**Harrow** Joy Williams 2021-09-14 In her first novel since the Pulitzer Prize-nominated *The Quick and the Dead*, the legendary writer takes us into an uncertain landscape after an environmental apocalypse, a world in which only the man-made has value, but some still wish to salvage the authentic. "She practices ... camouflage, except that instead of adapting to its environment, Williams's imagination, by remaining true to itself, reveals new colorations in the ecology around her." —A.O. Scott, *The New York Times Book Review* Kristen is a teenager who, her mother believes, was marked by greatness as a baby when she died for a moment and then came back to life. After Kristen's failing boarding school for gifted teens closes its doors, and she finds that her mother has disappeared, she ranges across the dead landscape and washes up at a "resort" on the shores of a mysterious, putrid lake the elderly residents there call "Big Girl." In a rotting honeycomb of rooms, these old ones plot actions to punish corporations and people they consider culpable in the destruction of the final scraps of nature's beauty. What will Kristen and Jeffrey, the precocious ten-year-old boy she meets there, learn from this "gabby seditious lot, in the worst of health but with kamikaze hearts, an army of the aged and ill, determined to refresh, through crackpot violence, a plundered earth"? Rivetingly strange and beautiful, and delivered with Williams's searing, deadpan wit, *Harrow* is their intertwined tale of paradise lost and of their reasons—against all reasonableness—to try and recover something of it.

[A Place of Hiding](#) Elizabeth George 2003-07-29 An isolated beach on the island of Guernsey in the English Channel is the scene of the murder of Guy Brouard, one of Guernsey's wealthiest inhabitants and its main benefactor. Forced as a child to flee the Nazis in Paris, Brouard was engaged in his latest project when he died: a museum in honor of those who resisted the German occupation of the island during World War II. It is from this period of time that his murderer may well have come. But there are others on Guernsey with reason to want Guy Brouard dead: his wives, his business associates, his current mistress, the underprivileged teenagers he mentored—any of whom might have harbored a secret motive for murder. As family and friends gather for the reading of the will, Deborah and Simon St. James find that seemingly everyone on the history-haunted island has something to hide. And behind all the lies and alibis, a killer is lurking. In order to bring this person to justice, the St. James must delve into Guernsey's dark history—both past and present—and into the troubled psyche of someone who may have exacted retribution for the most unspeakable crime of all. In *A Place of Hiding*, bestselling novelist Elizabeth George marks new territory in the darker landscapes of human relationships. She tells a gripping, suspenseful story of betrayal and devotion, war and remembrance, love and loss...and the higher truths to which we must all ultimately answer.

*No Place to Hide* Bill Sly 2016-08-19 No Place to Hide: Alpha Company at Nui Ba Den puts into words what few can imagine and even fewer have experienced the harrowing and life-altering experience of facing deadly assaults from snipers. The U.S. Army's Alpha Company, deployed in Vietnam in 1969, followed orders sending it toward a mountain, Nui Ba Den. There they encountered North Vietnamese snipers, secure on higher ground, who subjected the company to two days of unremitting attack. In the end, nine members of the company and two of Charlie Company who came to their aid lost their lives. The author, Bill Sly, survived both the battle at Nui Ba Den and the Vietnam War. A college degree in history education and his military duties writing narratives to support awards of the Medal of Honor provided him with the background and expertise to bring to life his first-hand experience with the war and this particular engagement. In the pages of *No Place to Hide*, he tells the story of this company and its men who served, fought, and died and those who survived to remember and to remind others of the sacrifices of their comrades. *No Place to Hide: Alpha Company at Nui Ba Den* honors the men who fought together, remembers the sacrifices of those who died, and preserves the history of the events it depicts.

