Whale Talk Chris Crutcher 2009-09-22 "A truly exceptional book."—Washington Post There's bad news and good news about the Cutter High School swim team. The bad news is that they don't have a pool. The good news is that only one of them can swim anyway. Bestselling author Chris Crutcher's controversial and acclaimed novel follows a group of outcasts as they take on inequality and injustice in their high school. "Crutcher's superior gifts as a storyteller and his background as a working therapist combine to make magic in *Whale Talk*. The thread of truth in his fiction reminds us that heroes can come in any shape, color, ability or size, and friendship can bridge nearly any divide."—Washington Post T.J. Jones hates the blatant preferential treatment jocks receive at his high school, and the reverence paid to the varsity lettermen. When he sees a member of the wrestling team threatening an underclassman, T.J. decides he's had enough. He recruits some of the biggest misfits at Cutter High to form a swim team. They may not have very much talent, but the All-Night Mermen prove to be way more than T.J. anticipated. As the unlikely athletes move closer to their goal, these new friends might learn that the journey is worth more than the reward. For fans of Andrew Smith and Marieke Nijkamp. "Crutcher offers an unusual yet resonant mixture of black comedy and tragedy that lays bare the superficiality of the high-school scene. The book's shocking climax will force readers to re-examine their own values and may cause them to alter their perception of individuals pegged as 'losers.'"—Publishers Weekly An American Library Association Best Book for Young Adults New York Public Library Books for the Teen Age Features a new afterword by Chris Crutcher

Bomb Steve Sheinkin 2012-09-04 In December of 1938, a chemist in a German laboratory made a shocking discovery: When placed next to radioactive material, a Uranium atom split in two. That simple discovery launched a scientific race that spanned 3 continents. In Great Britain and the United States, Soviet spies worked their way into the scientific community; in Norway, a commando force slipped behind enemy lines to attack German heavy-water manufacturing; and deep in the desert, one brilliant group of scientists was hidden away at a remote site at Los Alamos. This is the story of the plotting, the risk-taking, the deceit, and genius that created the world’s most formidable weapon. This is the story of the atomic bomb. King of the Mild Frontier Chris Crutcher 2009-09-22 ALA Best Fiction for Young Adults * New York Public Library Books for the Teen Age A riveting, scorching—and hilarious—autobiography by the award-winning author of Staying Fat for Sarah Byrnes and Deadline. From trying to impress a member of the girls’ softball team (with disastrous dental results) to enduring the humiliation of his high school athletic club initiation (olives and oysters play unforgettable roles), Chris Crutcher’s memoir of the tricky road to adulthood is candid, disarming, laugh-out-loud funny, relevant, and never less than riveting. He vividly describes a temper that was always waiting to trip him up even as it sustained him through some of the most memorable mishaps any child has survived. And how did this guy (he lifted his brother’s homework through the entire tenth grade) ever become a writer, not to mention the author of fourteen critically acclaimed books for young people? The frontier may be mild, but the book is not. Fans of Tara Westover’s Educated, Jack Gantos’s Hole in My Life, and Walter Dean Myers’s Bad Boy will laugh, will cry, and will remember. “Funny, bittersweet and brutally honest. Readers will clasp this hard-to-put-down book to their hearts even as they laugh sympathetically.”—Publishers Weekly (starred review)

Period 8 Chris Crutcher 2013-03-26 In this terrifying and provocative novel by the bestselling and award-winning author of Deadline and Staying Fat for Sarah Byrnes, a teenage boy tries to uncover what happened to a girl who has vanished from his high school. Was she abducted, or did she run for her life? Paul “The Bomb” Baum tells the truth. No matter what. It was something he learned at Sunday school. But telling the truth can cause problems, and not just minor ones. And as Paulie discovers, finding the truth can be even more problematic. Period 8 is supposed to be that one period in high school where the truth can shine, a safe haven. Only what Paulie and Hannah (his ex-girlfriend, unfortunately) and his other classmates don’t know is that the ultimate liar is in their midst. Terrifying, thought-provoking, and original, this novel combines all the qualities of a great psychological thriller with the controversy, ethics, athletics, humor, and raw emotion of a classic Crutcher story.

Spirituality in Young Adult Literature Patty Campbell 2015-06-24 In a time when almost any gritty topic can be featured in a young adult novel, there is one subject that is avoided by writers and publishers. Faith and belief in God seldom appear in traditional form in novels for teens. The lack of such ideas in mainstream adolescent literature can be interpreted by teens to mean that these matters are not important. Yet a significant part of growing up is struggling with issues of spirituality. The underlying problem, of course, is that there are so few writers who are willing to talk to teenagers about God, even indirectly, or who themselves have the religious literacy for the task. Spirituality in Young Adult Literature: The Last Taboo tackles a subject rarely portrayed in fiction aimed at teens. In this volume, Patty Campbell examines not only realistic fiction, but young adult literature that deals with mysticism, apocalyptic end times, and even YA novels that depict the Divine Encounter. Campbell maintains that fantasy works are inherently spiritual, because the plots nearly always progress toward a showdown between good and evil. As such, the author surmises that the popularity of fantasy among teens may represent their interest in the mystical dimensions of faith and the otherworldly. In this study, Campbell examines works of fiction that express perspectives from Christianity, Judaism, Islam, Buddhism, Hinduism, and Sikhism. Distinguished YA novelist Chris Crowe provides a chapter on Mormon values and Mormon YA authors and how their novels integrate those values into their books. By looking at how spirituality is represented in novels aimed at teens, this book asks what progress, if any, has been made in slaying the taboo. Although most of the books discussed in this study are recent, an appendix lists YA books from 1967 to the present that have dealt with issues of faith. A timely look at an important subject. Spirituality in Young Adult Literature will be of interest to young adult librarians, junior and senior high school teachers, and students and instructors of college courses in adolescent literature, as well as to parents of teens.

Athletic Shorts Chris Crutcher 2009-09-22 These six powerful short stories chronicle bits of the lives of characters, major and minor, who have walked the rugged terrain of Chris Crutcher's earlier works. They also introduce some new and unforgettable personalities who may well be heard from again in future books. As with all Crutcher's work, these are stories about athletes, and yet they are not sport stories. They are tales of love and death, bigotry and heroism, of real people doing their best even when that best isn't very good. Crutcher's straightforward style and total honesty have earned him an admiring audience and made readers of many nonreaders.

A boy's search for his father becomes a desperate journey to unlock a secret past. But the past must not be remembered if the boy is to survive. As he searches for the truth that hovers at the edge of his mind, the boy—and readers—arrive at a shattering conclusion. “An absorbing, even brilliant job. The book is assembled in mosaic fashion: a tiny chip here, a chip there. . . . Everything is related to something else; everything builds and builds to a fearsome climax. . . . [Cormier] has the knack of making horror out of the ordinary, as the masters of suspense know how to do.”—The New York Times Book Review “A horrifying tale of government corruption, espionage, and counter espionage told by an innocent young victim. . . . The buildup of suspense is terrific.”—School Library Journal, starred review An ALA Notable Children’s Book A School Library Journal Best Book of the Year A Horn Book Fanfare A Library of Congress Children’s Book of the Year A Colorado Blue Spruce Young Adult Book Award Nominee
