ring.

**Love on the Brain** Ali Hazelwood 2022-08-23 From the New York Times bestselling author of *The Love Hypothesis* comes a new STEM-inist rom-com in which a scientist is forced to work on a project with her nemesis—with explosive results. Like an avenging, purple-haired Jedi bringing balance to the mansplained universe, Bee Königswasser lives by a simple code: What would Marie Curie do? If NASA offered her the lead on a neuroengineering project—a literal dream come true after years scraping by on the crumbs of academia—Marie would accept without hesitation. Duh. But the mother of modern physics never had to co-lead with Levi Ward. Sure, Levi is attractive in a tall, dark, and piercing-eyes kind of way. And sure, he caught her in his powerfully corded arms like a romance novel hero when she accidentally damseled in distress on her first day in the lab. But Levi made his feelings toward Bee very clear in grad school—archenemies work best employed in their own galaxies far, far away. Now, her equipment is missing, the staff is ignoring her, and Bee finds her floundering career in somewhat of a pickle. Perhaps it's her occipital cortex playing tricks on her, but Bee could swear she can see Levi softening into an ally, backing her plays, seconding her ideas...devouring her with those eyes. And the possibilities have all her neurons firing. But when it comes time to actually make a move and put her heart on the line, there's only one question that matters: What will Bee Königswasser do?

**Yes? No! Maybe...** Emilyn Claid 2006-09-27 Covering fifty years of British dance, from Margot Fonteyn to innovative contemporary practitioners such as Wendy Houstoun and Nigel Charnock, *Yes? No! Maybe* is an innovative approach to performing and watching dance. Emilyn Claid brings her life experience and interweaves it with academic theory and historical narrative to create a dynamic approach to dance writing. Using the 1970s revolution of

new dance as a hinge, Claid looks back to ballet and forward to British independent dance which is new dance's legacy. She explores the shifts in performer-spectator relationships, and investigates questions of subjectivity, absence and presence, identity, gender, race and desire using psychoanalytical, feminist, postmodern, post-structuralist and queer theoretical perspectives. Artists and practitioners, professional performers, teachers, choreographers and theatre-goers will all find this book an informative and insightful read.

**Stanley Kubrick at Look Magazine** Philippe Mather 2013-02-15 From 1945 to 1950, during the formative years of his career, Stanley Kubrick worked as a photojournalist for *Look* magazine. Offering a comprehensive examination of the work he produced during this period, *Stanley Kubrick at Look Magazine* sheds new light on the aesthetic and ideological factors that shaped his artistic voice. Tracing the links between his photojournalism and films, Philippe Mather shows how working at *Look* fostered Kubrick's emerging talent for combining images and words to tell a story. Mather then demonstrates how exploring these links enhances our understanding of Kubrick's approach to narrative structure – as well as his distinctive combinations of such genres as fiction and documentary, and fantasy and realism.

**Happiness Dissected** Mark Devon 2015-08-26 Emotions are not a mysterious soup in your head! This book dissects happiness into our individual emotions based on their evolutionary or biological purpose. This dissection reveals many breakthrough insights: you only fall in love with strangers; women only fall in love with men of equal-or-higher rank; men fall out of love 4 years after meeting a woman; you only envy former peers – like siblings and classmates; you only feel humor when others make a mistake you could make, a mid-life crisis occurs when your rank plateaus and you stop feeling pride; we say please and thank you so others don't feel humiliation; we only cry because we're lonely.

*Popular television drama* Jonathan Bignell 2017-06-01 Popular television drama: critical perspectives' is a collection of essays examining landmark programmes of the last forty years, from 'Doctor Who' to 'The Office', and from 'The Demon Headmaster' to 'Queer As Folk'. Contributions from prominent academics focus on the full range of popular genres, from sitcoms to science fiction, gothic horror and children's drama, and challenge received wisdom by reconsidering how British television drama can be analysed. Each section is preceded by an introduction in which the editors discuss how the essays address existing problems in the field and also suggest new directions

for study. The book is split into three sections, addressing the enduring appeal of popular genres, the notion of 'quality' in television drama, and analysing a range of programmes past and present. Popular television drama: critical perspectives will be of interest to students and researchers in many academic disciplines that study television drama. Its breadth and focus on popular programmes will also appeal to those interested in the shows themselves.