*Anxious People* Fredrik Backman 2020-09-08 Instant #1 New York Times Bestseller A People Book of the Week, Book of the Month Club selection, and Best of Fall in Good Housekeeping, PopSugar, The Washington Post, New York Post, Shondaland, CNN, and more! "[A] quirky, big-hearted novel...Wry, wise, and often laugh-out-loud funny, it's a wholly original story that delivers pure pleasure." —People From the #1 New York Times bestselling author of *A Man Called Ove* comes a charming, poignant novel about a crime that never took place, a would-be bank robber who disappears into thin air, and eight extremely anxious strangers who find they have more in common than they ever imagined. Looking at real estate isn't usually a life-or-death situation, but an apartment open house becomes just that when a failed bank robber bursts in and takes a group of strangers hostage. The captives include a recently retired couple who relentlessly hunt down fixer-uppers to avoid the painful truth that they can't fix their own marriage. There's a wealthy bank director who has been too busy to care about anyone else and a young couple who are about to have their first child but can't seem to agree on anything, from where they want to live to how they met in the first place. Add to the mix an eighty-seven-year-old woman who has lived long enough not to be afraid of someone waving a gun in her face, a flustered but still-ready-to-make-a-deal real estate agent, and a mystery man who has locked himself in the apartment's only bathroom, and you've got the worst group of hostages in the world. Each of them carries a lifetime of grievances, hurts, secrets, and passions that are ready to boil over. None of them is entirely who they appear to be. And all of them—the bank robber included—desperately crave some sort of rescue. As the authorities and the media surround the premises these reluctant allies will reveal surprising truths about themselves and set in motion a chain of events so unexpected that even they can hardly

explain what happens next. Rich with Fredrik Backman's "pitch-perfect dialogue and an unparalleled understanding of human nature" (*Shelf Awareness*), *Anxious People* is an ingeniously constructed story about the enduring power of friendship, forgiveness, and hope—the things that save us, even in the most anxious times.

*Ways to Hide in Winter* Sarah St. Vincent 2018-11-06 Winner of the 2019 Pinckley Prize for Debut Novel "[An] atmospheric suspense novel...Pick it up now." —O, THE OPRAH MAGAZINE In the wintry silences of Pennsylvania's Blue Ridge Mountains, a woman befriends a mysterious foreigner—setting in motion this suspenseful, atmospheric, politically charged debut After surviving a life-altering accident at twenty-two, Kathleen recuperates by retreating to a remote campground lodge in a state park, where she works flipping burgers for deer hunters and hikers—happy, she insists, to be left alone. But when a hesitant, heavily accented stranger appears in the dead of winter—seemingly out of nowhere, kicking snow from his flimsy dress shoes—the wary Kathleen is intrigued, despite herself. He says he's a student from Uzbekistan. To her he seems shell-shocked, clearly hiding from something that terrifies him. And as she becomes absorbed in his secrets, she's forced to confront her own—even as her awareness of being in danger grows . . . Steeped in the rugged beauty of the Blue Ridge Mountains, with America's war on terror raging in the background, Sarah St. Vincent's *Ways to Hide in Winter* is a powerful story about violence and redemption, betrayal and empathy . . . and how we reconcile the unforgivable in those we love.

**The Way I Used to Be** Amber Smith 2017-03-07 "After fourteen-year-old Eden is raped by her brother's best friend, she knows she'll never be the way she used to be"--

*The Road* Cormac McCarthy 2007-03-20 NATIONAL BESTSELLER • WINNER OF THE PULITZER PRIZE • A searing, post-apocalyptic novel about a father and son's fight to survive, this "tale of survival and the miracle of goodness only adds to McCarthy's stature as a living master. It's gripping, frightening and, ultimately, beautiful" (*San Francisco Chronicle*). A father and his son walk alone through burned America. Nothing moves in the ravaged landscape save the ash on the wind. It is cold enough to crack stones, and when the snow falls it is gray. The sky is dark. Their destination is the coast, although they don't know what, if anything, awaits them there. They have nothing; just a pistol to defend themselves against the lawless bands that stalk the road, the clothes they are wearing, a cart of scavenged food—and each other. *The Road* is the profoundly moving story of a journey. It boldly imagines a future in which no hope remains, but in which the father and his son, "each the other's world entire," are sustained by love. Awesome in the totality of its vision, it is an unflinching meditation on the worst and the best that we are capable of: ultimate destructiveness, desperate tenacity, and the tenderness that keeps two people alive in the face of total devastation.

**Run and Hide** Pankaj Mishra 2022-03-01 "Pankaj Mishra transforms a visceral, intimate story of one man's humble origins into a kaleidoscopic portrait of a society bedazzled by power and wealth—what it means on a human level, and what it costs. *Run and Hide* is a spectacular, illuminating work of fiction." —Jennifer Egan, author of *Manhattan Beach* Growing up in a small railway town, Arun always dreamed of escape. But while his friends play out Gatsby-style fantasies, Arun fails to leverage his elite education for social capital. He decides to pursue the writerly life, retreating to a small village in the Himalayas with his aging mother. Arun's modest idyll is one day disrupted by the arrival of a young woman named Alia, who is writing an exposé of his former classmates. Alia, beautiful and sophisticated, draws Arun back to the prospering world where he must be someone else if he is to belong. When he is implicated in a terrible act of violence committed by his closest friend from IIT, Arun will have to

reckon with the person he has become. *Run and Hide* is Pankaj Mishra's powerful story of achieving material progress at great moral and emotional cost. **Where the Crawdads Sing (Movie Tie-In)** Delia Owens 2022-06-28 NOW A MAJOR MOTION PICTURE The #1 New York Times bestselling worldwide sensation with more than 12 million copies sold, "a painfully beautiful first novel that is at once a murder mystery, a coming-of-age narrative and a celebration of nature" (The New York Times Book Review). For years, rumors of the "Marsh Girl" have haunted Barkley Cove, a quiet town on the North Carolina coast. So in late 1969, when handsome Chase Andrews is found dead, the locals immediately suspect Kya Clark, the so-called Marsh Girl. But Kya is not what they say. Sensitive and intelligent, she has survived for years alone in the marsh that she calls home, finding friends in the gulls and lessons in the sand. Then the time comes when she yearns to be touched and loved. When two young men from town become intrigued by her wild beauty, Kya opens herself to a new life—until the unthinkable happens. *Where the Crawdads Sing* is at once an exquisite ode to the natural world, a heartbreaking coming-of-age story, and a surprising tale of possible murder. Delia Owens reminds us that we are forever shaped by the children we once were, and that we are all subject to the beautiful and violent secrets that nature keeps.

**Deacon King Kong** James McBride 2020-03-03 Winner of the Anisfield-Wolf Book Award for Fiction Winner of the Gotham Book Prize One of Barack Obama's "Favorite Books of the Year" Oprah's Book Club Pick Named one of the Top Ten Books of the Year by the New York Times, Entertainment Weekly and TIME Magazine A Washington Post Notable Novel From the author of the National Book Award-winning *The Good Lord Bird* and the bestselling modern classic *The Color of Water*, comes one of the most celebrated novels of the year. In September 1969, a fumbling, cranky old church deacon known as Sportcoat shuffles into the courtyard of the Cause Houses housing project in south Brooklyn, pulls a .38 from his pocket, and, in front of everybody, shoots the project's drug dealer at point-blank range. The reasons for this desperate burst of violence and the consequences that spring from it lie at the heart of *Deacon King Kong*, James McBride's funny, moving novel and his first since his National Book Award-winning *The Good Lord Bird*. In *Deacon King Kong*, McBride brings to vivid life the people affected by the shooting: the victim, the African-American and Latinx residents who witnessed it, the white neighbors, the local cops assigned to investigate, the members of the Five Ends Baptist Church where Sportcoat was deacon, the neighborhood's Italian mobsters, and Sportcoat himself. As the story deepens, it becomes clear that the lives of the characters—caught in the tumultuous swirl of 1960s New York—overlap in unexpected ways. When the truth does emerge, McBride shows us that not all secrets

are meant to be hidden, that the best way to grow is to face change without fear, and that the seeds of love lie in hope and compassion. Bringing to these pages both his masterly storytelling skills and his abiding faith in humanity, James McBride has written a novel every bit as involving as *The Good Lord Bird* and as emotionally honest as *The Color of Water*. Told with insight and wit, Deacon King Kong demonstrates that love and faith live in all of us.

**No Place to Hide** W. Lee Warren 2014-05-06 A War Zone of the Soul Dr. W. Lee Warren's life as a neurosurgeon in a trauma center began to unravel long before he shipped off to serve the Air Force in Iraq in 2004. When he traded a comfortable if demanding practice in San Antonio, Texas, for a ride on a C-130 into the combat zone, he was already reeling from months of personal struggle. At the 332nd Air Force Theater Hospital at Joint Base Balad, Iraq, Warren realized his experience with trauma was just beginning. In his 120 days in a tent hospital, he was trained in a different specialty—surviving over a hundred mortar attacks and trying desperately to repair the damages of a war that raged around every detail of every day. No place was safe, and the constant barrage wore down every possible defense, physical or psychological. One day, clad only in a T-shirt, gym shorts, and running shoes, Warren was caught in the open while round after round of mortars shook the earth and shattered the air with their explosions, stripping him of everything he had been trying so desperately to hold on to. Warren's story is an example of how a person can go from a place of total loss to one of strength, courage, and victory. Whether you are in the midst of your own crisis of faith, failed relationship, financial struggle, or illness, you will be inspired to remember that how you respond determines whether you survive—spiritually, emotionally, and sometimes physically. It is the beginning of a long journey home.

No Place to Hide Glenn Greenwald 2014-05-13 A groundbreaking look at the NSA surveillance scandal, from the reporter who broke the story, Glenn Greenwald, star of *Citizenfour*, the Academy Award-winning documentary on Edward Snowden In May 2013, Glenn Greenwald set out for Hong Kong to meet an anonymous source who claimed to have astonishing evidence of pervasive government spying and insisted on communicating only through heavily encrypted channels. That source turned out to be the 29-year-old NSA contractor and whistleblower Edward Snowden, and his revelations about the agency's widespread, systemic overreach proved to be some of the most explosive and consequential news in recent history, triggering a fierce debate over national security and information privacy. As the arguments rage on and the government considers various proposals for reform, it is clear that we have yet to see the full impact of Snowden's disclosures. Now for the first time, Greenwald fits all the pieces together, recounting his high-intensity ten-day trip to Hong Kong, examining the broader implications of the surveillance detailed in his reporting for *The Guardian*, and revealing fresh information on the NSA's unprecedented abuse of power with never-before-seen documents entrusted to him by Snowden himself. Going beyond NSA specifics, Greenwald also takes on the establishment media, excoriating their habitual avoidance of adversarial reporting on the government and their failure to serve the interests of the people. Finally, he asks what it means both for individuals and for a nation's political health when a government pries so invasively into the private lives of its citizens—and considers what safeguards and forms of oversight are necessary to protect democracy in the digital age. Coming at a landmark moment in American history, *No Place to Hide* is a fearless, incisive, and essential contribution to our understanding of the U.S. surveillance state.

**"I Have Nothing to Hide"** Heidi Boghosian 2021-07-13 An accessible guide that breaks down the complex issues around mass surveillance and data privacy and explores the negative consequences it can have on individual citizens and their communities. No one is exempt from data mining: by owning a smartphone, or using social media or a credit card, we hand over private data to corporations and the government. We need to understand how surveillance and data collection operates in order to regain control over our digital freedoms—and our lives. Attorney and data privacy expert Heidi Boghosian unpacks widespread myths around the seemingly innocuous nature of surveillance, sets the record straight about what government agencies and corporations do with our personal data, and offers solutions to take back our information. *"I Have Nothing to Hide"* is both a necessary mass surveillance overview and a reference book. It addresses the misconceptions around tradeoffs between privacy and security, citizen spying, and the ability to design products with privacy protections. Boghosian breaks down misinformation surrounding 21 core myths about data privacy, including: • "Surveillance makes the nation safer." • "No one wants to spy on kids." • "Police don't monitor social media." • "Metadata doesn't reveal much about me." • "Congress and the courts protect us from surveillance." • "There's nothing I can do to stop surveillance." By dispelling myths related to surveillance, this book helps readers better understand what data is being collected, who is gathering it, how they're doing it, and why it matters.

Snowden is a former Senior Advisor to the NSA, a former Field Officer with the CIA, and a former lecturer for the United States Defense Intelligence Agency. He had confidential information he wanted to share with Greenwald, but would only do it if he knew their connection was secure. Greenwald is a journalist known for his reporting on the wrongdoings of the National Security Agency (NSA). Snowden wanted Greenwald to use PGP (pretty good privacy) encryption on his computer so that he could safely send him some information that he had gathered. Although Greenwald considered adding these extra security measures to his computer, he was very busy with other things and did not want to take the time to put the complicated software in place. Snowden sent him a guide on how to add the encryption, but Greenwald still took no action. Snowden offered to find someone who could help Greenwald install the system. Without positive proof that the information Snowden had was really newsworthy, Greenwald did not feel motivated to take the steps necessary to install the PGP encryption. However, without a secure form of communication in place, Snowden was unwilling to risk sharing the information he had with Greenwald. This communication between the two took place over several weeks and then came to a standstill. On April 18, Laura Poitras contacted Greenwald. Laura Poitras is a documentary filmmaker who is known for fearlessly taking risks in making her films. She made three films about the conduct of the United States during the war on terror, which made her a target of government officials whenever she entered or left the country. Poitras wanted to talk to Greenwald about something but would only do it in person and in private in a secure location...
